

3 MCCS 00:00:57 Right so, already right there, I'm already whippin' out the F word.

 So I'm sorta like, bein' a- a trollmeister 5000, already.

 But I'm not being a REAL trollmeister... not at all.

4 MCCS 00:01:12 Nah, I think, the problem is that...

 [I'm being limited by people that are fuckin' stupid], and they ha- the reason why
 they're doing it, is because [they're jealous of how fuckin' intelligent I am], and they
 will use [every fucking trick] or, uh- [trick in the book], to try to [limit] me...

5 MCCS 00:01:32 And then make, uh- [OTHER people's perceptions] of what I say or do...
 to seem so [OFFENSIVE]...? That like, I should [practically] be in a [prison] or a
 [jail cell], for the amount of [foul-ass fuckin' things that I say].

6 MCCS 00:01:50 Right...?

 So like, what I'm doing, is I'm [exhibiting] a [sense] of being [more sophisticated]
 than [a lot of people], that like [follow the rules], and got to where they we- where
 they are in society, by [doing what they were told], and being a [good little boy] or
 [girl], that ya know, [followed instructions]...

7 MCCS 00:02:08 Right...?

 I can convey a sense of me being [just as sophisticated] as uh- [Rex Smith] over at the
 [Times Union], or any of the uh, the journalists that work at the [Times Union], or the
 [Gazette], or the [Saratogian], or like the [New York Post], or [WTEN] or [WRGB], or
 [WNYT], right...?

8 MCCS 00:02:29 I [exhibit] a [sense] of uh- being [extremely sophisticated] when I talk, right...?

 And then like, when I capitalize on something that's uh- [offensive], and it goes against
 the conventional mold of society...?

 ...I think what happens, is that SOMEBODY, that's been trying to [contain me], wants to,
 make it so that- I- I give up on myself, or uh- other people, THEY give up on like,
 uh, [reading] or [absorbing] my [content] or [what I have to say or produce].

9 MCCS 00:03:00 Right...?

 And, this [typically] happens when I insult [certain highly respected people], right...?

 And then like, I'll notice like, uhm, some of these signs that I have [hit the nail]
 right on the fuckin' head... when, [some of the numbers that I'm seeing]...?

 They're being [skewed], right...?

10 MCCS 00:03:20 So like if I- lets- let me put it into perspective.

 So, if I [send a text message] to this- [some girl], that like, [always] wants to
 [have sex]- have sex with me, right...?
 Right...?

 And uh- [had sex with her for many, many weeks], every single time we started messaging,
 she's like:
 [Girl]: Hey, wanna have sex...?

 ...right...?

11 MCCS 00:03:39 So like, if I establish that as a [baseline], and I know that if I text some girl about
 havin' sex with her...?

 She's gonna [text me back] in a [few minutes] to like an [hour], she might be bus- like,
 let's say on the [worst occasion], she might be [so busy] that she doesn't get back to me
 within [like an hour or two]... right...?

12 MCCS 00:03:59 So, if I establish that as a [baseline]...?

 And then like, something fuckin' happens, or like, I say something that really upsets her,
 or whatever...? And then I like, try to use the same tactics...? Even more...? And like,
 she starts to come up with excuses like:

[Girl]: Oh, I uh- fell asleep... or
Oh, um... I was- I was going like, grocery shopping with my mom,
and I left my phone at my other house...
I just got back, is- I know it's been like (3) days, but you know, um...

13 MCCS 00:04:35 So, what I'm doing right there, is I'm illuminating there's a reason WHY someone would be-
would [SAY] misleading things to me. Or, wouldn't be reporting the same sort of uh- events.

Or, I might like- ok. So...

What this process is called is establishing a CONTROL.

This is part of a really cool thing that many morons like to ignore...

It's formally known as the

15 MCCS 00:04:50 Allow me to apply this to a, like uh- everyone else.

Right...? Everybody else...?

They think like on a, what-happens-today...and-that's-it basis...

They don't really think about like, things in, in their [future], unless they're [planning]
for something like they're [goin' to school] or whatever...?

16 MCCS 00:05:09 They don't really think a lot about their [past], unless they're thinking about like,
what they want to achieve in life, or what they decided to be when they started going
to school, or, or whatever...? Right...?

17 MCCS 00:05:20 So, [our society unwittingly trains people to throw out the idea of] uh- [remembering
things], and uh- [being sophisticated], and uh- [society uses a range of tactics] to try
to like [exude dominance] or [control] or whatever, right...? So like um...

18 MCCS 00:05:43 I've been uh- consistently uploading videos over the last, you know, couple of weeks,
every day, maybe (1) video or multiple...?

Not all of the videos have gotten attention, or like uh- whatever...?

But um, I've seen a consistent effort from like, you know, somebody working at either
[Google], or somewhere in between, me and [Google], like, seeing the content that I'm
like, uploading...?

And then responding to it, and like saying:

[Somebody]: Yeh, that's cool. Your content's cool or whatever...

Right...?

19 MCCS 00:06:14 So, what this causes me, to believe, is that it's ALWAYS a factor.

And uh- if you start out doing something that upsets people at [Google], then
basically it's like uh- it's basically like uh- [putting yourself in a box], and
you're a plant, and uh- ya know the [maximum shape] that you will ever grow as
that plant, is the [size of that box].

You'll never be able to outgrow the box.

You'll always be confined within the box, because, you know, somebody made damn
certain that like your [maximum shape] would be the size of that box, and therefore,
that allows you to only, like uh- to influence a certain number of people.

Societal Expectations /-----\

20 TXT 00:07:02

Society forces people to believe that you'll never outgrow the box.
That's because people have a problem with determining whether their authority is CREDIBLE.

So if someone who [casually strokes their dick all day in a bathtub] happens to be in a position of IMPORTANCE or SIGNIFICANCE, then they can literally say things that are [blatantly false], and [people will believe them].

"You'll never be able to outgrow the box."
^ What stupid people will believe when someone important tells them that.

[Importance level], in many cases, can be 100% identical to [stupidity level].

21 MCCS 00:07:02 And so like, if you try to tell people:
 [You]: Yeah, I could be WAY cooler than this fuckin' box that I'm in...
 ...and I'll talk about how fuckin' cool I am...?

And then like uh- you try to like uh- [impress other people]...
...or like, [go outside of the box]...?

22 MCCS 00:07:15 What happens is like people will be like:
 [People]: Well, why the fuck isn't this dude on like uh- like uhm...
 like [HBO] doing stand up specials or some shit...?
 Because, what he's sayin' is [genuinely funny]...

But like what'll happen is like some people will be like:
[People]: Well if he was THAT funny, then why aren't people [reacting] to some
 of the shit that he's saying..?

Right...?

-----/ Transcription (3)
Genuinely Funny /-----\

23 TXT 00:07:36

I used to think that it came down to [not being funny], but now I know
that [there is a group of people that work really hard] to [prevent people]
from thinking some things are [funny], [comical], or otherwise.

This is called "stupid people that try to control what's funny or cool"

This causes many people to come across as looking [really fucking stupid]
every time they say or do something that is [genuinely funny].

However, sometimes these morons [OVEREXTEND THAT ABILITY], and it [BACKFIRES],
whereby illuminating that someone really important is just really fucking moronic.

-----/ Genuinely Funny
Transcription (4) /-----\

24 MCCS 00:07:36 And then what I'll say is that I've been being censored on [Facebook] by the owner
 of [Facebook], like at an aggressive rate, and it's so aggressive that like when I
 mention him in some of the videos that I make..?

Uh, what happens is like, there'll be like (0) views, or somethin' like that.

25 MCCS 00:07:55 It'd basically be like "What the fuck...? A ghost town..."

And like, ya know, this uh- its so fuckin' uhhhh, obvious that like, something
I'm doing is pissin' off somebody with a lot of money, and it could be multiple
people that I'm pissin' off, th- they all have a lot of money.

26 MCCS 00:08:12 And they don't like when I talk about them, because I think that some of them are

fuckin' jealous as to how intelligent I am, and they didn't get to be where they are by like, allowing people like me, to have free reign...

Like, ya know, normal every-day citizens do, and then what this causes is like uh- me to think of ways to like uh- derive [who] would have those [intentions], and then like, uh- what you come to find is like, uh- [there might be an evil trollmeister] that is tryin' to like, uh- [keep me as quiet as possible]...

27 MCCS 00:08:50 ...so that I cannot influence additional people, nor get myself out of the position that I'm in, because, the [public opinion] of me, has been consider- considerably reduced [because of a number of fucking morons marring my character], and therefore...

28 MCCS 00:09:07 What this ALSO causes, is like sometimes I will say something that's [genuinely funny], or I'll reference something that's [genuinely funny], and then I'll post it on [Facebook], or on [social media], and then someone will come along, and then remotely connect to my device.

It'll cause the icons on my desktop to flash, so then I have to start talking about how I went to a bunch of places, yesterday, and then distributed a document...

You know, the document I talk about like uh-

29 MCCS 00:09:37 All of the work that I've been doing the last couple of months, I can guarantee that most people aren't gonna like, consume all of that content, but what I CAN say, is that I know for a god damn fact, that when I stopped at the [Saratoga County Sheriffs Office Administrative Office]...

30 MCCS 00:09:55 And then I said:
[Me]: Hey I'd like to speak to [Michael Zurlo], the county Sheriff...

59 CJB 00:12:46 Who- who would you like me to deliver this to...?

60 MCCS 00:12:49 [Mr. Zurlo].

61 CJB 00:12:50 Ok.

62 MCCS 00:12:51 Now, um... before uh- before I let you go, here...

63 CJB 00:12:53 Yeah...?

64 MCCC 00:12:53 All of those links go to a project that I've been working on, and uh- I started a company to focus on [digital security] back in (2018)...

65 CJB 00:13:07 Ok.

66 MCCC 00:13:07 And uh, I realize you guys [don't] have like a [cybercrime division], I've spoken with multiple deputies, uh, over the last couple of years.

67 TXT 00:13:15

[More than that].

68 CJB 00:13:15 Sure.

69 MCCS 00:13:16 I've had a number of incidents involving a number of your deputies.

```
70 CJB 00:13:18 Ok.
```

71 MCCS 00:13:18 And, uh, I would also like to get information regarding an incident that occurred on [06/28/2022].

72 CJB 00:13:27 Ok, is that on here...?

74 MCCS 00:13:28 That is NOT on there

75 TXT 00:13:30

76 CJB 00:13:30 Ok.

77 MCCS 00:13:30 I don't know if you wanna write it down...?

87 CJB 00:14:07 Yep.

88 MCCS 00:14:07 (406-8569)

89 CJB 00:14:11 Ok.

90 MCCS 00:14:13 I don't have, uh, there was an incident on that date...

91 CJB 00:14:15 Alright

92 MCCS 00:14:16 Between me and my mother, and unbeknownst to me, uh my- cell phone actually recorded the entire conversation that she and I had that entire morning.

93 CJB 00:14:23 Oh, good.

94 MCCS 00:14:24 And I told the [State Police] about that, and that is when they arrested me.

96 CJB 00:14:29 ...that wasn't very nice...

97 MCCS 00:14:30 No.

98 CJB 00:14:31 What'd they charge you with...?

99 MCCS 00:14:32 Basically [resisting (an unlawful) arrest], uh- obstruction of like, uh- breathing apparatus or whatever, basically my- the statement- I have a document that's on there, regarding a statement that I wanna put together, it includes backstory, and that's why I made the document, uhm, I've been having communication issues with many people in your department, not ALL of them...

101 CJB 00:14:53 Ok.
102 MCCS 00:14:54 I want to make that very clear, that, like, its very, very individual basis-
103 CJB 00:14:59 ...usually is...
104 MCCS 00:15:00 Uhm, *sighs* uh, without like, uh I don't want to overload you with information
105 CJB 00:15:07 Yeah, yeah
106 MCCS 00:15:08 Without like-
107 CJB 00:15:08 I appreciate that, I see there's a lot of links on here...

108 MCCS 00:15:11 Yeah. So, uhm, what I do is uh, I, uh- I'm an ORATOR. Basically, uh- I make AUDIO RECORDINGS, I talk, I basically uh- I'm like a PROFESSOR. Right...? So...

109 MCCS 00:15:24 My mother and I had an altercation on (June 23rd 2022 AND) [June 28th 2022] the altercation had something to do with me suspecting that she had uhm [ulterior motives] for [not wanting to talk about my fathers murder in 1995].

110 CJB 00:15:37 Alright.
111 MCCS 00:15:38 My father was murdered in uh, [Albany, New York], on [October 23rd, 1995].

And I also, uhm, I performed like uh, I wouldn't call it an investigation, uh, PRIOR to me starting the company, but AFTER I started my company, I noticed that I think that [there's more to the story behind my FATHER'S MURDER] as well as [another cab driver] that was [ALSO murdered] at or about that time.

Uh, [Honorable Justice Francine Vero] was a [key witness] in the trial for the SECOND cab driver that was killed, and I think that there is a group of people that tried to- that were responsible for BOTH of those events....?

AND they tried to kill ME, on [May 26th, 2020/prior to SCSO-2020-028501].

112 CJB 00:16:23 Ok.

114 CJB 00:16:24 When you and your mom had your incident there, where you got arrested by the troopers... ..what was the location of that, what was the address...?

115 MCCS 00:16:31 [201D Halfmoon Circle]. *pauses* So, uhm...
116 CJB 00:16:40 Where'd you grow up, [Michael]...?
117 MCCS 00:16:42 What's that...?
118 CJB 00:16:43 Where'd you grow up...?
119 MCCS 00:16:45 At... at that address.
120 CJB 00:16:46 Ok. Did you go to [Shen]...?
121 MCCS 00:16:46 Yes.
122 CJB 00:16:47 What year...?
123 MCCS 00:16:48 Uh, 2003.

-----/-----
124 TXT 00:16:49

[Assumed you meant what year I graduated].

-----/-----
125 CJB 00:16:49 Ok.
126 CJB 00:16:54 Alright, here's what I'm gonna do...

127 MCCS 00:16:56 So, to give you some more information about what happened at the arrest, at the time of the

arrest, there was uh- there was a woman deputy, uhm, that came in... she was a Sheriff, and I tried to talk with her...

128 CJB 00:17:07 Was it THIS lady right here...?
129 MCCA 00:17:09 No no no.
130 CJB 00:17:09 Oh, good.
131 MCCA 00:17:10 No, she's fine. She was like uh- pretty girl, I think she was a blond haired girl, uhm...
132 CJB 00:17:19 What year...? This was (2000)...
133 MCCA 00:17:20 This was last year.
134 CJB 00:17:22 Ok. Alright.

135 MCCA 00:17:23 Well, basically, she showed up and uh, unbeknownst to me, my mother had already made a statement to [Sara DeRusso], of the [State Police], right...?

And uhm, unbeknownst to THEM, [they never corroborated MY side of the story].
And as soon as I told them that I had an [AUDIO RECORDING that I UPLOADED, PRIOR to HER making the 911 call]...

Uh, it- I went through and I transcribed the audio recording, I tried to give it to my public defender (former [JC Davis], current [Michael Depresso]), and like... the COURT is doing a really fine, swell job of kinda like, pretending that doesn't exist.

And that like, I'm... guilty.

136 CJB 00:17:59 So, is that case still open...?
137 MCCA 00:18:00 Yes.
138 CJB 00:18:00 And, you have this [audio recording]...?
139 MCCA 00:18:02 Yes.
140 CJB 00:18:03 Ok.
141 MCCA 00:18:04 So like, uhm... on that list right there...?
142 CJB 00:18:06 Uh-huh.

143 MCCA 00:18:06 Let me indicate which one to you, uh- uhm... 'statement' right there.
So, on THAT one right there, THAT has the links to it. I have uh- there's (3) different versions of the sound file, the original one, it was very hard to hear, and its a (16h) recording.

I edited it because, basically when I say that I'm an orator, I walk around and I recorded myself uh-

144 CJB 00:18:36 How do I spell that, 'orator'...? How do I spell that...?
145 MCCA 00:18:38 O-R-A-T, basically it's on the front 'ORATOR'. *pauses* Oration. [Expert at oration].
146 CJB 00:18:49 I see that.
147 MCCA 00:18:50 So, orator is basically someone who's a professor.
Or maybe not necessarily a professor, but somebody that [speaks out loud], or like [practices public speaking].

