/ Introduction

Speziale : Mike, right...?
Me : Yeah. Uh, I just called into the station
Speziale : Yeah, I guess, I guess they went over there, they didn't see ya over there
Me : Yeah, I left because I didn't know how long they it was gonna be.
Speziale : One sec, alright...? 4138 to sheriffs office
Unspec'd : You have your ID, Mike...?

=====

Asking for my ID when I'm starting a FIELD INITIATED REPORT conveys BIAS.
My identification was NOT NECESSARY to make this report...
...but I'm sure this dude goes around sayin' it was.
All this dude wants to DO, is CHECK whether I have a WARRANT...
...and then bring me to the JAIL, or whatever.
If I had a WARRANT...? Hell yeah, this dude has something to DO.
No warrant...? Well, this dude does NOT find this exciting AT ALL. Nah.
That's the toughest part of this dude's job.

=====

Speziale : I'm gonna be out, uh with Mr. Cook. Clifton Park Fire Station. *mutters into radio*
Unspec'd : *hands ID back* Thank you.

=====

No problem, dickhead.
Thanks for checking on whether I have any outstanding warrants.

=====

Speziale : What's goin' on...?
Me : Uh, I was at the town of half-
Speziale : (interrupts me, sorta knows what's going on already...)
Yeah, they said you were over there, we sent a unit over there...
...but we were just tied up on some stuff. (Fine, that's believable)
Me : *unintelligible* The guy on the phone didn't tell me how long it was gonna be. (he hung up on me)
I didn't wanna be there...
Speziale : What's goin on...? (Third time he's asked, sorta already knows what's going on.)
Me : Uh, Eric Catricala is like, stalking me.
Speziale : ...Catricala...?
Me : Yeah.
Speziale : Ok, I saw, I read the card a little bit.
Alright, so, how's he stalking you...?

=====

The "card" is basically a call for service/description/toast notification)
It allows them to PICK/CHOOSE what to take action on.

=====

Me : Uh, he's done this NUMEROUS TIMES.
Speziale : How do you know that...?

/ Transcription (1)

There are numerous details before this FIRST detail...?

But- I literally wrote a book where I talk about lazy police officers not doing their jobs...
[https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_1008_TDA_Not_News.pdf]

...and how certain people can commit espionage to people...
...and steal intellectual property...
...and remain rich...
...and powerful...
...and I talk about how my father was murdered when I was 10 years old...
...and I think that my father was onto this charade...
...and that's why he's dead, cause a local crime syndicate conspired to murder my father...
...and I suspect that my aunt Terri Cook, who works at the CLIFTON PARK PUBLIC SAFETY BUILDING...
...as a fucking DOG WARDEN...
...was involved in that somehow.

But- here are some specific clues, (Samuel Speziale/Michael Zurlo).

- 1) May 24th, 2020 (Catricala) and I spoke.
It was my 35th birthday.
I took a whole shitload of these things called "audio logs", "videos", and "pictures".

The police never actually (collect/review) these following things...
<https://github.com/mcc85s/FightingEntropy/blob/main/Records/Evidence.md>
<https://github.com/mcc85s/FightingEntropy/blob/main/Audio/Exhibits.md>
SCSO-2020-003177, reported on May 27th, 2020 with James Leonard.
[https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_1004-\(RecordsList\).pdf](https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_1004-(RecordsList).pdf)

I mean, I could really just end the fucking document right here and now, because that's "WORK".
Those (3) links above showcase that I have put a lot more thought into this, than Samuel Speziale has,
on any given day that he has ever clocked in, and done any work, at the Saratoga County Sheriffs Office.

But, I'll continue...