148 CJB 00:18:57 Ok.
149 MCCA 00:18:57 So, I don't know if I'm coming across as [sounding professional] or whatever, but-
150 CJB 00:19:01 [You do]. Yeh.
151 MCCA 00:19:02 Because I talk a lot.
152 CJB 00:19:03 Yea.

153 MCCA 00:19:03 So, [I practice this], [I listen to myself speak], [I listen to my recordings].

I try to talk about [things that are bothering me], [things in the past].
I make I make a very uh, big effort to like, be considerate to not cross the [red lines], or [red flag area], but- yeh. [Basically, I talk about everything that I think of].

154 CJB 00:19:23 Huh. [Proly a lot of MONEY to be made], doin' that...
155 MCCA 00:19:24 Uh, yeah, if I can get myself out of this situation...
156 CJB 00:19:27 Yeah.

157 MCCA 00:19:28 So like, uhm, ever since uh- you know, I don't wanna overload you.
There's a lot of information on there.

158 CJB 00:19:34 Yeah. Yeah. And you want this delivered to [Sheriff Zurlo]...?

159 MCCA 00:19:36 Uhm, it'd be NICE, heh.

To be perfectly clear, I think that he has been payin' attention to me on either [Facebook], or [through the community], and he had his son [Paul Zurlo] come to my house multiple times...

(One of those times was with the guy who tased me on [06/28/22] on [07/14/20])

...and rather than for me to make that [speculation] or [assumption], I wrote a bunch of documents...? I haven't had a conversation with him yet.

If I have a conversation with him and I like what I hear, and I believe him... Then those documents, they're gonna need- they're gonna be rewritten.

160 CJB 00:20:07 Ok, *turns page* Fair enough.

161 M CCS 00:20:10 So, uhm...

162 CJB 00:20:12 Thank you.

163 M CCS 00:20:12 And, uh- some of the documents that I've written, I have an audio recording of me speaking with uh (you), (not) captain [Tim Brown].

164 CJB 00:20:21 Ok.

165 M CCS 00:20:22 He gave me the record that I needed...

pauses

You know what, I'll wait till you [digest] some of this [information].

166 CJB 00:20:28 Yeah.

167 M CCS 00:20:28 And if you have like, follow-up questions, feel free to call me.

168 CJB 00:20:31 Alright. I appreciate your time.

169 M CCS 00:20:33 Thank you.

170 CJB 00:20:33 Thanks for comin' in.

171 M CCS 00:20:35 Appreciate it, thank you.

172 CJB 00:20:36 Be safe, alright...?

173 M CCS 00:20:36 You as well, take care.

174	M CCS	00:20:57	-You don't even have a way to look through your own records to find a record that should exist...?
-----	-------	----------	--

175	CJB	00:21:02	Ya know, in a case report written, otherwise I WOULD be able to find it.
-----	-----	----------	--

176	M CCS	00:21:05	But no, [Sergeant Welch] told me that there was a [call for service], so there SHOULD be a record of that.
-----	-------	----------	--

And, the record that [Sergeant Welch] gave me, is for a totally different date. And that date is [May 23rd] when [Scott Schelling] originally responded to the incident at [Stratton].

It's NOT related to the (3) sheriffs that were involved at, the [Zappone] dealership, or at least in front of it.
On [Route 9].
On [May 26th], at approximately [1AM].

There should be a [record] of that and I should, I should be able to contact the records department, and be able to find that interaction that may not have my name on it. There is a record of that interaction because [Sergeant Welch] told me that it exists. So...

177	CJB	00:21:48	Well, did you write the number down, if you have the number I can look it up.
-----	-----	----------	---

178	M CCS	00:21:52	What I'm telling you is that the number that he gave me, was for the [WRONG INCIDENT]. So HE doesn't know what it is.
-----	-------	----------	---

179	CJB	00:21:59	I don't either...
-----	-----	----------	-------------------

180	M CCS	00:22:01	So like, is that how your records department operates...?
-----	-------	----------	---

Some things get logged, and some things don't...?
So like, when someone calls-

181 CJB 00:22:09 Every interaction, no...
Again, we handle [a hundred thousand complaints a year]...

182 MCCS 00:22:13 There should be a [call for service], that's what [Sergeant Welch] told me.

183 CJB 00:22:18 There SHOULD be, yeah. But without your NAME associated with it, did the dispatcher get
your name when you called...?

184 MCCS 00:22:24 What I find [perplexing] about this, is that I can tell you that this record should
exist, and you're gonna tell me that the police officer went to that place to check
the surveillance footage, but there's NO RECORD of that.

That's what you're telling me.

185 CJB 00:22:38 No, the one that I read you, is from [5/24] (it was reported on [5/27], not [5/24]).
Well, [5/24] was the funeral home, okay...? Let's see...

Uh, THAT was not the one, let me find the one where he checked the video.
I gotta find the right one, again, I have (8) of them open.

186 MCCS 00:22:52 Right.

187 CJB 00:22:53 This was on [5/27]... and, it happened at...? We got the call around... [12 o'clock],
it happened at about [10 o'clock] it looks like, there...

188 TXT 00:23:10

[Right], that's [suspicious].

Things that are considered [suspicious], are otherwise known as [clues], and the [clue]
involves a [HALFMOON TOWN COUNCIL MEMBER NAMED ERIC CATRICALA].

They're [supposed] to teach [police officers] at the [academy] about things like [clues] and [suspicions].

Apparently they don't really need to do that anymore...?
Which is why I constantly have to tell people that the police are often times, [pretty fuckin' stupid].

189 MCCS 00:23:10 You talkin' about [20-003173], is that what you're talkin' about...? (I meant 003177)

190 CJB 00:23:16 That's the one I'm talkin' about.

191 MCCS 00:23:17 Yeah, that's not [Center for Security], totally different address, bud.

192 CJB 00:23:23 Ok, well... again, it- it- it- it's kinda hard to... you seem to think there's some
[wide-ranging conspiracy] involving [my department].

-----/ Transcription (7)
Wide-Ranging Conspiracy /-----

193 TXT 00:23:30

Yeah, because I was [arrested] over a [post-dated ticket] after my [iPhone 8+] was [disabled].
It was [disabled by the manufacturer, Apple Corporation] after I [showed a video] to [NYSP Shaemus Leavey]
at [05/27/20 0900].

That video being the one I recorded outside of the [Catricala Funeral Home] from [05/25/20 2343] to [05/26/20 0004]
of [(2) dudes using a DANGEROUS ESPIONAGE TOOL DESIGNED TO SPECIFICALLY TARGET SMARTPHONES CALLED "PHANTOM"].

In that video, these [(2) dudes/queers] appeared to be right smack dab in the middle of [attempting to murder me].

Maybe there is no [wide-ranging conspiracy] at all, and it just LOOKS like [Eric Catricala had (2) different events
merged together into a single incident (3) days late, and had (0) evidence of me really doing a god damn thing].

Oh wait, [I have evidence that could corroborate HIS side of the story]...
It's just that [the evidence I have would contradict the reported time], as well as [insert the record]:
[SCSO-2020-028501].

[Nothing suspicious about any of this shit in the least (sarcasm).]

Meanwhile, [I have like dozens of fucking pictures, as well as a few AUDIO RECORDINGS], and...
[SOMEHOW I get arrested for cutting a fucking \$5.00 kayak strap at 1769 Route 9, on a post-dated ticket].

The [PHONE LINE] that [I SEVERED] because I was attempting to call 911 SOMEHOW, [NOT] being the reason for arresting me.

Why did I cut the phone line, is [not a question any investigator nor police officer has asked me].
I would've thought at the very least, some dude from SCSO would've approached me and been like...

[=====]

Skit [~] You cut some dude's phone line...?

[Cop] : What the actual fuck, dude...?

[Me] : What...?

[Cop] : So you fuckin' cut some dude's phone line, didn't ya...?

[Me] : Well, yeh.

[Cop] : Yeah well, why the hell would you do something crazy like that...?

You done messed up [A-A-Ron]...

[Me] : It's cause I was trying to call (911).

[Cop] : *rolls his eyes* Buddy, everybody tries to call (911).

shakes head I don't even wanna hear it, I gotta arrest you for that...

[^ what never happened.]

[=====]

But I'll tell ya, cause I had attempted to call (911) (2) times during this (90) minute event where (2) dudes were chasing me, and trying to kill me with a car parked ahead of the (3) of us in the [Lowes] parking lot.
[Nothing shady or suspicious going on or whatever. Not at all.]

Oh, by the way, [the (2) dudes who tried to hit me with their fucking car, nobody is going after them].

As far as I know [your deputy] [Scott Schelling] went to [Center for Security] immediately after being at the [SECONDARY LOCATION] in the TICKET that you gave me in this phone call, and I believe that either HE or someone else [destroyed the evidence of me calling (911) in front of the security camera at 05/26/20 0010].

Nothing suspicious about all this shit at all.

Nah.

Everybody follows the law at all times. (sarcasm)

Oh and by the way, the argument that I had with my mother on [06/28/22] is about the [wide-ranging conspiracy] I just rattled off.

Oh by the way, [Paul Pelagalli] took custody of my fuckin' children away over this whole ordeal too.

Oh by the way, people think I went insane, cause some people are just plain old fuckin' stupid and lazy.

194 MCCS 00:23:30 Well, no, it's not a [wide-ranging conspiracy], I should be able to ask somebody at your records department or YOU, for the record that should exist for a [call for service] where (3) [Saratoga County Sheriff Officers] were in front of the [Zappone] dealership, on [May 26th]

195 CJB 00:23:44 Right.

196 MCCS 00:23:44 ...at approximately [1AM], and all I'm getting so far from you, is a heck of a lot of [redirection], and uh- we have too much to do, and this that and the other thing, and making up excuses.

199 MCCS 00:23:57 What YOU'RE telling me, the Sarato- that officer, [Scott Schelling], went to that place, after I told him, on [May 26th], that there should be surveillance footage of me initializing a call to (911) services.

What you're telling me is that they went to that place, and already checked that surveillance footage, and it didn't exist.

But- you're telling me that it was the WRONG ADDRESS that they did that.

200 CJB 00:24:21 Boy, you're in an awful lot of em.

201 MCCS 00:24:22 Well, yeah, no I'm in a lot of em because of this (1) incident that nobody can give me clear instructions or directions, or...

I'm asking you specific questions related to this ticket that should exist, and you're not able to answer it. You're, you're... redirecting.

202 CJB 00:24:37 I'm not redirecting, I can't find what you're looking for.
Here- here- here's what I did.

203 MCCS 00:24:41 So like-

204 CJB 00:24:41 Hold up, [May 26th]- hold on.

205 MCCS 00:24:43 Ok.

206 CJB 00:24:43 [May 26th, 2020], you said about [1AM], right...?

207 TXT 00:24:48

[This is what I'd been asking him to do, look for events based on the time].

208 MCCS 00:24:48 Yes.

209 CJB 00:24:50 Alright, I'm gonna put in [12:45AM] until [1:30].

I've got 1... 2... 3... 4... 5... 6... complaints here, (6) calls that we received, during that time, I'm gonna open up each and every one of em...

210 MCCS 00:25:11 Ok. *pauses* Now we're talking, here.

211 CJB 00:25:19 Let me take a look at what they said.

212 CJB 00:25:30 First one was a (911) call, cellular (911), open line, no voice contact.
That's the extent of what I know about that one, lets close that one out.
Second one...

213 TXT 00:25:44

[^ This was at or about the time that I was in the Lowes Home Improvement store parking lot].

214 MCCS 00:25:44 What time did that call come in...?

215 CJB 00:25:46 Uhm, let me go back.
Closed that one out.
I have to do this again.

216 CJB 00:26:05 *sigh* Uh, lets see if I can get a location, let's see.

217 CJB 00:26:15 Ah, it's in the... [Plant Road] area, which is not THAT far down the road...

218 MCCS 00:26:23 Yeah, I don't think that- that's related...

219 CJB 00:26:26 It may not be...

Uhm, no voice contact, and they did attempt to recall, no answer on recall.
Let's see this next one.

Same area...?

220 CJB 00:26:46 [Burglar alarm], code enforcement, water problem at a business.

221 CJB 00:26:56 Ah, let's see.
This is somebody reporting a... [verbal dispute], it does have a name associated
with it, not your name, and this is not in that particular area, of the county...

222 CJB 00:27:15 The next one is for power lines down.

223 CJB 00:27:22 The next one is, let's see...

224 MCCA 00:27:31 Well, I can-

225 CJB 00:27:32 Hold on, I'm goin' through every one of em...
Uh, a power failure alarm, at a business, that's not it...

226 MCCA 00:27:42 Was that [Key Bank]...?

227 CJB 00:27:44 Nope. Uh, let's see...

228 MCCA 00:27:51 Cause I remember on that night, that uh-

229 CJB 00:27:54 Hang on for one sec, I got another call comin' in...

230 MCCA 00:27:55 Ok.

231 TXT 00:28:58

[Timing seems to be *incredibly coincidental*, because this last ticket he rattles off is the correct one].

232 CJB 00:28:58 Alright, I'm back. So, let me look at this last one, here.

233 MCCA 00:29:02 Ok.

234 CJB 00:29:04 Uh~! This is a male out in front of [Zappones]~!

235 MCCA 00:29:07 That's it~!

236 CJB 00:29:07 [White male], [blue flannel shirt], [brown hair], jumped in front of the callers vehicle as
they passed the location... ..[they're alleging you jumped in front of their car].

237 MCCA 00:29:19 What is that ticket number...?

238 CJB 00:29:22 It is, [2020-028501]. [1:28] in the morning, you were not the caller, it looks like THEY
were the caller, because you jumped in front of their car.

239 MCCA 00:29:41 Right, so uh (sarcasm), for a period of about, you said that was at [1:28]...?

240 CJB 00:29:50 It looks like they called this in, uh yeah, at [1:28] in the morning.

241 MCCA 00:29:57 Ok, so... From...

I have a screenshot that says that I originally tried to call (911) at [12:05].
Now, I can prove that.

242 CJB 00:30:08 I- I- I- didn't search back that far.
I can search back that far...

243 MCCA 00:30:11 I'm just trying to give you a trajectory of what happened that night.
That way, if you are able to help me, maybe with YOUR experience...
...you'll be able to identify how you can do that.

244 CJB 00:30:22 Call (911), there's nothing I can do.

But also, if I [suspect] that the [telecommunications companies] are committing [illegal activities], then THEY can
disrupt [any 911 call] from [making it to your dispatch station], and therefore, they have [strict control] over
the [law enforcement system].

246 MCCA 00:30:24 Well, what I'm trying to say here, is that I'm giving you my recollection of that night.

The- the attack BEGAN, on [May 25th], and went INTO [May 26th], because it occurred at

approximately [11:30], I uploaded some files from the [Clifton Park Computer Answers] network, because I used to manage it.

After I uploaded those files, a [couple of (*gay looking*) kids wearing glasses], [both wearing hats], uhm, [approximately 6 feet tall], they were [walking on opposite sides of the street] by the way, but it was rather late so it seemed strange that anybody was out walking at all. (*They both appeared to be sausage wreckers, not unlike [Andy Cuomo]*)

Now, I had a short conversation with one of these kids, uh- and I said 'Hey, are you from around here...?' and he said, 'No, I AM from around here, but I moved away, and then I moved back.'

I was like 'Oh, ok.' and then he walks on. And as he's walking on I type something into my cell phone screen, and whatever I typed into my cell phone screen caused this kid to STOP, dead in his tracks, when he looked at HIS cell phone, several feet away... (*in front of the [Catricala Funeral Home]*).

Maybe (50) feet away, maybe (100) feet.

Now, it could be coincidental (*nah it wasn't, he tried to hit me when I was recording the last audio recording I uploaded prior to the foot chase attack*) that he just happened to look at his phone at a certain time, and he just stopped dead in his tracks, and it looked like he saw bad news. That's what MY impression was.

At any rate, a couple other things happened, uh- there was a kid at the laundromat that night, pretty sure that place had surveillance footage but uh- there was a kid in a black [Dodge], at that gas station, that was leaving.

247 CJB 00:32:05 That happened... (6) months ago, I don't know a single business that keeps their footage-

248 MCCS 00:32:10 I'm sure they don't, but- ya know, these are things that I had been attempting to inform SOMEBODY in your department... (like [SCSO Scott Schelling] in [SCSO-2020-028501])

249 CJB 00:32:16 The only crime I'm seeing here, is [disorderly conduct] for [obstructing a public roadway]. Committed by you.

Obstructing Justice /-----/ Transcription (9)

250 TXT 00:32:24

What about [multiple fellow officers] [obstructing justice]...?
Or the [telephony DDOS attacks]...?
[Pretty sure those are crimes, too].

MAYBE, as long as THOSE [crimes] are [committed when nobody is looking]...?
Then they're not [reportable] nor [arrestable crimes].

[So, someone can →]

[+] [destroy evidence] of [911 calls/attempted murder/vehicular manslaughter]
[~] ...as long as...
[+] [any evidence of those crimes being committed] is [destroyed] AFTER it is shown to a [police officer],
like [NYSP Trooper Shaemus Leavey]
[~] ...which means, since nobody except [NYSP Trooper Shaemus Leavey], and [my kids] saw them happen...
[+] ...those aren't [crimes].

[And, with that logic →]

[It is LEGAL to]:

- [commit espionage] to [somebody] using [PHANTOM/PEGASUS]
- [attempt to murder someone] either [on FOOT] or [with a VEHICLE] multiple times
- perform a [telephony denial of service attack] AKA [circumventing 911 calls]
- commit [obstruction of justice] and/or [destroy evidence]

[It is NOT LEGAL to]:

- [call 911] on a [device] that is [infected] with [PHANTOM]
- [flag people down for help] to [call 911], since your [device] may be [infected] with [PHANTOM]
- [hand an iPhone 8+] that is [infected] with [PHANTOM] that has [evidence] on it, to an [officer of the law] for instance [SCSO Scott Schelling, in SCSO-2020-028501]
- [survive] a [murder attempt] or a [vehicular manslaughter attempt]

So, those are the crimes that [a guy who calls himself an investigator] DIDN'T see, which means that they're actually perfectly legal and easy to do, as long as you [establish prerequisites] by [having friends] in the [police] and [telecom companies], and you [cover your tracks] and [destroy evidence] and stuff.

251 MCCS 00:32:24 Because I called (911), and those calls weren't making it to the dispatch station.
So I was trying to get help SOMEHOW. Which led to me like, cutting this phone line
to this house that I suspect...

252 CJB 00:32:37 If you're not gonna answer me, I'm gonna hang up the phone.

253 MCCS 00:32:38 Ok...?

254 CJB 00:32:40 What would you like me to do, about a (911) call that never made it to my dispatchers...?

255 MCCS 00:32:45 Well, I'm not trying to have anything done about the (911) call, but what I AM trying
to do...

256 CJB 00:32:51 There's nothing I can do about that.

257 MCCS 00:32:52 But you're saying that-

258 CJB 00:32:54 It happens all the time because of bad cell coverage.

259 MCCS 00:32:56 Right, I- I-

260 CJB 00:32:57 You ever been in the northern part of the county here...?

[South Glens Falls] is the most northern part of [Saratoga County].
Way more north than [Ballston Spa].

I remember delivering the [Metroland (01/2007 → 01/2014)] for [Lou Comm./Stephen Leon/Ted Etoll],
and having to drive up [Route 9] from [Saratoga Springs], stopping at the [Wishing Well Restaurant].

Every week, I'd get to where [Ballard Road] is, and see [McGregor Correctional Facility] on the

going to work around here..."

But, na. Not me, man. I've never tried to make phone calls in the [middle part] of the county.

It didn't start out, being the [free cookie showdown]...

[Me] : Oh yeh...?

[Dude]: Yeh.

We do not play games around here.

You want a cookie...?

[Me] : Uh- sure.

[Dude]: Here ya go, dude.

[Me] : Thanks, dude~!

[Dude]: No problem.

[Me] : Have a good one~!

[Dude]: You too, dude.

But eventually, it became the [free cookie showdown]. Sometimes, he'd be busy, talking to a customer. I'd come in, and that's when he would be see me...

[Dude]: There he is, the paper guy...

[Me] : Oh, you know me... just, droppin' off the papers.

[Dude]: *sly smile* Got ya covered, dude.

grabs the cookie Free cookie.

[Boom].

Sometimes I would see him being in the middle of something, and try not to distract him.

[I knew the cookies were good].

But, this dude didn't play games.

We eventually started having this [free cookie showdown], at the [Rock Hill Bake Shop] in [Moreau]. Dude made damn certain to [practically chase me down], too...

[Dude]: What the hell, dude...?

You BETTER take this free delicious cookie~!

The moral of the story, is that I never objected to the [free cookie showdown].

[=====]

But, nah. I've never once tried to make a phone call in [ANY] of those places that I went to every single week. That would be unspeakable. Oh wait, I'm being sarcastic. Yeah. I've been in the northern part of the county.

While the cell service DOES suck ass in [Ballston Spa] and [West Milton], (3) towers were within a mile of where I called (911). And, I left [footage] of that [failed phone call] at [Center for Security]

263 CJB 00:33:06 There are, but again, if there's a problem with- with- [Verizon], or [Sprint], or [AT&T]'s tower, what could I potentially even- even if you wanted to reach for the stars, what could I possibly do about that...?

What, climb up there, and make sure all the wires are plugged in...?

264 TXT 00:33:19

[Couldn't stop laughing when I transcribed this part].

[Brown]: WhAt, cLImb uP tHeRe, ANd mAke sUrE aLL ThE wIrEs ArE pLuGgEd In...?!?

Cause what if I said:

[Me] : Yeh, obviously.

I mean, [Walker, Texas Ranger] would be able to do that shit in his sleep...

I thought you were like a senior level captain investigator or whatever...?

What would he have said then...?

265 MCCS 00:33:19 No, um- what I'm suggesting is that, you're saying that someone checked the surveillance footage, right...? At the place that I, ya know, left the footage of me trying to dial (911)...?

You're sayin' that that exists, but you're getting reports mixed up.

266 CJB 00:33:36 I'm saying, I'm saying he LOOKED at it, I didn't say he downloaded and uploaded it to our system, I'm saying he viewed it.

267 MCCS 00:33:41 Right. But he didn't look at the surveillance footage at [Center for Security].

268 CJB 00:33:46 Not as far as I can tell...

269 TXT 00:33:48

That's a [problem]. [You're supposed to investigate suspicious shit].

I reported that to [Scott Schelling] at the [secondary location] in [SCS0-2020-028501], and it [wasn't recorded].

[That's suspicious shit right there].

270 MCCS 00:33:48 Right, but that's where the footage would be of me intializing a (911) call-

271 CJB 00:33:52 I closed those (8) tabs, to open these (6) new ones, uhm, I thought that was the [Center]- *indiscernable* that he looked at-

272 ENV 00:34:00 *Windows Toast Notification*

273 CJB 00:34:01 -the one where you went into the business and were pestering the guy, trying to look at his surveillance footage. I think he changed it down the road, that's what it sounded like to me. (not [Center for Security])

274 MCCS 00:34:10 That...

275 CJB 00:34:10 That is the case that the deputy says he viewed the footage, saw you wandering around the business, looking at a garage with a flashlight, and holding SOMETHING in your hand, unable to tell from the quality of the video, whether it was even a cell phone, or not. (would the quality of that same video show the (2) dudes following me?)

276 MCCS 00:34:24 Ok.

277 CJB 00:34:24 Hold on, *indiscernable* situations like that, the quality of the video was not good enough to tell.

278 MCCS 00:34:31 So, something drew me to that area (noises behind the plaza), and they can see the surveillance footage of me walking around that night.

280 CJB 00:34:37 Ok.

281 MCCS 00:34:38 But they can't see the surveillance footage is not from the 24th, that's the problem. Is that, I didn't walk around [Eric Catricala]'s business on the 24th, I walked around [Eric Catricala]'s business on the LATE 25th INTO the 26th, and it's being passed off as security footage that was on the 24th.

That's what's happening here.

282 CJB 00:34:56 You go back there, you're gonna get locked up for trespassing.

283 MCCS 00:35:00 I'm not gonna go back there, but what I'm trying to say is that HEY, maybe I can just, you know, uh- SAY that recorded footage from (1) date, was on an entirely DIFFERENT date, and then have some charges filed against somebody.

Which is what's happening to me.

Which is why I have so many incidents with the [Saratoga County Sheriffs Office] AND the [New York State Police], SINCE [May 26th, 2020]. Is because, somebody's doing that~!

And, I can tell ya till I'm blue in the face, but you're gonna say:
'Look, guy checked the surveillance footage of the WRONG PLACE.'

284 CJB 00:35:33 *indistinguishable* ...the well being of your mental health, [Michael].

285 MCCS 00:35:36 I'm sure that my mental health is being called into question here, but what I'm calling into question is, cops are ignoring evidence that I'm saying exists.

Yeah, so, that video of SOMEONE COMMITTING ESPIONAGE TO MY PHONE...
...was recorded BEFORE I LEFT MY HOUSE, the day that I spoke with [Eric Catricala]...
...on my 35th birthday, [05/24/20].

Guess what 'they' were doing...?

[Preventing me from being able to transfer files off of my device].
[These are things that a COMPETENT INVESTIGATOR would've collected already].
But, apparently I need to get my fuckin' mental health in order.
Ok.

287 MCCS 00:35:47 And because, that's what I'm saying, is that at [Center for Security], there should've been surveillance footage of me initializing a call to 911.
And that's what I told [Scott Schelling].

288 CJB 00:35:56 No crime was committed then~!

289 TXT 00:35:58

Yeah there was.

Check out the audio recording, I state "SOMEONE IS TRYING TO HIT ME WITH THEIR CAR~!"

As far as I know, [attempting to run someone over with their fucking vehicle] is a "crime".

It's called [ATTEMPTED (VEHICULAR MANSLAUGHTER/MURDER)].

290 CJB 00:35:58 You tried to call 911, and you couldn't~!

291 MCCS 00:36:02 Right, but-

292 CJB 00:36:03 You understand why I'm frustrated, having the same conversation over and over, and just running in circles. You tried to call 911 but the call didn't go through, what the hell would you like me to do about that?

293 CJB 00:36:15 I'm a police officer, I deal with CRIMES.
Nothing you're describing here is a crime, except those committed by you.
Most of which you've been arrested for, a couple you've been lucky enough not to.

294 MCCS 00:36:26 Yeah, and you-

295 CJB 00:36:27 Tired of having the same conversation, over and over again.

(1) arrest out of (10) incidents...? Hm. [Most of which you've been arrested for...]
Someone is [bad at math]...

Here's how this dude's logic sounds.

[Date]	[If I...]	[Then they will]	[Because of]
05/19/20	am being stalked by a guy in a blue truck	not arrest me	luckiness

05/23/20	record strange sounding bird AGAIN (twice)	not arrest me	luckiness

05/25/20	make add'l recordings of device interference	not arrest me	luckiness
05/25/20	record (2) queers attempting to murder me	not arrest me	luckiness
05/26/20	call 911 twice while being hunted	not arrest me	luckiness
05/26/20	avoid being run over by their car multiple times	not arrest me	luckiness
05/26/20	cut phone line at Zackary Karel's residence	not arrest me	luckiness
05/26/20	cut kayak strap immediately after the phone line	arrest me	stupidity
05/26/20	flag vehicles down for help since 911 wasn't working	almost arrest me	luckiness
06/13/20	call 911 on my neighbor for attempting to assault me	not arrest me	luckiness

[I must be the luckiest son of a bitch on the fuckin' planet] to [avoid] being [arrested that many times].
[Look at my track record].
Damn.
[I'm a fucking troublemaker], aren't I...?

This is all a [DISTRACTION technique]. This is [PSYCHOLOGICAL MANIPULATION], because I'm [illuminating] a [really huge GAP] in the way the [Saratoga County Sheriffs Office] handled the [chain of incidents] where mysteriously I have a [device] where [I can't call 911], but- oh my god.

[Zachary Karel] had his [kayak strap] AND his [phone line] cut at the [same exact time], and [pressed charges] over the [\$5.00 strap], not the [phone line].

And, [Eric Catricala] can [swap in surveillance footage down the road], which [probably had footage] of the [(2) guys who started chasing me, trying to kill me].

Both of these guys can have [post-dated tickets] handled.

That's fuckin' weird...

It's as if there's a [cocksucker] or [multiple cocksuckers] over at SCSO.

Way different.

307 CJB 00:36:52 We've been talking on the phone for damn near an hour, and I have other very

310 CJB 00:37:09 The other side of that story is you jumped in front of the car.

311 MCCS 00:37:12 No no, totally different car, dude.
You wanna make assumptions about which car I'm talking about...?

312 CJB 00:37:19 If you're not happy with the service you're getting from the [Sheriffs office],
you have a CHOICE in law enforcement. The number for the [State Police] is [583-7000].

313 MCCS 00:37:26 They haven't been helpful, either.

314 CJB 00:37:28 Well, I'm not of much help, either.
Except you've wasted an hour plus... (*exaggeration, it was 30 minutes maximum...*)

315 MCCS 00:37:31 Nah, man.
You HAVE been helpful, [you gave me an interaction number that I didn't have BEFORE].

316 CJB 00:37:37 The [CIA/Central Intelligence Agency], the [FBI/Federal Bureau of Investigation], and the

[STATEROOM]

[https://en.wikipedia.org/wiki/Stateroom_\(surveillance_program\)](https://en.wikipedia.org/wiki/Stateroom_(surveillance_program))

Code name of a highly secretive SIGINT collection program involving the interception of INT'L RADIO, TELECOM and INTERNET traffic.

[BULLRUN]

[https://en.wikipedia.org/wiki/Bullrun_\(decryption_program\)](https://en.wikipedia.org/wiki/Bullrun_(decryption_program))

A clandestine, HIGHLY CLASSIFIED PROGRAM to CRACK ENCRYPTION of ONLINE COMMUNICATIONS and DATA, which is RUN by the [United States National Security Agency (NSA)]. In other words, it skull fucks people left and right, no matter who you are.

[MYSTIC]

[https://en.wikipedia.org/wiki/MYSTIC_\(surveillance_program\)](https://en.wikipedia.org/wiki/MYSTIC_(surveillance_program))

Collects (metadata/content) of phone calls from several countries.

Those agencies operate domestically whether they're allowed to or not, and they use a combination of these tools and programs. I didn't cover Vault 7.

Research is what all that shit is, right there.

Research is pretty cool, and that's what I do.

So -> if I do [Research] -> they may make an exception for me -> which means I AM that important...

Someone made an exception for me when they used a [CYBERATTACK] that included a [RANSOMWARE ATTACK] against [my business network] at [multiple locations], for instance [1602 Route 9, Clifton Park NY 12065].

Oh wait, that's basically where I uploaded some of the files and evidence I tried to give a copy of to [Scott Schelling] in [SCSO-2020-028501]. Weird.

Wide ranging conspiracy...?

Or... maybe there's a [bunch of fucking morons that keep (misjudging/mislabeling) me].

320 MCCS 00:37:49 Well, heh. *sigh* Everybody makes assumptions, right...?
Sounds like you're assuming that this is... all in my head.

321 CJB 00:37:58 [I'm not making assumptions (...you sure about that?)], I'm making-
I'm making an educated decision based on the facts as they are known.

322 MCCS 00:38:05 As they are known, yes, some of those facts being [incorrect facts].
[Being known].
Like, my [neighbor swinging a baseball bat at me], and [Mark Sheehan] not writing that
in his report. I called (911) that day, on [June 12th], or [June 13th] by the way.

323 CJB 00:38:20 And they had a different story than YOU, and YOU were the one...

324 TXT 00:38:25

[It doesn't matter how anyone looks at that record].

If a guy is [scared] about [me] being on [his property] and has a [baseball bat in his hand] that he grabbed out of [fear], why didn't [he/his family] call 911 on [me], instead of [me] being the [guy that called 911]...?

000oohHhhhHhHh... well I'll tell you.

[It's because → there's some fuckin' morons in your agency].

I'm not even trying to be nice here, [you have some fuckin' stupid people who work there].
[So do the NYSP].

--\-----/

325 MCCS 00:38:25 Yeah no, that's what's happening, is that a lot of these [police officers] are
[writing totally fabricated reports].

And that's why when I call a guy like YOU, and ask for [corroboration] or [assistance],
[you give me a hard time], saying that [I'm the troublemaker], and that I've been
[arrested] for this, that, and the other thing... but you're not listening to the key
critical thing here, where I initialized a call-

326 CJB 00:38:43 Your opinion of what happened.
That's ALL I'm listening to.
Okay...?
That's all it is.

327 MCCS 00:38:50 [Scott Schelling] should've gone and [checked that surveillance footage], because he
tried to arrest me that night. He tried to arrest me for jumping in front of a car,
because I tried to call (911), and the call didn't go through. And then-

328 CJB 00:39:02 If he did arrest you, this would be a lot easier, because I wouldn't be able to talk
to you about it, because your right to counsel would apply.