- 2) May 25th, 2020 I had made many audio recordings.
Someone attempted to strike me with their vehicle.
It was a black Dodge (Charger/Dart).
It was near Center for Security.
I stated in the 3rd audio recording, that someone was trying to hit me with their vehicle.
I spoke about my aunt Terri Cook, Pavel Zaichenko, and the videos I had recorded earlier that day.
The FIRST video I spoke about how people were abusing the USA-PATRIOT Act of 2001 to spy on people.
And, they were using it to GENERATE REVENUE, instead of using it to PROTECT PEOPLE.
I also talked about PRISM, Cortana, and censorship occurring on Facebook.
The SECOND video I was leaving 10 Innisbrook, and walked all the way to the
Clifton Park Public Safety Building, and recorded a (2nd) instance of (3) NYSP cruisers running idle.
I stated in that particular video that I knew that the program was already deployed to my device.
- 3) Later that night, I stated into the 3rd audio recording "I'm gonna hack into the network..."
...but I already had the PASSWORD.
- 4) I took screenshots of the network that had an access point that I purchased from Nfrastructure.
I configured that device back in May 2018.
It had the same password that I configured the device with, from May 2018 -> May 2020.
That's (2) years of the device having the same exact password, so it was still my network configuration.
I uploaded the audio recordings and screenshots of me being connected to the network when I was there.
These are things I told SCSO Scott Schelling in front of the Zappone dealership in SCSO-2020-028501.
- 5) AFTER I uploaded those audio recordings and screenshots, I took pictures of the small building behind
Eric Catricala's funeral home... multiple pictures.
- 6) I took a picture of the Boomer-McCloud plaza, by accident, and then recorded a 20 minute video that I
wound up showing to 1) NYSP Shaemus Leavey, 2) Michael C. Cook Jr., and 3) Anastasia J. Cook, on 05/27/20
- 7) In that video that I recorded, (2x) former customers of Computer Answers, were STALKING ME.
- 8) They had a program deployed to my device that was TRACKING MY LOCATION, EAVESDROPPING ON ME,
and they were right smack dab in the middle of attempting to MURDER ME.
- 9) This all occurred, like, right in front of Eric Catricala's funeral home, and they chased me from
(Computer Answers/Catricala Funeral Home), all the way to Route 9/146.

These are things I wrote about in this thing called a "BOOK", that Speziale should probably "READ" sometime.
But- it doesn't end there, dude.

- 10) On June 16th, 2020, a unit driving SCSO Sedan 4184 saw me walking near the Phoenix building, and
appeared to be pulling into Parkwood Plaza, with it's left turn signal on... waiting in the middle
of the road for about 10 seconds, looking at me in the rear view mirror. THEN, magically, they may
have said "I'm not gonna turn into Parkwood Plaza... Cause that's stupid. I'm gonna pull into

Ostoja Vucetic's driving range property parking lot instead, and then turn around there... instead of just pulling a 180 and stopping Michael Cook. It won't look shady or suspicious at all. Nah." But, this person was really obvious about how they were doing something QUESTIONABLE.

- 11) I've seen Eric Catricala driving a white mercedes benz SUV on that property before.
- 12) I've also seen either HIM or someone that LOOKS like him, with his WIFE or something, in like a convertible, at or about APRIL 2020.
- 13) Anyway, I evaded the SCSO 4184 that I told Oliver Robinson, Michael Whiteacre, and Mark Sheehan, and they had Michael Whiteacre write up SCSO-2020-003688...? But- didn't give a flying fuck about how Eric Catricala had SCSO SUV 4130 Anthony Pirrone waiting for me to walk in front of the Catricala Funeral Home that day... Anthony Pirrone was waiting for me to walk in front of his business, in order to arrest me for the pictures I took way back on May 25th, 2020.
- 14) Clayton Brownell almost shot me to death as he exited his vehicle in front of Walmart, in broad daylight, and then I evaded him and lost him temporarily... until NYSP Trooper Borden found me at GT Toys.
- 15) Both TROOPER BORDEN and CLAYTON BROWNELL asked me about whether I was at the Catricala Funeral Home THAT DAY... why...? Uh, because they took Eric Catricala at his word, that I was at his business.
- 16) Eric Catricala was in New Salem on June 20th, 2020 about 2 hours after sundown, and he saw me walking down the side of the road, NY-85, near <https://www.google.com/maps/@42.62688,-73.9520728,17z>
- 17) (Eric Catricala/20 Anchor Drive) drove past me in the White Mercedes Benz SUV, and immediately hit his brakes just like SCSO Sedan 4184 did near Parkwood Plaza on 06/16/20... and then I jumped into the weeds because I had a bad feeling.
- 18) Catricala drove into each and every single driveway, AGGRESSIVELY, AND QUIETLY, looking for me.
- 19) He drove away...? And then a minute later, drove right back... trying to fake me out.
- 20) I believe that he had my residence tapped with audio equipment and that Investigator Christopher Murphy from the Federal Bureau of Investigation may have had a hand in that. I'm not certain.