It would make my life a lot easier if he had arrested you for it.

329 MCCS 00:39:09 Well, WHY would he arrest me, what grounds would he have for arresting me...?

330 CJB 00:39:16 We could find all sorts of stuff if the story was you jumped in front of a car...

331 MCCS 00:39:19 No, somebody stated that I jumped in front of a car, that doesn't mean that it's ACCURATE.

332 CJB 00:39:25 *indiscernable* at 7.

333 MCCS 00:39:28 What's that...?

334 CJB 00:39:29 K...?

This conversation's over.

Did you want the number for the [Russian consulate] in [New York]...?

I'll gladly give it to you.

[Charles McGonigal], the special agent in charge of the [FBI's counterintelligence division] in [New York] from
(2016-2018), is [accused] in an [indictment], unsealed Monday of working with a former Soviet diplomat turned
Russian interpreter on behalf of [Oleg Deripaska], a [Russian billionaire] they purportedly referred to in code
as [the big guy] and [the client].

[McGonigal], who had [supervised/participated] in [investigations] of [Russian oligarchs], including [Deripaska],
worked to have [Deripaska]'s sanctions lifted in (2019) and took money from him in (2021) to investigate a rival
oligarch, the [Justice Department] said.

The [indictment] is a [black eye] to the [FBI] at a time when the [bureau] has become [entangled] in [separate
politically charged investigations] involving the [handling of classified documents] by both [President Joe Biden]
and [former President Donald Trump], (and former senator/first lady/secretary of state [Hillary Rodham Clinton])
and as newly ascendant Republicans in Congress have pledged to investigate high-profile decisions by the bureau
and [Justice Department].

336 MCCS 00:39:34 Look man, I'm not trying to give you a hard time, but you're not even looking at any of these pictures or any of my testimony, or any of the documents that I've put together.

You're telling me that no crime has been committed, but you haven't seen anything to make that determination.

337 CJB 00:39:48 I've also never seen a drone disguised as a bird.

338 MCCS 00:39:51 Right, but you've also haven't seen the video or heard the audio recording that I have.

339 CJB 00:39:56 Nor would I want to see the video or hear the audio recording of-

340 MCCS 00:39:59 But isn't that your job if you're supposed to be a cop...?

341 CJB 00:40:01 A mockingbird.

342 TXT 00:40:03

[Oh, so he has heard and seen it].

It's not a mockingbird, because [I've heard plenty of fucking mockingbirds] in my lifetime...

This is something else.

343 MCCS 00:40:03 You should wanna check that out, right...?

SOMEBODY should wanna check that out, who could I report that to...?

344 CJB 00:40:08 There's nothing I wanna hear less.

345 MCCS 00:40:11 Ok, so what you're telling me is that [Deputy Whitacre]...

346 CJB 00:40:16 The book '*To Kill a Mockingbird*' again... after this conversation.

347 MCCS 00:40:19 Look buddy, I can tell you're gettin' frustrated here...?

But, I've been AS FRUSTRATED, as you are, right now...?

For the last several months.

348 TXT 00:40:28

[Expand that out till now].

349 CJB 00:40:28 You think I'm frustrated...? *chuckles*

350 MCCS 00:40:31 *chuckles*

351 CJB 00:40:32 This has- this has been a... long waste of my time, I've done my best...
I've been MORE than patient, ok...?

You need to concentrate your efforts on your doctor and mental health.

352 MCCS 00:40:40 Ok, buddy.

353 CJB 00:40:43 Goodbye.

0	20230218.mp3	02/18/2023	17:56:25	19:19:18	01:23:06

Index	Party	Position	Note
354	MCCS	00:40:49	...they sent out a couple of dudes, the- I don't know what the OTHER dude's name was, but the dude that came out and talked with me...? He seemed to be a rather [professional sounding dude]...? And, uh- ya know, he seemed to be impressed with my ability to orate...?

355 MCCS 00:41:06 He didn't know what the- the term was...?

But then like, uhm... at some point [AFTER] I had this [conversation] with him...
I started to [reflect] on the [conversation] that I had with him...

...and I had [varying degrees of perceptions], regarding the [interview] that I had
with this guy, and [I recorded it on an audio recording]...

356 MCCS 00:41:26 And I don't know he's aware that I did that, and uh, I started to get this feeling
as if like, there IS like a group of people, that like, go around, silencing certain
people in order to like, reduce their exposure to the rest of the world...?

357 MCCS 00:41:43 Either because, that person is extremely fucking intelligent,
and they wanna [contain] that person...

...OR it could ALSO be because, like uh- somebody is [very jealous], and is [very worried]
that uh- somebody like me, [might be onto the right track]...

...and then they have to m- [mislead me], and send out an [investigator] that has a TOTALLY
different voice, than the [Jeff Brown] that I spoke to, back on, uh- Mar- uh-

[February 2nd, 2001- uh- 21]...

358 MCCS 00:42:15 And I know that the person I was speaking to, [was the person that I referenced],
because, uh- the [voicemail prompt].

The [voicemail prompt], the [name], and the [voice], sounded TOTALLY different, and...?

359 TXT 00:42:31

It was the [same guy], he just [sounded different in person].

360 MCCS 00:42:31 Ya know, the guy that I spoke to...?

I think he was either:
- [FBI/Federal Bureau of Investigation] or the
- [CIA/Central Intelligence Agency].

[I could be wrong about that], but- ya know, uh- [sometimes I get clues] from uh-
the [environment].

And, uh- what I've noticed is that [I- have contacted these important agencies] more
than the [average citizen] would, because of like- [the company]. That I started.

361 MCCS 00:42:56 And uh... ya know...?

When I tell people:
[Me]: Hey, um, I'm an expert...?
And uh- ya know, I know when people are lying to my fuckin' face...?

Ya know...?
They're gonna send guys like, uh- the guy I spoke to, yesterday...

362 MCCS 00:43:11 Honestly, I'm not sure what to think, because... uh-
While... *sigh* [there is the possibility] that [he was tellin' me the truth]...?

Ya know, [my impression] was that, [I believed him].

But- he could've very well [lied to me], and [I believed him].

363 MCCS 00:43:28 So, what that raises to m- [what question that raises to me], is this... right...?

If someone is [avoiding to have a conversation with me], and [isn't calling me]...?

And uh- I notice [subtle changes] to, like how my [day-to-day operations] have been going...?

364 MCCS 00:43:44 I have to conclude that something is f- something fucked up is goin' on, and, I have to
be considerate that, ya know, no amount of time is gonna change the situation, because...
uh-

365 MCCS 00:43:59 If I [notice] that I am being [squelched], to the degree where, you know,
 [I'll notice the subtleties], right...?

 [Much more than the average person would].
 What uh- [most people] might not understand, is this...

366 MCCS 00:44:18 I do believe that there may be [one agency] that [controls the entire world].

 And that, like, [all of the countries around the world]...?
 They are [subordinates], to the [main control mechanism].

 I say [main control mechanism] because- I don't really know what else to call it.

367 MCCS 00:44:37 Could be the [New World Order].
 Could be uh- like um, some... [initiative].

 Or, it could just be a- [a group of rich people].
 I'm really not certain.

368 MCCS 00:44:48 But what I have speculated, is that, agencies like, the [Saratoga County Sheriffs Office],
 they- they uh-

369 MCCS 00:45:31 If the people that work there, [think that I'm an intelligent dude], they'll have a
 [conversation with me like they did yesterday], and they'll ask me a [single question],
 like:

370 MCCS 00:45:39 [Brown]: What year did you graduate high school...?

 Or uh-

 [Brown] : What high school did you go to, [Shen]...?

 I'll be like:
 [Me] : Yup.
 [Brown] : Alright, what year did you graduate from high school...?
 [Me] : 2003.

371 MCCS 00:45:51 So, [what these questions are doing] is [establishing a baseline], for
 [whether the investigator] can [trust the information that they're hearing] from me.

 Because they have to be able to [screen] whether [someone's bullshitting] them, or not.

372 MCCS 00:46:04 Based on the conversation that I had yesterday with this guy who claims to be
 [Captain Jeff Brown], um...

 What I have uh- surmized is that...
 ...he's not the same person I spoke to on [February 2nd, 2021]...

373 TXT 00:46:21

 [He was, actually].

374 MCCS 00:46:21 And uh- like, the [conversation that I recorded], and like, [I attempted to follow up]
 with this dude at [some point] in the past...?

 And, uh- I may have even [sent an email] that was [dedicated to the guy that I spoke to],
 uh- to the guy that- back in 2021, to the investigator that I spoke to yesterday, if he
 was an investigator.

375 MCCS 00:46:44 Ya know, sometimes what'll happen is uh- [I'll detect subtleties] that [other people]
 will [gloss right over], even though [I haven't listened to the audio recording] I
 recorded of me speaking with him, uh-

 I thought about that conversation, like, ever since I left.

376 TXT 00:47:04

[Obviously I have, since I originally recorded this, and made a transcription].

--\-----/--

377 MCCS 00:47:04 Because, one of his responses uh- indicated to me... that [the dude knew who I was], and, [he was trying to keep that on the down low]... but [I could be wrong about that].

Because, [he was writing a bunch of stuff down]... uhm...

378 MCCS 00:47:26 These are the [speculations] that I make as a [programmer].

I have to [assume] that like, uh- that [nobody knows nothin' about anything], whenever I speak.

And then, [when I repeat myself], and I [frame the entire narrative], or uh- the [details of the story]...?

379 MCCS 00:47:42 Uh- I have to like, consider, that like, when I talk to a new person that they have absolutely [zero information] or [details] or [knowledge] about the [story] I'm telling them, and what this causes, is for me to have to [exert more energy] with [every person that I speak to].

Because... some people uh- [I have to be considerate] of uh- [overloading people] with [information] that [they won't be able to process].

380 MCCS 00:48:06 So, when I do this, what it causes is uh- situation where I have to look for [any form of body language] that would [suggest] that the [person I'm speaking to], [they're listening to me], but they're not gonna be able to [retain the information].

381 MCCS 00:48:22 So, that's why I uh- [printed up a document] and I went to the [Saratoga County Sheriffs Office] yesterday, and, some of those audio recordings ARE gonna be alarming.

382 MCCS 00:49:04 Mainly because, like, I've noticed that [there are some lazy fucks] that work at the [Saratoga County Sheriffs Office].

And I've talked about it numerous times in many of my documents, I've talked about it in many of my audio logs, and videos...

383 MCCS 00:49:18 And, if I go around and I walk up to people, and I say:
[Me] : Yeah there are some lazy fucks at the [New York State Police]
AND the [Saratoga County Sheriffs Office]...

They're gonna be like:
[Them] : I don't think that at all...

384 MCCS 00:49:28 Yeah.
Most people AREN'T gonna think that, because ya know, [most people follow the rules].

And, uh most people, they're shaped and molded by uh- the- the [societal expectations], or normal uh- [normal every day conversations] that people have with each other.

385 MCCS 00:49:47 So [if you are a really intelligent son of a bitch], like I am...?

And you are [able to detect people], [lying right to your face]...?

What'll happen is that people will, like, try to [play this game] where, they don't, [care] if- you- if you [know], that they're [lying to you].

386 MCCS 00:50:03 Ya know, like I encounter this, a lot.
And [it's why I encounter so much resistance], because, [people take a look at me], and [they assume] that I'm not [smart enough] to know when they're [bullshitting me].

And, I- [I am- a LOT smarter than I look].

387 MCCS 00:50:16 And people, like [constantly underestimate me].

But- I didn't get that feeling at all when I went to the [Saratoga County Sheriffs Office] yesterday, the [Administrative Office], and I spoke with this guy named [Captain Jeff Brown].

388 MCCS 00:50:28 There was another guy that came out WITH him, but- I didn't speak with, HIM... I spoke with, uh the guy that was in a white shirt, who claims to be [Jeff Brown].

Now, uh- consider this.

Right...?

389 MCCS 00:50:48 I have to be [considerate] of uh- ya know, [being in a public place], so like [certain details] I can say out loud...?

But- I'm not gonna do that all the time...?
Uh... *sigh*.

390 MCCS 00:51:05 Tryin' to figure out how to migrate this uh- audio log.

I spoke about a character named [Wrongful Robert] earlier this morning, and uh- the reason why I spoke about [Wrongful Robert], is because there's [a lot of people in society] that think a lot like [Wrongful Robert].

391 MCCS 00:51:25 [Wrongful Robert] is basically, uh- [everything you know is wrong].
And so like, when I try to tell people,
[Me] : Oh yeh, if you're a [really smart person],
 then you might be being [censored] like I get...

392 MCCS 00:51:40 And most people...?
[They're not censored], so they won't ever suspect that they're being censored for anything, because people follow this [hive mentality].

So, what I mean is this, a lot of people, they'll [watch the news], and [they'll believe everything they see on the news], because of the [way] that it is [shaped].

393 MCCS 00:51:56 But- [the news can be very misleading], and can [lie about certain details].
Or, they can [omit certain details] that are [very critical].

And so, it causes people to like, uh- believe the [smaller components of a story], rather tha the [overall structure], so, typically what happens is that people will have their [perceptions changed immeasurably], and they'll believe that basically, uhm...

394 MCCS 00:52:22 If uh, an [agency] decides to tell a [portion] of a story, they wanna tell the story, but they only want to tell where like uh- [certain elements] of the story illuminate that they're like [responsible individuals] that [never lie to people], and- or [mislead them].

They wanna [demonize] basically [any enemies of theirs], and so- and so what'll happen is this...

395 MCCS 00:52:46 Uh- suppose that a [police officer] whips out their gun, and [they shoot an innocent uh- person] for [no fuckin' reason]...

I saw this video, um, where a guy was like outside of his house, or something...?

396 MCCS 00:53:04 And then, like, uh- a [police officer] THOUGHT that he had a GUN in his hand...?
Like sh- may or may not be true...?

397 MCCS 00:53:12 But the police officer thought that the guy had a gun in his hand, but he didn't have a gun in his hand at all...?

And then that [police officer shot that man], and [killed him].

398 MCCS 00:53:20 So, uh... the [reason] why it would be [DANGEROUS] for a [police officer] to [continue being a police officer], is if that person [lied], in order to like, save their ass.

So [what I mean specifically], is this...

If [HE didn't think that the guy had a gun in his fuckin' possession AT ALL], and he just fuckin' [shot him] because, like, he [STARTLED] him...

Well, what THAT says, is uh- there's a [small window], of uh [possibilities] that [the cop just felt like shooting the fuckin' uh- person], and then [lying about it].

399 MCCS 00:54:00 And then like, uh, they'll be [grilled] by like, their [superior], and then the [superior] will be like:

[Superior]: Did you like, just shoot him cause you felt like it...?

Or, was it an accident...?

Did you think that he had a gun in his hand...?

And what'll happen is sorta like having to believe a kid, that uh-
You know, uh, wants to like uh- like uh- when my son, would like, uh- hit my daughter...?

And then like, my son would be like
[Jr.]: Well, SHE started it...

400 MCCS 00:54:32 [Me]: Oh, DID she start it...?
Or did you just feel like [hitting your sister] for [no reason]...?

Well, heh.
Believe it or not, it's [basically the same situation] but the- [the stakes are a lot higher].

401 MCCS 00:54:47 And so, uh- as an [unintended side effect of all that], I do realize that the [police officers]
that are out there...?

Their [sense of humor] is desensiti- is like, basically, uh- over time, they become uh,
[less receptive to humor], because of the [fucked up things they see] on a [constant basis].
So...

402 MCCS 00:55:11 When I come along, and I [capitalize] on [my sense of humor], it causes [other people] to be,
uh- like, [repulsed] to some extent in [some circumstances].

Or like, they'll be [offended] by the [language] that I use, rather than like, the fuckin'
[principle] of the things that I'm [attempting] to [explain to people].

403 MCCS 00:55:33 Right...?

So like, if I say that [Trooper Rufa] from the [New York State Police], he sucks guys
dicks BEFORE, uh- at- [during every arrest he makes], if it's a [GUY] → he WILL...

He'll go around and he'll fuckin', if he's arresting (2) guys at the same time...?
He'll fuckin' suck BOTH of their dicks.
One right after another.

404 MCCS 00:55:55 And, uh- ya know, whether it's [true] or [false], [does anyone really give a shit]...?

[No], I don't think that [anyone] really gives a shit, [including him].

I think, that if ANYTHING...?
If he is like, uh, like a [police officer] and he DOESN'T do that...?

[He's probably gonna get a chuckle out of it].

Wanna know [WHY] he'll get a [chuckle] out of it...?

Because, like...

405 MCCS 00:56:14 Even HE would never like come up with something that [audacious] or that [clever],
you know, he he might get a [chuckle] out of it because...

Uh, he's like:
[Rufa]: I have never experienced when like, anybody has tried to like, s-
be [very descriptive] about like [insulting me].

And you know what, if anything it was probably [Trooper Rufa] that watched that fuckin'
video multiple times, and he's like:

[Rufa]: This is fuckin' [fucked up] AND [funny] at the same time,
how does he even talk like that...?

407 MCCS 00:56:48 And then, before you know it...?

[Ya know, he's... he's actually walkin' around with a sense of pride].
Like:

[RuFa]: Wow, this fuckin' dude took like (38) minutes out of his day to fuckin' talk shit about me, that's fu- like, that's fuckin' [impressive] right there, dude...
Ya know...?

Holy fuck...

408 MCCS 00:57:10 So anyway, do I really think he's gonna fuckin' be [ENAMORED] by uh- the things I said in that audio recording...?

No...

But, do I think that he's gonna give a shit...?

No...

Wanna know WHY he's not gonna give a shit...?

Because he's [desensitized] by the amount of fuckin' uh- [dead people] that he's had to scrape out of fuckin', like uh, [car wrecks] or like uh- ya know [arrest and like uh, prosecute] because somebody [murdered] somebody else, or like [assaulted] them or [shot them], or whatever.

409 MCCS 00:57:41 Right, I'm not like oblivious to the fact that [the police have a pretty difficult job]... [I've said that numerous times before].

However, uh- the JOB that they do...?

It sometime- uh, [sometimes it is substandard], and [not satisfactory], and they have been SO [desensitized] that- you really have to use [every bit of evidence that you can] against them, and that like if you notice that after having a conversation with an investigator like [Jeff Brown], like I did yesterday...?

410 MCCS 00:58:11 I went all the way to- I went to, a bunch of places last night, or the other night, not last night. I went to the [Clifton Park-Half-], uh, the [C.P. Pubic Safety Building], left a notice there I went to the [Clifton Park-Halfmoon Public Library], left a notice there... I went to [Carol Yates'] house, I left a notice there... I went to [Sysco], on [One Liebach Lane], left a notice there...

411 MCCS 00:58:41 [Sysco] is a place that I used to work about (20) years ago, in uh- 2000... 4, I believe... 2003 or 2004, I'm not sure uh...

I spoke about that in a audio log somewhat recently (02/02/23) when uh, the weather here was like (-15) degrees, and like, I could remember working in, at the [Sysco] warehouse in the fuckin' freezer.

And it was so fuckin' cold in that fuckin' freezer, that like, you could not have ANY exposed skin whatsoever unless, ya know, you wanted to have frost bite. And that's how bad it was that night.

And uh- ya know- oh, it smelled like ice cream in there.

And like, ya know, I worked really hard, and I fuckin', like...

412 MCCS 00:59:21 I got caught- I got caught in a situation, where like...
...the people that worked there a lot longer than me...?

They like- tricked me. And they started puttin' fuckin' shit in the wrong fuckin' places.

And, ya know, this is how like soc- people in society do the same fuckin' shit, where they try to trick people that are like gung-ho, and look like uh- they're gonna fuckin' make it mad far, right...?

And so, society is littered with all of these uh- tricks, and traps, and booby traps, and uh- the investigators, the police, and all of them...? They fuckin' use all of these tricks...?

The news and the media, they use all of these fuckin' tricks...?

413 MCCS 00:59:59 Uh, like uh- people in society...? They use all these tricks...?

And really, like in ALL of these uh, components in society that I'm talking about...?

They really DO run on the notion that there's NO WAY that someone like [Michael Cook] could be [SMART ENOUGH] to EXPLAIN the STUPIDITY of people that are like, [highly respected] and have a lot of [money], or uh- [reputation] or [trust], from uh- [people all around society]...

414 MCCS 01:00:22 And, its- the reason why like, [humans are fuckin' stupid].

Right...? Hu- human ha- [humans have a serious problem].
[They're fuckin' stupid], and they will use [every], like uh- their [credibility] or
[reputation] to fuckin' [slander other people].

And, they'll use [every trick at their fuckin' disposal] to [prevent somebody like ME],
from like, makin' em look stupid~! [They will].

And then even AFTER I've [exposed] how fuckin' stupid they'll look, they'll look- they'll,
they'll like try to use [ANY fuckin' excuse they can think of], because- they know that
[as long as people believe whatever the fuck they say]...?

Then [it doesn't matter if I make them look stupid].
But- [to what extent]...?

And that's why I do what I do.

415 MCCS 01:01:05 So, after I went to [Sysco], I went all the way to.. uh, lets see.
Where the hell did I go next...?

...the... [GlobalFoundries].

And then I recorded a video...? I didn't leave a notice there, but I recorded
the video.

417 MCCS 01:01:19 And then I went to [TEC-SMART], and then I left a notice there, uh- on both sides of the
building, and then uh- recorded an audio recording, right...?

And then uh- I... went back to [Route 9], and went to the [Malta Town Hall],
left a notice there... Right...?

And then I went to the [Stewarts Corporation] and left a notice there, and then I went to the...
the uh- [135 Broadway], the uh [Saratoga County Mental Health] building, the back door, left a
notice there...?

And then I went to... the [Saratoga Springs Public Library] and left a notice there...?
Uh- where'd I go after that...?

Oh yeh, I went to the [Saratoga City Hall], left a notice there, right...?
And then I went to the [Salvation Army], left a notice there...
And then I went to the [Saratoga Hospital], the [Mental Health Unit]...

And I was ATTEMPTING to leave a notice on the door there, when [Eric] came out,
the [social worker].

And then he and I spoke for a few minutes...?
And I [detected] like some of his fuckin' [responses] were pretty [nonchalant], and uh- ya know, I
realize that having a conversation with somebody like THAT, is a fuckin' [waste of my time]...?

And so, like uh- I kept it as fuckin' [limited as possible], because like, ya know...?
Fuckin' I could [detect], like, that [the dude didn't really give a shit about what I was saying].
Right...?

418 MCCS 01:02:49 [Eric] : Oh hey~!

How ya doin...?

[Me] : Oh, I'm doin' great!

Doin' great~!

Fuckin' awesome~!

[Eric] : Oh yeh, cool, fuckin, oh you recorded an audio recording of (3)

[Saratoga County Sheriffs], like, being a bunch of fuckin' faggots, back on uh- [March 1st, 2022]...?
And like, uh- you say you got like, uh- the ability to [file a fuckin' lawsuit] against the hospital AND [Saratoga County Sheriffs]...?
You know...?
Holy shit, dude~!

And like, he seemed so fuckin' [calm] and [level-headed] about that, that like, ya know, after I left...? [I started recording an audio recording of me, like, basically making fun of him.]

420 MCCS 01:03:21 You know why...?

Because I know that the notice that I handed him...?
[He probably threw it in the fuckin' trash.]

There's a [high probability] that that's what he did. Right...?

So, when I go to these places, right...?

And I leave these notices, I know that, like, what I'm doing is like, [rubbing it in].

And [these people think that I'm just being fuckin' stupid], but- the- [the reality] is that [I'm causing some people to be pretty fuckin' concerned].

And that's why, like I'll notice something the following day, of like, a video that I posted, uhm, having like no views on it, no likes, and like sort of like extrapolating from uh, like the other day or whatever...?

422 MCCS 01:03:58 Did I say something [offensive], and like uh- [piss off somebody] that's been [liking my content]...?

Well, theres- there's a [possibility of that], right...?
But- the [OTHER possibility], is this...

423 MCCS 01:04:07 After I recorded the vi- the audio recor- after I went to the [Saratoga County Mental Health] (meant Hospital MHU), with uh- [Eric], the [social service worker], I uh- had a [flat tire]...?

Had to go to the nearest, uh- [Stewarts], and then fill it up there, and I rode the bike from like, [Stewarts], all the way to another [Stewarts], and heated up some pizza...?
Right...?

And after I heated up that [pizza], and was about to leave, the lady was like:
[Lady]: Oh, you're ridin' around on your bike, huh...?

And I was like:

[Me] : Yeh yeh yeh.

So like, this is the [Stewarts] on [Northline Road].

They'll be able to say:

[Them]: Oh, yeh yeh yeh, some dude came in around like, fuckin' 9 o'clock,
and he asked to use the microwave, holy shit.

His name was [Michael Cook]...?

And he was like, on a fuckin' [mission] that day...

424 TXT 01:04:48

[Stewarts] on [Northline Road] is my old [Q107 Times Union] stop.
Used to have to go to [Cumberland Farms] in [Milton] after that.

Then, another [Stewarts]. Then, [Hannaford].
Then... another [Stewarts] in [West Milton].

425 M CCS 01:04:48 And so, like... I continued all the way through [Ballston Spa], until I got to where the
[Chocolate Factory] is, where [Anthony Russo] had his company uh- uh, what was it, uh-
[Adirondack Technologies], and I think he eventually started like [Tech Valley Talent], or
whatever...? Right...? Uh-

[Anthony Russo], and his daughter uh- [Nicole Russo], and I have some history...?

Uh- I'm not gonna talk about that in this particular audio recording, but what I WILL say,
is that I went to the top of the hill there, and I remember that my friend Alex's-
[Alex Philipsak]'s grandmother used to live- [Vita], used to live, uh on the corner
there...?

Uh- at the top of the hill.

And then right around the corner from the [Saratoga County Fair], and then...?

I just continued on to where- toward the uh- the [Saratoga County Sheriffs Office],
[Administrative Office].

426 M CCS 01:05:34 And, on my way there, I saw a couple- a few vehicles that were being driven by the- the
Sheriffs that work at the fuckin' building. And I could tell that they WERE the [Sheriffs]
because, like-

I dunno, the way that they drive their vehicles sometimes, like an aura of like:

[Cop]: Hey, I might be a cop...?

But I might NOT be, how could you tell...?

427 M CCS 01:05:54 Well, uh- [sometimes you can tell when a cop is drivin' around], but like, it's sort of
like the same idea as like, uh- [texting some girl], and [getting a baseline] of like
[how they respond] to [text messages], and then all of a sudden, [you say something that
pisses them off] and then they [react totally differently], and they'll be like:

[Girl]: Well, I fuckin' had a barbeque on... [Pluto] to go to, dude.

You know...?

I'm sorry, [I just got back].

Uh-

You said you wanted to [hang out] and [have sex], or whatever...?

Fine, [let's do it], how about like, [next Thursday]?

428 M CCS 01:06:25 It's like:

[Me]: Well, you used to like, answer your phone within like, (10) minutes and wanna like do-
like, meet up within an hour, so...

Now...?

You like, you're taking like, (10) years to get back to me,
and you wanna meet up in like, (30) years...?

Yeh, nah, something is different right now...

429 M CCS 01:06:39 And then so like, [most people in society], they're [stupid], and they [won't notice] those
fuckin' [subtle differences].

And like, [I don't wanna say that EVERYBODY's fuckin' stupid], but like, a lot of people...? They like to use this fuckin' tactic where like:

[People]: Oh, [Michael Cook] thinks he's smarter than he really is, so maybe he's a fuckin' megalomaniac...

430 MCCS 01:06:56 No, I don't think so.

I think what happens, is that [I encounter people that fuckin' underestimate me], and then they start to [use these fuckin' tactics that work on everybody else], and then when I start to fuckin' talk about things that really matter to ME, [I will catch some resistance from people].

Because they'll try to say stuff like:

[People]: Oh, well, you think you're more important than you really are, dude... You know, there's [no way] that [Mark Zuckerberg] would [throw a stack of cash] at somebody at [Google] to [minimize your fuckin' visibility]...?

Your number of views...?
Your view count...?

Or like, you know,
[downsample the fuckin' resolution of the videos that you're uploading]...?

Uh- ya know...?
It's all in your fuckin' head~!

The [what I just said is NOT all in my fuckin' head] toolkit of doom:

02/20/23 | Time Travel | https://youtu.be/xCo8Wu_0Lb4

If most people were to watch [this particular video], what they will [immediately] determine, is that it is [impossible] to comment on a post (7) years before the post even existed.

That's the part that I think [a lot of morons don't understand].

Post didn't exist... up until a few minutes before I recorded that video...?
But then, somehow my account went back in time to comment on that post.

Does anyone understand how fuckin' stupid that is...?

It's a violation of the laws of physics to go back in time like that.
Not to mention, it's pretty rude, because then you'd have to allow other people to be able to do that, too.

Another explanation, is that [FACEBOOK HAS BEEN ALTERING PEOPLE'S DATA], [PARTICULARLY MINE].

Which ALSO means:

- [limiting me]
- [censoring me]
- [preventing exposure]
- [traffic]
- [potential sources of revenue]
- [profit]
- [business contacts]
- [et cetera]

What [Facebook] has been doing to me is similar to [taking a baseball bat], and [breaking my legs]. Then [when I call the police], they will literally do the same fucking thing that they did on [June 13th, 2020], when my neighbor literally attempted to hit me with his baseball bat...
...they will say "it's ALL in your head."

If it was [all in my head], [why did I call the police]...?
0o00ooHhhhHhhh... It's cause [many of the police are careless morons].

I'm pretty sure that [anyone] with [eyes] will be able to [see] that [it's not all in my head].

432 MCCS 01:07:30 And that IS what people fuckin attempt to like, convey to me, right...?
And then, like, ya know I accurately uh- observe and predict people's behaviors and then what'll
happen is that people'll be like:

[People]: There's no way that your prediction- you're psychotic~!
Cause you're-
You're predicting something that is SO fucking stupid, and unrealistic,
that like I have to say, that, sounds unrealistic, even if it is entirely realistic,
that like, uhm, some girl that you WERE having sex with...
...that would respond in like an hour, or like, ten minutes...
...NOW she's taking 3 days to get back to you...
...anytime that you wanna have sex with her, and you say something to her like...
"Hey let's fuckin' meet up."

Uh~!

Nah, she had a [barbeque] on [Pluto] to go to, and she just got back.

So like, there's NO WAY that she got the [text message] of that,
she like [READ the text message], she was like...

[Girl]: You know what, I'm gonna fuck this OTHER guy...?
For the- and then like, you know...?

Fuck (5) more guys for the next (2) days, and on the third day...
THEN, when I have nothing else to do, I'll t-

I'll text him back, and I'll come up with some stupid excuse or whatever.
There's no way he'll ever know that.

433 MCCS 01:08:42 And [THAT'S why I say most people are fuckin' stupid].
Because, [people really do like to play that stupid].

They really do.

There is no fuckin' way, that some girl, who wants to get fucked all the time (*nymphomaniac*),
and texts within like (10) minutes of texting her, and like meets up within an hour...
...that SUDDENLY she's gonna take (3) days, to fuckin' get back to ya and like:

[Her]: Oh well, I ALWAYS have my (2) phones on me, but for like (3) days...?
I was stuck in the fuckin' wilderness, up in like uh- ya know,
[Whiteface] mountain area, [Lake Placid].

Yeah, I was bein' chased by fuckin' [wolves]...?
And uh- ya know, I- I- [lost my glass slipper]...?
Right before the- [the clock hit midnight]...?
And I fuckin'- [I dunno, dude]...

Fuckin', I just- I didn't know WHERE the hell I was, I fuckin' like, I started rollin-
tumblin' down a hill after the [wolves] were chasin' me]...?

And once uh- ya know, I got to the bottom of the hill, I guess I got knocked out cold...
Ya know, like uh-

[Guy]: So how did you not freeze to death...?

[Her]: Well, I didn't freeze to death, because I was prepared for the elements,
I wore a really nice jacket, and I had like, you know, (3) layers of, you know,
my- my grandmother always told me:

'Wear (3) layers of fuckin' clothes, make sure that you don't get hypothermia~!'

You know...?

Been livin' in fuckin' in the [Adirondacks] for like [millions of years], basically.

And then you'll be like:

[Guy]: Well, you mean like, not [MILLIONS of years], but like, [years], right...?

And then she'll be like:

[Her]: Nah, fuckin' my family has been like- it- it's been a [proven fact],
my family has been living in the [Adirondacks] for [millions of years].