In respect to (12-21-22/LAST NIGHT)...?

- 21) AS SOON AS I WALKED OUTSIDE, OF THE HALFMOON TOWN COURT...
...there he was, sitting in his black Lexus, NYS/SA-16, and AT THAT EXACT MOMENT...?
...he like, drove right off.

As if, him leaving...?

It was because he saw me, outside, leaving the courtroom.

Almost as if someone named Samuel Speziale is really fuckin dense, and not taking me seriously.

That's how I know this dude was stalking me.

But ALSO, I'm fairly certain that the 730 hearing that Michael Depresso wants me to take...?

It could be because some people PUT PRESSURE ON HIM TO DO THAT.

So like, I think that these people in this mafia, they tell Michael Depresso what to do, how high to jump, when to call an emergency hearing and not involve me in my own appearance or anything like that, and then have the dude show up on my behalf without me being there, to submit this whole idea of me speaking to a couple of psychiatrists that I am ALREADY CERTAIN HAVE THEIR MINDS MADE UP...

There's nothing delusional about that at all.

Nah.

Someone is really fuckin' stupid, and I need to expose these people.

Speziale : But I'm saying, do you have any business with him...?

Me : I used to run the Computer Answers shop.

Speziale : Oh, did ya...?

(Legitimate response, he had no idea that I used to generate about \$250K/year at Computer Answers)

Me : Yeah.

Speziale : Alright, I mean, he's stalking you...?

I mean, when did you see him tonight...?

=====
| Yeah, I think that he is working with a local mafia) |

| So is Bruce Tanski, John Hoffman, Michael Zurlo, |
| Robert Missenis, Cameron Missenis, + Mr. Pickett |
=====

| The questions that Speziale is asking me right now, are questions that were already reported. |
| If he's asking these questions for CLARIFICATION, that's fine. But it FEELS as if he finds this |
| particular incident to be RIDICULOUS, and isn't writing ANYTHING down during this entire interaction. |
| While he IS asking me SOME complex questions...? I'm not detecting a level of URGENCY |
=====

Me : Well he- as soon as I left the court...?
Speziale : Did you have a court date tonight...?
Me : Yeh.
Speziale : Ok.
(He's interrupting to CLARIFY my RESPONSES. That's OK to some extent. Doesn't indicate indifference.)
Me : As soon as I walked outside of the court, left the building, I had like a ringing in my ear
(same ringing in my ear as from multiple times beforehand...). I definitely seen him, he was driving
a black Lexus, license plate NYS/SA-16 (nobody's writing that plate down). And he started driving off,
and I like, see his vehicle, LITERALLY because I walked out of the building.
Speziale : Ok.
Me : I think it has something to do with the video that I recorded earlier, of Trooper Cameron Missenis.

=====

Speziale : Ok, based on the incident that happened over the summer...?
Me : Yeah, because he tased me as soon as I told him about an audio log that I recorded.
Speziale : Well listen (*I, Samuel Speziale, am about to spend the remainder of this recording proving
how fucking useless I am...) If you're out and about, and you SEE him, call us when you see him
following you...?
We'll deal with it THEN...

Why this dude is a dumbass toolkit /-----/

I'm riding around as a homeless vagrant on a fucking bicycle with no cell phone service.
He's a rich dude with a wide array of vehicles and owns a business.

This dude, Samuel Speziale really thinks that this dude, is gonna stalk me long enough...
...for Catricala to be CAUGHT...
...and to like, ya know, call these dipshits at SCSO with a phone that has no service...
...and MAYBE, Catricala won't actually do anything MORE than just follow me...
...in his car, going like the same speed as a fucking bicycle...
...in his fucking car, without arousing any suspicion whatsoever.

So if he's in fucking SURVEILLANCE FOOTAGE...?
Oh well. That shit is stupid, and a waste of time to look at.
That is Samuel Speziale's mentality and rationale here.
That's the "why Samuel Speziale is pretty fuckin stupid" toolkit.
You are one dumb motherfucker, dude.
The rest of the transcription is pointless.

Conclusion /-----/

This is WHY I MAKE AUDIO RECORDINGS.
MY AUDIO RECORDINGS EXHIBIT THAT I AM FAR MORE INTELLIGENT THAN MOST PEOPLE.
That would include the people that Michael Depresso are saying:
"YOU DEFENDING SOMEBODY LIKE MICHAEL COOK WOULD BE QUESTIONED..."

That's because Michael Depresso is playing along with this.
So do the other people at the Saratoga County Public Defenders Office.
So do so many other people at the Saratoga County offices.

These people, when somebody IMPORTANT with a lot of MONEY comes along and says:
"You need to do this with this particular individual who's asking questions that appear to be INSANE."
Guys like Michael Depresso don't realize that he's just being a loyal little bitch boy that goes along.

It is as if he is a BOXER (like Daredevil's father) that has been paid to throw a fight.
That's what he's doin.

I can imagine that some of the people in the court are thinking:
"There's NO WAY that THIS MANY PEOPLE, could be REALLY STUPID, Michael Cook..."

Yeah, there is.
Me, making these documents, videos, audio recordings, and et cetera...?
THEY ARE WHAT SAMUEL BASTIAN, AN ACTUAL PSYCHIATRIST, WITH A DOCTORATE...
...TOLD ME THAT I NEED TO CONTINUE TO DO.

Because, he knows. I'm not insane, he literally had me fill out a questionnaire for like 3 hours, sent it to some place, reviewed the results, and then studied the results, and sent those results to family court, under Paul Pelagalli.

Here's the reality. I am clearly indicating right here and now, that I think Michael Depresso is either EXTREMELY FUCKING NAIVE, OR... he's doing a PHENOMENAL JOB of ACTING.

Here's why I make AUDIO RECORDINGS.

| 12/22/22 | Integrity | 2h 07m 50s | https://drive.google.com/file/d/1GVRRNiWLU0Gfwb907LtYQAOAe_1i2_YC |

They say "Anything you SAY, CAN AND WILL be USED AGAINST YOU..."
But what they do NOT tell people, is that if you constantly tell the truth and have integrity...?

You can actually walk around ALL THE TIME, SAYING EVERYTHING THAT COMES TO MIND...?
And they'll have NOTHING THAT THEY CAN USE AGAINST YOU.

Wanna know how that works...? Well, my father was actually a GENIUS. He told me:
"The truth will set you free."

Most people in society think that the truth will NOT set you free.
The reason being, is because, when they LIE...?
They'll fail to understand that you can't just (PICK/CHOOSE) when to tell the truth...
...in order for the adage "the truth will set you free", to have any ACCURACY or VALIDITY.

Nah.
It's like "Should I tell the truth about how I took a shit this morning, and didn't flush...?"
And then they'll think nothing of it when someone asks them...
"Did you take a shit this morning, and not flush the toilet...?" or whatever.

They forgot to flush the toilet, and they're gonna feel very embarrassed by being HONEST right there and then.
So, they'll think to themselves "Man, doesn't seem like the truth is gonna set me free right now..."
And then, that person will try to say:
"Nah, I didn't. Go find someone else to blame, for not flushing the toilet, dude. Who do I look like...?"

And, that process is called SOCIAL PRESSURE.
"You've got SOME NERVE to go around, blaming innocent people for not flushing the fuckin' toilet, dude."

And, that's why some people are pretty fuckin' moronic.
They'll take a quick glance at me, like Michael Depresso, and he will IMMEDIATELY trust what OTHER people are telling him (that's called "prejudice"), and he'll NEVER, EVER SUSPECT, THAT SOMEBODY'S CAUSING HIM SOCIAL PRESSURE TO DO QUESTIONABLE SHIT. Nor that I would be intelligent enough to ACCURATELY call out the charade.

At which point, a large number of people are really fucking embarrassed that I am actually FAR MORE INTELLIGENT THAN THE PEOPLE WHO CONTINUE TO UNDERESTIMATE ME.

They think that you have to be this immaculate person that has an immaculate reputation, in order for people to RESPECT YOU and for you to attain SOCIAL STATUS.

It doesn't work that way at all. EVERYBODY LIES. EVERYBODY makes COMPROMISES on what they consider to be "RESPECTABLE", and then they just use white out to hide the LIES or MISTAKES they made. Or, they say nothing.