You know...?
If you don't believe me, then [fuck you], [I don't care].

434 MCCS 01:10:15 And then, like, you get to the point in the conversation where like:
[Guy]: You know, some of the shit that you're sayin' sounds really fuckin' stupid...

And then she'll be like:
[Her]: It's just your fuckin' opinion that what I'm sayin' is fuckin' stupid, you know...?
Fuck you.

You're stupid lookin'.
You know...?

Oh well.
You know...?

So what...?

435 MCCS 01:10:32 [Her]: So what if I was hangin' out with, fuckin'- the wolves or, some other dude.
pauses

OR I MEAN, like, uh, you know, who cares if I fell down the side of a mountain or
like I got a dick thrown in my vagina repeatedly...
pauses

UH- I MEAN, UH...
Who cares if uh- like, I'm lying to you-

OR I MEAN, like, NOT lying to you, telling you- telling you how it really is, and
telling you the truth.

436 MCCS 01:10:55 Yeah, that's why I tell people that they're fuckin' stupid.
It's because, people will blatantly fuckin' lie to people, and like, they know that like,
it doesn't matter if like, they're believed or not... Because, like...

[Her]: Oh well.
Fuckin' I fucked some other dude, and not YOU.
There's no way that you'll ever know... who it was.

And even if you did know who it was,
you'll never know where we did it...

And even if you do know where we did it,
you'll never be able to catch us in the act...

And even if you DO catch us in the act, there's no way that you'll ever be able to
stop me from being able to continue doing it, because I'll just, stare you right in
the fuckin' face while this dude is poundin' me out, I won't give a shit.

Even if like-

437 MCCS 01:11:40 Yeah, no, it's like, [some people are fuckin' stupid].
And uh- to some degree, I can ration-

I do agree with like, what [OJ Simpson FELT], when he realized that [his wife] was
[fuckin' some other dude], but I don't think that he had [any right] to fuckin' [kill]
both of them.

I think what he did was pro- [profusely, uh- grotesque], right...?

And, uh- you know [there's a fine line] between like, uh-
[some guy being married to some woman] and like [seeing his wife] like,
[fucking some other dude]...?

And like, just, ya know, [leaving the- the vicinity].

Versus, like, whipping- going, [buying a gun], and like, [not saying anything],
and then [boom]. Both of em are dead. Or like, stabbin' em to death, or whatever.

438 MCCS 01:12:23 Right...?
And so like, uh- now I have to [walk back all of the comments that I made so far], right...?

Not walk them back specifically, to like, recant some of what I said, but because I want

to shape it to be more comedic rather than to be like an assault on uh- like uh [law enforcement], or the [justice system], or [people in general], and like have a [conclusion] where like [anybody listening] to this thinks that I'm just- this fuckin' [asshole that thinks that everybody is stupid]...

[I don't think that at all], I think that there's [varying degrees of stupidity], and you know, when I say that [people are fuckin' stupid], typically what I mean is that people are [naive] and [they don't care], if I tell them that they're naive, which causes me to think:

[Me]: OK, so they're [insulting my intelligence], and [my existence], and they're trying to say that I'm fuckin' stupid, by sayin' that like there's no way that [Michael Cook], the fuckin' [scruffy lookin' nerf herder] could be correct.

Not at all.

439 MCCS 01:13:17 No, so, sometimes I will have a conversation like I did with the investigator yesterday, at SC50. Which is, where I went, after, I saw all the cops, driving down the street.

And I also saw like the bla- same style [black Dodge Charger] that I saw on [May 26th, 2020].

And you know, I think that [there is a very real possibility] that, uh-

440 MCCS 01:13:43 [The police attempted to fuckin' kill me that night].

Ya know, now I'm seein' a fuckin' Sheriff over across the way, [Saratoga County Sheriff]... I don't think he's here for anything... ME related...

Uh, I think someone... hit another vehicle...?
And, now he's there.
He's gonna fuckin'-
I'm gonna like, [narrate this whole interaction].

You know, not unlike the one that I did with uh- like, uh [Clayton Brownell] and some other dude... you know, [Clayton Brownell] uh- is the night- is- uh- December 22nd, 2022...

441 MCCS 01:14:23 Uh, [Clayton Brownell] and some other cop were talkin' to some dude, and then you know, [Michael Whiteacre]- uh- [Michael Sharadin] came out, and he was like, talkin' with em and stuff...?

443 MCCS 01:14:34 I think this might actually be like, [Daniel Nelson]... Maybe not.

444 MCCS 01:14:44 Yeah, I could tell like- some of the cops, they wear this fuckin' cowboy hat. Like [Daniel Nelson] does.

445 MCCS 01:14:53 I don't think that's [Daniel Nelson]... nah, it's not. Not entirely sure which one that is.

But- ya know, here's how like a good little investigator would go to town, and do some work. Right...?
Investigating shit...?
It's 4168.
And uh- he's talking with (3) adults...

446 MCCS 01:15:15 He just [turned his flashlight on], he's... fuckin'... checkin' on the radio, he's like:

[Cop]: You know what, dude...?
Fuckin', who the hell is this...?
They just gave me their ID.

The other people, they're starin' at him, or they're like, lookin' at him, and talkin' to him...?

Right...?
Here's what I'm gonna do...

I wanna get in a vantage point where like the cop like realizes that I'm like narrating anything he's doing...?

447 MCCS 01:15:38 Right...?
Because [this is what an investigator is SUPPOSED to do], [what I'm doing right now].

If you like, SUSPECT that [some of your buddies] are [doin' something fucked up]...
...[you're supposed to investigate that, not ignore it].

But anyway, (3) adults, they're standin' around, and uh- there's (1) woman, (2) guys, right across the street from the [Dollar Tree], right...?

Cop, with the fuckin' hat on...?
It's a winter hat...?

You know...?
Not unlike the one that I usually wear, he's in his cruiser, right...?

And he's bein' cool, he's not bein' an asshole, or nothin'.
He's just runnin' someone's fuckin' license like a good cop.

448 MCCS 01:16:14 I think he's by himself.
Because... I don't think another cop is in that vehicle.

Sometimes the cops double up, and they drive around and they're like:

[Cop 1]: Hey, you know what I fuckin' saw last night...?

[Cop 2]: What'd ya see...?
What'd ya see last night...?

Then the cop will be like:

[Cop 1]: I fuckin' saw, like, some dude...?
Bangin' the snot out of his girlfriend...
Like, through his window.

And the other cop will be like:

[Cop 2]: Really...?

He'll be like:

[Cop 1]: Yeh yeh yeh, I was sent on a mission to somebody's house, for like a [welfare check]. I didn't expect to see like, some dude, like basically [eviscerating this fuckin' girl]. I could see it through the window...

The other cop will be like:

[Cop 2]: Holy shit, you really saw that through the fuckin' window...?

[Cop 1]: Yup, I did, ya know...?
And sorta like, ya know, I was like WOW, that dude is fuckin' really goin' to town.

And the other cop is like:

[Cop 2]: Wow, really...?
He's fuckin' goin' to town... you fuckin' observed that...?

[Cop 1]: Yup.
That's what happened, last night.

449 MCCS 01:17:10 And these are the sorts of conversations that they'll have, in their cruiser, drivin' around.
Havin' a conversation with one another, and, you know...?

Then they'll get a call on the radio, they'll be like:

[Dispatch]: Hey, there's been a fuckin' uh- a barbeque gone wrong, now there's like uh- bunch of people arguin' and somebody called us, said:
'You guys need to come here,
cause somebody's fuckin' doin' some shady trollmeister shit.'

And then the dispatcher will be like:

[Dispatch]: Alright, well, uh- you gotta fuckin' go to THIS address,
and you gotta be there within a few minutes.

And then the police will be like:
[Police]: Well, is this an emergency...?

And they'll be like:
[Police]: Eh, we're not sure if it's an emergency...

And the dispatcher will say:
[Dispatch]: It's an emergency.

And then as soon as they hear the words "*It's an emergency*"
Uh- it's an emergency...?
Uh- they gotta fuckin' hit the lights...?
And they gotta fuckin', put the foot to the floor, and they gotta fuckin' haul ass, dude...

And they gotta get there as soon as fuckin' possible, because there could be somebody tryin' to stab somebody else, or shoot somebody else, and... they know that what they're drivin' into...?

Could be fuckin' like, their last call.

450 MCCS 01:18:09 And so... they- they- they fuckin' pour all their effort into like, driving down every road...?
Like, with the lights on, and making damn certain that no vehicle is in the road...?

[illegible]

And then like, sometimes the fuckin' [State Troopers] will be like that too, they'll be like:
[Trooper]: Oh, uh- dudes, fuckin' [goin' to a call]...
[Dude's goin' to a call]...?
He's [goin' to a call]...

And then so like now, fuckin' (10) cop cars are like "*Whoop~!*"
[They all have their lights on], they're all fuckin' [action packed], they're drivin' like the
dude in the song [Cake - uh- Goin' the Distance]... they're goin' for-

[Cake]: They're goin' the distance,
they're goin' for speed...?
She's all alone...?
All alone in a time of need...?

451 MCCS 01:18:59 *group of people chattering*
 [Me] : Sorry, am I in your way...?
 [Lady]: Nah.

Well, anyway...
There is not that much action goin' on with this call, that I'm observing.
Nah. Cop is just runnin' a fuckin' check. Looks like, he is...

It doesn't look like it's fun...?
It doesn't look there's anything really bad going on...?
It just looks like... (3) people...? Standin' next to a truck...?
Across the street from the [Dollar Tree], and [nothing shady is happening].

They're fuckin', they're actually jokin' around a bit, cause the girl is smilin', she's laughin', she's like:

[Girl]: Oh this one time, my fuckin' like uh- you know, holy shit. Fuckin' told a joke, and uh- you know, it was funny.

452 MCCS 01:19:45 And then, the guy, in his sweatshirt, he's like:
 [Dude]: Yeh yeh yeh, I've told jokes that were funny, too.
 Ya know...?
 I got a beard.
 And uh- who the hell cares...?
 Ya know...?
 We're just fuckin' (3) people standin' next to a truck, and there is a
 Sheriff doin' somethin'...
 So like, last time this shit happened to me...?
 Uh- it was in like, the fuckin' rougher part of [Albany]...?
 Yeah, and like (10) cops came, and then like, uh- eh- uh- the cops
 really had nothin' better to do, so like they all came...
 But then I was like '*It's not an emergency...*'

And the cops were like 'Oh ok, as long as it's not an emergency...'
And then like (8) of em left, but another one like, stuck around, just
as backup, just as- just in case.
Ya know...? You never know if somebody like, down the street, is gonna
like whip out a gun and start shootin' like 8-year-old little girls,
you know, you don't want that...

And so like the girl's like:
[Girl]: Wow, sounds like a fuckin' story...

He's like:
[Dude]: It is, it is.
Definitely a fuckin' story... I'm just, you know...?
Hangin' out.
Fuckin', waitin' for the police officer to do what he's gotta do.
Ya know...?

453 MCCS 01:20:47 Sheriff, [Saratoga County], serving... serving since (1791).
I think that's what it says. Since (1791).

Ya know...?
Serving since (1791), because that is when... uh- [Half Moon], uh,
split into like (4) different towns, right?

454 MCCS 01:21:08 There was [Balls Town]... so [Ballston]. [Balls Town].
And then like [Half Moon]. Two words.
And then, uh- [Saraghtoga] with like the G-H.

And then like, there was another one, I can't remember.
Uh... damnit.
Maybe it might've been [Gal Way], or somethin'. (Still Water)

455 MCCS 01:21:33 You know...?
Gal Way. But anyway, uh yeah.

I don't think that I need to stick around and [continue to narrate] what's going on,
because there is really [nothing exciting about what he's doin'].

And, not- same goes with the (3) people.

456 MCCS 01:21:53 Right...?
And so like, uh- the thing that I just did, is that I narrated, like, what was goin' on'.
Right...?

So like, I [narrated what I was seeing], and [observing], and I [recorded it], and I'm
[pretty good at this], [pretty fucking skilled at it], and so...

[I'm a fast talker, when I wanna be]...?

I know like, [what behaviors to expect from people], and uh- you know, I think once people
realize that [I'm a smart bastard], and I'm [basically like a fuckin' parrot]...?

457 MCCS 01:22:23 Then, they're like:
[People]: Oh, so you're like, one of those [smart parrot-like dudes],
that remembers a whole bunch of shit, huh?

And then I'll be like:

[Me] : Yup.
I am one of those [smart fuckin' parrot dudes] that remembers a bunch of shit,
and then [reports the same shit that I see], and then, ya know, throws in a little
bit of my [vocal intonation changes], and [characteristics] and then...

Then [I'll swing in like a fuckin'... crusader].
This... [caped crusader], like fuckin' [Batman].

And then I'll fuckin' whip out, like uh- the fuckin- the bat- uh- the [Bat-A-Rang]...?
A couple [Bat-A-Rangs], and I'll fuckin' throw em, and then like the [Bat-A-Rangs] will
like shoot like this, rope, that like [swings around somebody's feet], and then all of
a sudden...?

A [bad guy] that WAS tryin' to run away...?

[Now he's on the ground], cause, ya know, [I used the weapon] that fuckin', like

[wraps around his feet], and then [nothing he can do about it].

And then I do that to [basically every story].

I don't even know, how the hell I got to this point, either.

I just realized that there was an [urgent need] for a [guy like me], to [come around].

Do I sound more like a [Batman]...?

Or do I sound more like uh- I dunno, dude...

Somethin' other than [Batman]...

458 MCCS 01:23:41 I'm not tryin' to make the fuckin' [Batman] voice.
I'm tryin' to make the fuckin', the voice for uh- I dunno.

I used to make this voice for my kids a lot. Right...?

Those- those are all CLUES, like an investigator, like [Laura Hughes] from the [Saratoga County Childrens Protective Services], like if she was [good at her job], she could collect like, stuff like [evidence], and stuff.

Like she DIDN'T do, back, in [June of 2020].

459 MCCS 01:24:11 Right, and so like, what caused me to start like, [collecting clues and stuff], is because [people are... morons]. They are [careless fuckin' morons].

They- they work at [Shen], they work at [a bunch of places in the county], and like, they work in the [fuckin' investigators office], [I'm god damn certain of it], right...?

Like, [here's the conclusion] that I'm about to make.
Right...?

460 MCCS 01:24:30 The investigator that I spoke to yesterday, [I don't wanna outright call him a lazy bastard], because the chances are that like, he's had to take on, like uh- the responsibility of uh- you know, [solving murders and shit].

But- the case can ALSO be made, that [he can use that as a fuckin' excuse], not to get back to me or [follow up on like MY investigation]...?

And so can the people at the [FBI/Federal Bureau of Investigation]...?

So can the people at the [(New York) State Police]...?

And like, what you find, is that like, SOMETIMES what they'll do is like, they'll only [investigate certain things]. And if THEY [investigate certain things], and then they pass it up to [somebody who's NOT gonna fuckin' put a whole lot of effort] into the things that I'm talking about...

OR, if I've [insulted Michael Zurlo] too many times, and [Michael Zurlo] does not feel like being all that cool with [having a conversation with me], then he's gonna use a [STALLING technique], rather than to like [fuckin' call me], and [have a conversation with me], about-

461 MCCS 01:25:36 [May 26th, 2020]... and a number of incidents SINCE then, because if anything...?

I've noticed that [SOME of the exhibits] that were submitted to [Family Court], with [Judge Paul Pelagalli], they illuminate that like, people at the [Saratoga County Offices] were playin' fuckin' games with me, and they got really pissed about how I was like mischaracterizing some of the things that they were saying, ya know, like...

462 MCCS 01:26:05 Like this...
Ya know, [Michael Zurlo], had a conversation with [Captain Jeff Brown] yesterday...

He's like:

[Zurlo]: So, like, [tell me about this conversation] that you had with [Michael Cook].

And then [Captain Jeff Brown] will be like:

[Brown]: Well...?

Ya know...?

[He SEEMED like a level-headed dude]...

Seems like, he's pretty smart... and, ya know, he's got this WHOLE list of shit.

And like, [Michael Zurlo] will be like:

[Zurlo]: Well... fuck.

Now that means that we have to like, casually look at that fuckin' thing...

...don't we...?

And then [Captain Jeff Brown]'s like:

[Brown]: Well...?

We don't HAVE to, we could just like, ya know...?

Avoid it.

And then NOT like, investigate a god damn thing.

If we don't want- if we want to.

And then like, [Michael Zurlo] will be like:

[Zurlo]: Well, I've been doin' that for like, almost (3) years, now...

Ya know...?

This is NOT good...

[Michael Cook] is fucking here...

And he's handed us, like a list of fuckin' things that he has been doing...

You know...?

And, uh...

It seems pretty apparent, that he is a really fuckin' smart dude...

And [I'm scared shitless]... [to have a conversation with him].

Because, the chances are...?

[That HE'S gonna KNOW... if I lie to him].

And the chances are...?

That [if YOU lied to him], during the conversation that you just HAD with him...

Then, he is gonna know that he was being bullshitted...

And it doesn't matter if he knows that NOW, or LATER...?

Because, [he probably recorded the conversation] that you had with him.

So NOW, like, we have to like [REALLY work hard], and, uh...

You know, sorta like fuckin' [use a strategy from a totally different strategy] or [rule book]...

And then [Captain Jeff Brown] will be like:

[Brown]: Well, you know...?

Maybe we could turn this [negative] into a [positive]...

You know, and like, uh- maybe we could like, [hire him to be like an investigator], you know, since [he's not an idiot]...

And then [Michael Zurlo] will be like:

[Zurlo]: Over my dead body, dude.

That kid has personally insulted me so many fuckin' times...?

AND my son...?

There is no way that I would ever allow him to be a part of my fuckin' police force. Not a fuckin' chance...

And then [Captain Jeff Brown] will be like:

[Brown]: Well, what if we like, ya know, fuckin' uh- I dunno, maybe he could work for a [different police force], then.

And then [Michael Zurlo] will be like:

[Zurlo]: [No no no, not even another police force].

We gotta fuckin' [keep this under wraps], dude.

There is no way, that, we can allow him to be an investigator ANYWHERE, because...

...[he is gonna continue to investigate what happened] back in...

[May 2020], as well as [many of the people at the fuckin' county offices] n shit...

Ya know...?

[Cause we're fucked].

Even if this guy is like, fuckin' [homeless], and [going door-to-door], and like, fuckin' [taping shit to doors] and shit...?

[We're fucked].

[Captain Jeff Brown]'s like:

[Brown]: Well, [it's just your opinion], sir.

He might actually not be, you know, able to do any of that...

And, it really just comes down to whether or not [people believe us].

And, ya know, if we like, have [Google] like, keep his [traffic really low] and shit...?

And he just keeps saying [really offensive, off-the-wall type shit]...?

No one will EVER [believe a word] that he says.

[Even if he does have the audio recordings].

Of us having a conversation and stuff...

463 MCCS 01:30:01 And [Michael Zurlo]... did he actually have a conversation with [Jeff Brown] like that...?
That went like that...?

Probably not.

Ya know...?

Like, the reason why I'm like, fictionalizing all of that...?

Is because, like, worst case scenario, they DID have a conversation like that.

464 MCCS 01:30:20 Do I think it's realistic that they DID have that conversation...?
No... but at the same time, I am STILL able to consider, that it is SOMEWHAT PLAUSIBLE.

And, [most people in society], they would [never, ever, ever] come to that conclusion,
they would [never, ever, ever], think that was even a [remote possibility at all]...

Because...

465 MCCS 01:30:46 Uh- if these guys, [if they lie to most people]... they're gonna be [believed].
[It doesn't matter what the hell, if they lie or not, as long as people believe what
they say].

[That is what matters].

466 MCCS 01:31:01 And [that] is what causes me to think that like, [people are fuckin' stupid].

You know...?

If you say something, it doesn't matter whether it's [true] or [false],

[What matters, is if people believe it].

And that's it.

And THAT is fuckin' [extremely dangerous], because- you know, if uh- ya know...

Fuckin' [OJ Simpson]... [kills his fuckin' wife and Ron Goldman], and like, he's like

[OJ]: There's no way that I would ever do that...

...and people BELIEVE him...?

467 MCCS 01:31:29 Well, it means that [certain people]...
...they'll [always be able to fuckin' lie to people... and be trusted].

And that is fuckin' [very fuckin' dangerous].

That is [so fuckin' dangerous]...?

That...

I have to like, [fictionalize stories] like the one I just rattled off.

468 MCCS 01:31:47 Not because I'm trying to demonize [Michael Zurlo], ya know...

[I think I've done that a number of times], but like, how does he know what my
[state of mind] was, [any single time] that I wrote any of the fuckin' documents
that I wrote, [specifically] naming him...?

Or, citing him [specifically]...?

469 MCCS 01:32:02 Ya know, [there's no way that he could ever come to that conclusion].

However, uh- the interactions that I've had with many of the officers have been recorded,

[I've been doing most of the recording FOR them], ya know...?

[They do have body cameras], but [I highly doubt] that they fuckin' [save] all those- all that body camera footage, permanently.

470 MCCS 01:32:16 If anything...?

They probably save it for a while...?

For each case where they make an arrest or whatever, they save those.

But- they're not gonna fuckin' save like ALL of the footage of ALL the police officers that wear a [body camera], because they would have so much fuckin' god damn content to go through, they would have to have some way of [categorizing] all of it...

472 MCCS 01:32:47 But on the other hand, maybe they DO have enough- maybe they have enough resources to be able to save all of that, or maybe it's fuckin' saved in [Salt Lake City], maybe there's a hard drive SOMEWHERE that's saving ALL of the information, and it's not a portion of the government, it's a [corporation].

-----/ PRISM /-----/ Transcription (22) /-----/

473 TXT 01:33:05

So, if they're [writing fictional bullshit] in their [reports], there's no way that they would be [correctly categorizing] any of that footage that they'd be saving...

...not unless a [higher agency of government] was [watching] their [every move], and [saving the data without their knowledge].

That is the purpose of the https://en.wikipedia.org/wiki/Utah_Data_Center

That is basically what [PRISM] allows them to do.

<https://en.wikipedia.org/wiki/PRISM>

It's like some really hot porn star girl that goes around indiscriminately having sex with any guy on that list.

[=====]	[=====]
If the dude...	Will she have sex with him...
[=====]	[=====]
is (cool/not cool)	yes
is (rich/not rich)	yes
is (smart/not smart)	yes
is (famous/not famous)	yes
is (ugly/not ugly)	yes
is not on the list	absolutely not
[=====]	[=====]

That's sorta how CLASSIFICATION works, believe it or not.

[PRISM] is also what I talk about in this particular video:

-----/ PRISM /-----/ Transcription (23) /-----/

474 MCCS 01:33:05 Ya know, [all of these things are TOTALLY realistic], to think that they're NOT realistic is pretty fuckin' naive.

And I would go so far as to say, it's [pretty fuckin' stupid] for [people] to [believe everything] that the [police] will [say].
You know...?

Um...

475 MCCS 01:33:20 That's why [I keep reaching back to this notion] that perhaps there's [one agency] that [oversees every single fuckin' place and everything], and like- you know,

[all of the cops all around the world], they all [work together] and like, fuckin-

No.

[That's fuckin' stupid], because- uh...

476 MCCS 01:33:39 [Ukraine] and uh- [Russia] are [legitimately killing each other], [it is being seen], you are seeing like, [dead bodies] on the sides of fuckin' streets, and you are seeing [tanks] being [exploded] in [real-time]... that WERE moving, and then [after it exploded] it's NOT moving anymore...?

There HAD to have been somebody in that fuckin' tank...

477 MCCS 01:33:57 Ya know, [there might've been radio or remote controlled], but...
[I highly fuckin' doubt it], ya know...?

People are dying over in [Ukraine] and [Russia].
It is totally fuckin', uh- [outside of the realm of, believable] that like, there's [one agency] that controls every fuckin' country in the world.

478 MCCS 01:34:18 [However], what I DO believe is [plausible], is that- there is a- there is a [group of people] that [have a lot of money], and THEY fuckin' [control people], like, whether they do it like uh- uh, like uh...

[New World Order], [World Economic Forum], basically the same idea.

[Klaus Schwab] is suspected to have been involved in the [controlled demolition of World Trade Center 1, 2 + 7] on [09/11/2001], though [I have nothing that clearly indicates that]. It's a [theory] that I have heard from [many people], but I believe that [Exxon-Mobil, Secret Service, and SOME of the people in the CIA] had more [DIRECT] involvement. [Larry Silverstein] and this dude had [some sort of arrangement].

480 MCCS 01:34:34 [Consciously]...?
Or, [subconsciously]...?
That's... hard to say.

But- I DO think that it is entirely possible, that- uh...
...the idea of [rich people controlling the entire world]...
...and [having the entire world wrapped around their fuckin' finger]...
...it goes [way beyond] like, the clutches of fuckin', like, the [top 10 billionaires].

What I'm talking about is like, people that have [no fuckin' money] somehow [having control] over [society].

And [that's fuckin' dangerous], because then they can just [lie]- in the same manner as [OJ Simpson].

And then fuckin' [lie to every fuckin' constituent], or [citizen], or whatever...?
[Litigant]...?

481 MCCS 01:35:16 Right...?
And then like, [they have to play stupid]...
...whenever somebody indicates that they're [doin' somethin' fuckin' stupid]...
...or they [sound stupid], or they [act stupid]...?

Ya know...?
[They're gonna work fuckin' overtime], to like, [silence people like me].

482 MCCS 01:35:29 And, rather than to [silence me], [they could put my skills to use] and make me a [valuable asset somewhere], or [make an investment into my company]- but I've noticed that, like, [some people are very hesitant to do that] because of [how fuckin' intelligent I am].

483 MCCS 01:35:44 I might be wrong about that...?

But I don't think I am, because I notice a lot of resistance.

And whether like, uh- the conversation I had with the investigator yesterday, uh- he didn't exhibit any resistance, but when I said that I've written a number of documents about [Michael Zurlo], and uh- I'd like to have a conversation with [Michael Zurlo], and uh- if we have a conversation and I believe what he says...

...then [my documents will require an update].

484 MCCS 01:36:10 And then like, uh- as soon as I said that...?

This guy [Jeff Brown] was like '*Well, that'd be nice.*'

Right...?

So like, ya know, I'm not a- like oblivious to the notion that the police like, the- they- they get [desensitized] by what happens in the real world, but they ALSO get [desensitized] by the fact that like, some people really do have like fucked up, like uh- things goin' on in their mind...

485 MCCS 01:36:34 So like, they don't really wanna take the time out of their day, to fuckin' like decide- to, to figure out or determine whether or not, like I'm IN my mind, inside my mind, and just fuckin' playin' games with them...?

Cause they're playin' games with me...?

Or, if like, uh- someone on their fuckin' team, is like, actually dropping the ball a number of times, and so are the people in the fuckin' like, uh- the county agencies that I've had to deal with ...

486 MCCS 01:36:57 And uh- I think that [that perplexes them].

And so, like, [they're not gonna investigate something like, overnight].

I'm aware of that, it's gonna be a [slow burn], it's gonna be like uh- every single moment that this du- if this dude had a [genuine conversation with me yesterday], which I believe IS the case...

487 MCCS 01:37:16 Uh- it's gonna be him, [applying some effort] during moments where there's a very low number of things for him to do, which- it could be awhile.

But, at the same time...? Uh...

488 MCCS 01:37:31 This case is over (3) ye-, it's about (3) years old, right...?

And uh- I've already caught a number of uh- a number- a level of resistance from a prior investigator that called me back. (*same investigator*)

I called the [Saratoga County Sheriffs Office] on [February 1st, 2021]... and then, this guy that I believe was [Captain Jeff Brown], maybe it was [Tim Brown], like uh- [Jeff Brown] said (*it wasn't*), yeah they're [cousins] or somethin'...

489 MCCS 01:38:01 Ya know that should speak volumes right there, I remember many of the things that this dude said, and I haven't even listened to the recording.

Haven't even listened to the recording that I recorded of me speaking with him, and I remember some of the things he said just fine, and his like- uh, reactions.

490 MCCS 01:38:19 I also remember, like, the other guy was like:

[Guy]: Here, [Captain], here ya go.

Here's like a pen and a piece of paper, or whatever.

Right...?

And he started writin' down, he's like askin' me:

[Brown]: When did this incident occur...?

I say, uh-

[Me] : [June 28th, 2022]

And I say- and I told them that I had a- audio recording...

I make audio recordings much like I'm talkin' right now, and uh- ya know, I didn't realize that the thing was still recording the environment from the following (16) hours, and I told uh- I uploaded it to the- the- my [Google Drive] account before uh- my mother called (911) or whatever, and then uh-

491 MCCS 01:38:55 And then uh- I told them about having [uploaded] this [audio recording], and they STILL arrested me, and he's like:
[Brown]: Well, that's not very nice...

And I was like:
[Me] : Nah, nah...

And uh, I think that's a [key feature] of what I keep [experiencing].

492 MCCS 01:39:17 If people want me to act [nice] and [professional], then they should act- they should take some notes from the guy that I spoke to [yesterday].

But at the same time, [I don't wanna drop my guard].

Because I know that [when people are nice], that...
...it is a potential [attack vector]. (*killed with kindness*)

493 MCCS 01:39:32 And that is something that I sensed, to a very minor degree when I talked with him, but not while I was there, it was only AFTERWARD, after I left.

And I started to reflect on the conversation that I had with him.

494 MCCS 01:39:46 So...

With all of those things having been said, I don't know if this guy is an actual investigator for [SCSO]...?

Or if he's like, [FBI], or [State Police], or [CIA]...?
Or whatever...?

But what I am damn certain of, is that uh- the people at the [NSA], the [FBI] and the uh... the [FBI], [NSA], [CIA], all of these agencies have heard of me.

495 MCCS 01:40:09 And I am very certain that they have been- some of them, probably are rallying for me, to fuckin' do something cool or awesome, in my lifetime...?

And, there might be somebody like, [Michael "B.T.D.T." Pompeo].
And I'll tell you what [Michael "B.T.D.T." Pompeo], stands for.

496 MCCS 01:40:34 [Michael "Bathtub dick-time" Pompeo].
That's right...

[Michael "Bathtub dick-time" Pompeo], that's what they call him around the [CIA] and [Langley], ["Bathtub dick-time" Pompeo]

497 MCCS 01:40:57 Why do they call him ["Bathtub dick-time" Pompeo]...?
Is because, the man plays with his dick in a bathtub...? A lot.
He calls that "*hard work*".

498 MCCS 01:41:12 Because, playing with your dick, in a bathtub, if it IS hard...?

Then, you can tell people that is "*hard work*", even though, that is not hard work at all...? That's just some dude, in a bathtub, playing with his dick.

And just- havin' a lot of fun doin' it.

499 MCCS 01:41:37 You know, who cares how long he's in there...?

That's how he got the nickname, ["B.T.D.T." Pompeo]
["Bathtub dick-time" Pompeo]

500 MCCS 01:41:51 How does he do it...?

Does he use [shampoo]...?
Does he use, [Vaseline]...?
Does he just fuckin' [play with it, raw]...?

These are the questions that I ask myself, when I think about [Julien Assange] sitting in a fuckin' prison, for like exposing [Vault 7], among various other things. And...

501 MCCS 01:42:17 You know, I'm not gonna say anything BAD about [Barack Obama] at all...? But, ya know, some of the dudes that worked with [Barack Obama]...?

They were fuckin' stupid...
And, [Michael Pompeo], is one of em.
And, uh...

502 MCCS 01:42:34 Actually, I don't think that uh- [Pompeo] was the [director of the CIA] when uh- [Barack Obama] left the- left the office. Or, maybe he was, I can't remember. I think- I think he was, and uh- yeh, I dunno.

I know that [Julien Assange] was raided and arrested in uh- 2019.
[April 2019], I think...? (*Ecuadorian Embassy in London...*)

503 MCCS 01:42:55 That was when uh- the black- the [first picture of the black hole] came out.

And [Derek Muller] was like:
[Derek]: Hey, here's a video, of like uh- me talking about like what, like, what will happen when they release the video- the- [the picture of the first black hole]...?

Tomorrow...?
And then TOMORROW, I'm gonna make a NEW video, and I'm gonna talk about how, like, [what I predict] and then, uh- we- [thanks for watchin'].

And then, uh- the next day came...?
And then, uh- [Derek Muller]'s like:
[Derek]: Alright, folks so I've looked at the, the [first picture of the black hole]...? And, you're never gonna believe this, but...
...the [light] is the [shadow], and the [shadow] is the [light]...
...and that's fuckin' [cool as fuck], isn't it...?

And I was like:
[Me] : Yeh, that is pretty cool.

He's like:
[Derek]: Yup.
Fuckin' MAD cool.
No way that anyone would ever be able to like, say that it's stupid, dude.

Cause this shit's awesome.
[First picture of a black hole] that anyone's ever seen.

And I was like:
[Me] : Well, that is cool...

504 MCCS 01:44:09 I don't think [Derek Muller] knew that, like, I was sorta like, ya know, absorbing these details...

You know...?
[Derek Muller] is a guy that I'm sure that like, he has heard plenty of people, like, swearing left and right...?

And he's gotta pretend like it's somebody farting.
Ya know...?
He's not gonna...

505 MCCS 01:44:29 He's not gonna respond to somebody that farts, out loud.
Ya know, maybe like a close friend of his, he'll be like:
[Derek]: That was... that was, really gross, dude.

And then his buddy'll be like:
[Buddy]: Heh, thanks dude.

Ya know...?
No- And then- he- he'll be like:
[Derek]: No problem, dude.
You really shouldn't be like, ya know, fartin' as much as you do.

Ya know, like uh-

506 MCCS 01:44:56 You have to consider, like...
SOME of the things I'm saying are gonna make ANYBODY fucking laugh their asses off, right?

And, uh- if I am failing to cause like, somebody like [Michael Zurlo] to laugh...?
It's probably because he has done a lot of heinous shit. And like...

507 MCCS 01:45:20 Ya know, I would venture a guess as to like, even [Eric Catricala] and [Bruce Tanski]
will have, laughed their asses off at some of the shit that I've been uploading
or recording, or whatever.

BUT- if I record something, and I make fun of [Bruce "Jiggletits" Tanski], and like,
he doesn't fuckin' say anything to me...?

And he's like:

[Tanski]: Stop makin'- stop sayin' negative shit about me, dude.
What the fuck...?

Ya know, I might be the guy that's been like, hittin' the thumbs up
button on like, all of your videos over the last X amount of time.
Ya know...? (*nah*)

MAYBE I did think it was funny, that you like said that me, and uh-
[John Hoffman] like, were fuckin', ya know, puttin it in each other's
[poop chutes] or somethin'.
Ya know...?

Maybe I will think that shit was MAD funny, because there's NO WAY
that I would EVER fuck that dude.

And there is no way, that I would ever pull my dick out
of [John Hoffman]'s asshole, and [not even wash it]...?

And then have my wife suck on it... and then, ya know, when I see,
the look, on my wifes face, like, tasting [John]'s asshole...?

On my dick...?
I would, fuckin'-

508 MCCS 01:46:40 *laughing profusely*

You know...? Uh-

laughing profusely

What the fuck...
[THAT is genuinely how I laugh] when I listen to the shit that I record.
And I KNOW that other people, they laugh a lot like that, too.

They might not laugh like that at FIRST, like:
[People]: What the fuck, is this dude, like out of his fuckin' melon or somethin'...?

But- [I have been practicing this].

509 MCCS 01:47:18 Ya know...?

I'm not like fuckin' like, uh- livin' on planet fuckin' [Neptune]...

When I say something (*strange*), it's [strictly] meant to [get a reaction] out of people.

So, if I notice that people [aren't reacting] or whatever...?

It's because, [they ARE reacting], and they're like, they're either [repulsed] by
it, or [it caused them to laugh so fucking profusely], that they don't wanna make
[any indication whatsoever], that they found what I said...

...to be [outright fucking hilarious].

510 MCCS 01:47:48 Because, then it would like [encourage] the type of behavior that like,
ya know, it's like, [WORTH SOMETHING TO SOCIETY IN SOME WAY].

So like, if... Bru- if I come up like a- fuckin' made-up skit where like [Bruce Tanski], like, has a conversation with uh- [John Hoffman], he's like-

511 MCCS 01:48:12 [Tanski] : I could pull MY dick out of YOUR asshole, not even wash it, and then make my wife suck it, and then like, she'll make the face where I KNOW she tastes it...?

But- she will fuckin' pretend like she doesn't taste it at all.

And then [John Hoffman] will respond:

[Hoffman]: Wow, dude.

That's fuckin'...

That's-

I'm impressed.

And then [Bruce Tanski]'ll be like:

[Tanski] : Yeah, I'm fuckin' impressed with myself too, dude.

Ya know...?

Holy shit.

512 MCCS 01:48:41 Do I actually think that they would do that...?

No...?

But- it's fuckin' funny.

They got a lotta money, and if they have a sense of fuckin' humor...?

They're gonna find that shit funny too.

And they're gonna try to like come up with ways of, like, ya know, being [involved in the joke]...?

But at the same time, they wanna be taken seriously by other people...?

And then like, you know, I would venture a guess as to say that like, [Chad Gregory], would even get a kick out of that. (*went to school with him*)

513 MCCS 01:49:09 Because, you know, I spoke about [Chad] a number of times in the audio recordings that I've made, as well as [Dan Pickett], and like, all of these important people that uh- I've known growing up and shit...?

Like...

514 MCCS 01:49:23 Talking about them in either my [documents], or in my [audio recordings], it's meant to get a rise out of them SOMEHOW... but they're used to like uh- everybody else sorta like, going along with what [societal expectations] are, and they don't wanna let me know, that like, they're payin' attention...

515 MCCS 01:49:42 And they think that I have somethin' goin' on.

Because, they have somethin' goin' on.

And they don't wanna fuckin' let the [cat out of the bag].

Not at all.

516 MCCS 01:49:52 Because, like uh- if I was a [rich bastard], and I was [successful], and I could [walk up to anybody] and [lie to them], and [they would believe me]...?

Then, you bet your ass that like, if I- [if I saw some kid, like poking fun at me], and coming up with [genuinely hilarious fuckin' skits] and shit...?

I would have to keep that shit to myself, because if I-

517 MCCS 01:50:14 If I know that some kid is gonna fuckin' be recording a conversation with me, and like I start laughing or make it known to him...?

That like, when he's making fun of me I'm ALSO laughing along with the joke...?

Then... then, basically a lot of people, they're gonna be like:

[People]: Well, you think that what he's sayin' is fuckin' funny...?

518 MCCS 01:50:33 And then uh- they'll have to admit it, and be like:

[People]: Yeh, this fuckin', this kids' fuckin'... this dude is funny.

And then the people that like thought that I was just [delusional] or sick in the fuckin' head, they're gonna be like:

519 MCCS 01:50:46 [People]: Well, if the dude that he's makin' fun of is like- finds that shit funny, then maybe it IS funny after all.

And THEN what happens is, uh- people'll be like:

[People]: Well, this dude is- I thought that he was like this big [fearsome] fuckin' dude, or whatever... NOW I realize that he's been [involved] in the joke that whole fuckin' time...?
[What the fuck is goin' on here]...?

Ya know...?

520 MCCS 01:51:11 And that is basically the situation. Right...?

Do I think that [Eric Catricala]'s goin' around, like giving bodies a touch-up...?

After like, [serial killers] go and like, [slice people's throats open] while they're sleepin'...? After [Center for Security] like breaks into somebody's fuckin' like, house, or their lock or whatever...?

521 MCCS 01:51:29 Well, I mean [it's a theory], I don't know what it's [plausibility] is, but I would say that it's [relatively low]... but- given the circumstances of what I have observed, I think the-

As low as it is, [it's still far above 0 percent], right...?

522 MCCS 01:51:47 I do think that [certain people] are being killed by these fuckin' [spies] or these fuckin' [assholes].

Do I think it's gonna be the average, every-day citizen that works at fuckin' [Dunkin' Donuts], or like, uh- [Stewarts], or like, uh- fuckin', or like uh- I dunno, [Burger King], or whatever...?

523 MCCS 01:52:03 No~!
It's NOT gonna be [any of those people].

And so, THOSE people are going to find like, [my comedy], [my sense of comedy] and [my sense of humor], and [my intellect] to be like fuckin' stupid, because [it doesn't apply to them].

524 TXT 01:52:15

Here's how I can accurately outline my importance level

- 1) I have a [very long and rich history] of [(using/repairing) (computers/devices)]
- 2) [Computers] are used to:
 - [spy on people]
 - [commit intellectual property theft]
 - [identity theft]
 - [cybercriminal activities]
 - [fraud]
 - [racketeering]
 - [etc.]
- 3) I've detected [a lot of people in my community] who are [too stupid] to [know] stuff like [that], particularly [the people at the town hall].
- 4) [Internet technology companies] would be the [perfect way] to [commit] these [crimes], and so would being a [member of the local government], or [communication companies] like [Verizon], [Spectrum], etc.
- 5) [News agencies] like:
 - [ABC/American Broadcast Company]
 - [NBC/National Broadcast Company]
 - [CBS/Columbia Broadcasting System][each] have a [very easy to see agenda], when you start to [go through] the

[things that they broadcast], versus the [things that they don't broadcast]...

| For instance |

- Why did [Gabby Petito] get a lot of [mainstream news coverage], and the [many other people] who had been [missing] for [longer] or whatever, never made it to [national broadcast television]...?

- OOOooooOHhhhh, well, the [answer] is because [someone important] made a [conscious decision] to [expedite her story], because she was a [beautiful young white girl] that [everyone] would have [empathy] toward, for being as [beautiful] as she was. She admittedly WAS a good looking girl.

But that [automatically] means, if it's some [ugly lookin' dude] like [Captain ScruffBeard III], then, he's gonna be told to [fuck off] without words, cause the [hot young white bitch] gets to be the front of [primetime television news].

Which means that someone has the ability to pick and choose [what THEY think IS important], versus... [what THEY think is NOT important]. This process [illuminates bias], and... ...[every single news company does this].

- They are [very selective] about [what they allow to propogate their system], and they have [caused the average citizen] to think that it would be [ridiculous] for [anybody] to make [direct comparisons] between [them] and [Russian State Media], or even [Chinese State Media].

- In other words, they channel [propaganda] in many cases, by [filtering out] the things they would [rather keep quiet]... ESPECIALLY if it's [someone who owns the media, police, and justice systems], and they have access to [dangerous (espionage/surveillance) tools] like [Vault 7], or [Phantom/Pegasus], or things that the [Central Intelligence Agency] would be able to SELL to the highest bidder...

Which means that [some people] are [immune] to things called [laws], and when they do this, they cause people to [never suspect] that they [intentionally prevent certain topics] from being on the [news].

- So if some [comprised individuals] in the [US Federal Government] had my [iPhone 8+] hacked with a dangerous program called [Phantom], and with this program, they attempted to murder me outside of [Computer Answers @ 1602 Route 9, Clifton Park, NY 12065] on [05/26/2020], prior to [SCSO-2020-028501], then the story that SHOULD be on the news will [never] make it's way to peoples eyeballs.

As a direct result of this [intentional content (selection/filtration)] process, if they continue to do this [repeatedly], then people will think my real life story is [bullshit] since they're not making an effort to cover it. If anything, [they work exponentially harder to avoid talking about it].

6) When you're [intelligent] like [Noam Chomsky] or [myself], you'll become a [target].

7) People seem to think that [if you have a lot of money], then it is because someone [rightfully earned all of that money], and [didn't commit any heinous crimes] or [anything like that], in order to obtain it...

But- the truth is, [a lot of rich people] and the [police] commit [more crimes] than the [citizens] do. It's just that they're [never going to BROADCAST those details], nor will they [hold themselves accountable] for those things.

^ And THOSE are the reasons as to [Why my importance level is exponentially higher than the average US citizen].

	Transcription (25)	Importance Level

525 MCCS 01:52:15 You know, they're very low on the totem pole.

And they think that they're above me, because they have a job, they're getting paid, they're payin' their bills n shit.

And then when they see me walkin' around, lookin' like a homeless fuckin' vagrant, they don't realize that I'm using my appearance...

526 MCCS 01:52:31 I am intentionally like, I am like playing into this [appearances can be deceiving].

527 MCCS 01:52:38 [Seeing is believing, but appearances may be deceiving].
And that's just it.

Somebody that has a lot of money is gonna appear to be [very successful], and like, they're gonna appear to be [very trustworthy] as well, and [credible].

528 MCCS 01:52:51 But the fact of the matter is that people that like, ARE considered [trustworthy] and [credible], they lie too.

[They lie just as much as the next person].

They don't wanna fuckin' say it out loud, they don't wanna like admit like who- that they're a real person out loud, where other people can get a sense of how human they are.

529 MCCS 01:53:11 No, what they want is like for people to believe what they're seein' on the fuckin' television.

So, when I fuckin' like blast like, people at [WTEN] for like sayin' uh- [Town officials] said that the [Chic-fil-a] across the street from the fuckin' [Starbucks] that I was at, like when I wrote up a response to the fuckin' article, that like, holy shit, the [Chic-fil-a] is gonna bring (100) jobs to the area...?

530 MCCS 01:53:34 You- ya- [you're out of your fuckin' mind] if you think that [Chic-fil-a]'s gonna bring (100) jobs to the area...

Like [even if they're construction jobs], uh- [I doubt it].

The reason being, like uh- heh.

There hasn't been (100) construction workers building that [Chic-fil-a].

531 MCCS 01:53:52 And like, how could (1) restaurant bring in like, additional fuckin' places...?

But also, [there's a bunch of fuckin' vacant space around here].

There's [vacant property], there's [vacant buildings], there's [vacant lots], and property...? Like, there's businesses that are fuckin' closed... that are like, empty... and they say "For Sale", but- somehow, like someone [Phil Barrett] is like:

532 MCCS 01:54:19 [Barrett]: The fuckin' [Chic-fil-a] construction is gonna bring (100) jobs to the area, dude...

You better fuckin' put this in- on [Facebook], or you're fucked...

533 MCCS 01:54:29 And it's like, ho- [that's fuckin' stupid].

Right...?

And so, when I make these [audio recordings] where I talk at length about all of these [different subjects], and I [tape it together] into a [single, cohesive package]...

534 MCCS 01:54:41 I realize that some people are gonna continue to pretend like they're NOT listenin', [even when they are]...

535 MCCS 01:54:52 End recording.

536 TXT 01:54:56

Look, in the end, who really knows what...? Ya know...?

The way I see it, is that if you are like [most people], you'll ALWAYS have the mentality of someone that is a [part of a group of people], NOT an [individual who thinks for themselves].

```
[=====]
| [When people trust...] → [Then what happens is...] → [And the result is...] |
|=====|
| the news                → climate change                → Before the Flood (2016) |
| America's Got Talent    → bad musicians are heard    → bad music spams the radio all the time |
| the police              → most crimes are ignored    → innocent people get in trouble |
| the government          → NIST 9/11 report written    → US invades middle east for oil and poppies |
| bright individuals      → things make sense          → people become a lot more intelligent |
|=====|
```

You see what I'm getting at here...?

It probably [looks like] I'm [insulting everybody and everyone]... but that is not the case.

It probably even looks like I'm insulting all of those things in the box up above... but, I'm not.

I'm just very impressed with how far certain people will go, to perpetuate stupid bullshit that makes no sense. Whether it's a snippy investigator at [SCSO] that isn't collecting any evidence that I put into this document...? Or, the guy who runs the [Saratoga County Sheriffs Office], or the [New York State Police]...?

I think it is safe to say that [stupid people exist in a lot of places], and [I constantly run into them]. They constantly fail to prove that they're smarter than I am, on a rather consistent basis.

Allow me to whip out an analogy...

When I was in [9th/10th] grade, I saw this girl at [Shenendehowa High School West (formerly Koda)], and she had a stain on the rear of her skirt. I'm not sure if it was a [poop stain], or a [period blood] stain... ...but [I remember seeing a bunch of people pointing and snickering at it] when they saw it.

And yet, nobody told this girl "Hey, you've got a stain where your butt is, on your skirt." I didn't tell the girl, but I was also [much younger] and wasn't sure if I should tell her or not.

Society perpetuates this idea of [teaching people to keep to themselves], because you'd be an [asshole] to [tell the girl] that she's got a [poop/period blood] stain on her skirt.

[That's fuckin' stupid], and that's why I constantly say that [people are fuckin' stupid].

The same exact concept applies to this guy named [Captain Jeffrey Brown]. I'm attempting to tell the [Saratoga County Sheriffs Office] that they have the equivalent of a stain where their asshole is, on the skirt they're wearing.

Rather than to admit it and say:

[Them]: Ok, thanks for letting me know, I appreciate it...

...what they're doing is fumbling a football about a dozen times and then avoiding coming to terms with the cold, hard reality.
