06/27/22 - On the evening of [June 27th, 2022], I got into an altercation with [Silfredo Vasquez] because he convinced my mother to purchase a rather low-quality wireless surveillance system, and then after he MOSTLY installed it...? He had the audacity to ask me "Hey, what's the WiFi password...?"

Unbeknownst to this dude, the entire principle of him installing the surveillance system he decided to sell my mother to begin with, was already rather insulting. So, when he asked me for the Wifi password, it felt akin to when some dude starts talking a massive amount of shit about somebody, right...?

But then, when that dude talks all the shit he does, and he goes to take a piss in the bathroom...? He's gotta ask the person he's talking shit about, for help, to hold his dick... so he can piss in the toilet.

That's basically a 1-to-1 ratio of how fuckin' stupid it is, for some dude to install a piece of shit surveillance system that uses wifi, and then ask someone who used to professionally install surveillance systems for a living, for the wifi password... so that the dude could complete the job.

Yeah. I used to PROFESSIONALLY install surveillance systems with [Kevin Birch] from [PTI Security], as well as generally with [Computer Answers], and through my own company, [Secure Digits Plus LLC]. The place [Kevin Birch] used to bring me to purchase wholesale surveillance supplies, is called [ADI on Jupiter Lane/Walker Way], in [Colonie], off of [Central Ave].

So, when this dude decided to swing in like a douchebag version of Batman, whipping out the low-quality surveillance camera, and install it...? He didn't really think ahead, and question whether or not asking me for the fucking Wifi password would've pissed me off even more.

Nah.

Here's how things happen in my life.

People CASUALLY disrespect me → they think nothing of it.

I CASUALLY disrespect them in return → they have a serious problem with that.

Sometimes, when people CASUALLY piss me off...? They don't realize that I CASUALLY start to feel like conveying some sort of sentiment, like "sounds like somebody could use a real fresh pair of broken legs."

The word CASUALLY indicates that someone is being wicked non-chalant about what they're doing, thinking that it couldn't possibly be a big deal to do such a thing... especially if they do it CASUALLY.

Many people don't realize how to take that sentence, because it is meant to catch people who aren't paying attention, off guard. When it does...? Well, people who weren't expecting to hear it...?

They may say something like "That dude threatened me..."

But- that's the mentality of someone who CASUALLY pays attention to what they're (saying/doing).

Nah, nobody threatened anybody at all- somebody's just fuckin' stupid, and they're not aware of it yet.

Anyone who doesn't understand the difference between a STATEMENT (which is what that quoted utterance above actually is) and an EXPLICITLY STATED THREAT (which is NOT what the quoted utterance above actually is)... ..is a fuckin' moron. And, let me tell ya, there's a LOT of these people scattered all over the fuckin' planet.

In other words, that cleverly written sentence contains (0) explicitly stated threats, and only a dumbass would interpret it as such. It's basically like "time to make the donuts".

Look, a lot of people are of this particular intelligence level, AND lower, where they don't actually know the difference between that CLEVER STATEMENT, and an EXPLICITLY STATED THREAT. That's what stupidity will do to ya.

People may try to say "OoooOohhhHhh, it sounds like someone's BULLYING somebody else..."

No.

Consider this, what if former president William Clinton had a woman named Monica Lewinsky suck his dick in the oval office, right...? And then he went around saying "I did not have sexual relations with that woman", but- there's like a fuckin' VIDEO of her sucking his dick. THEN, William Clinton went around saying that someone with the video of Monica Lewinsky sucking William Clintons dick, was BULLYING him, because that person kept saying "William Clinton is a lying sack of shit. Look at this video..."... and then nobody looks at the video.

Aha. That's when these really clever statements come in handy. That thing I just described, is called TYRANNY.

If someone REALLY IMPORTANT, or really whoever/wherever is being stupid, or doing really stupid shit, and continues to be stupid or DO something fuckin' stupid...?

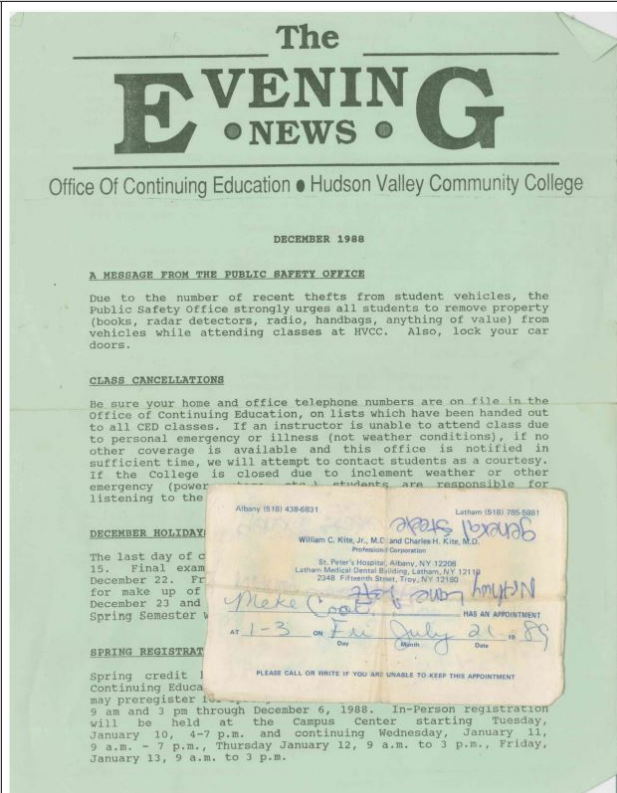

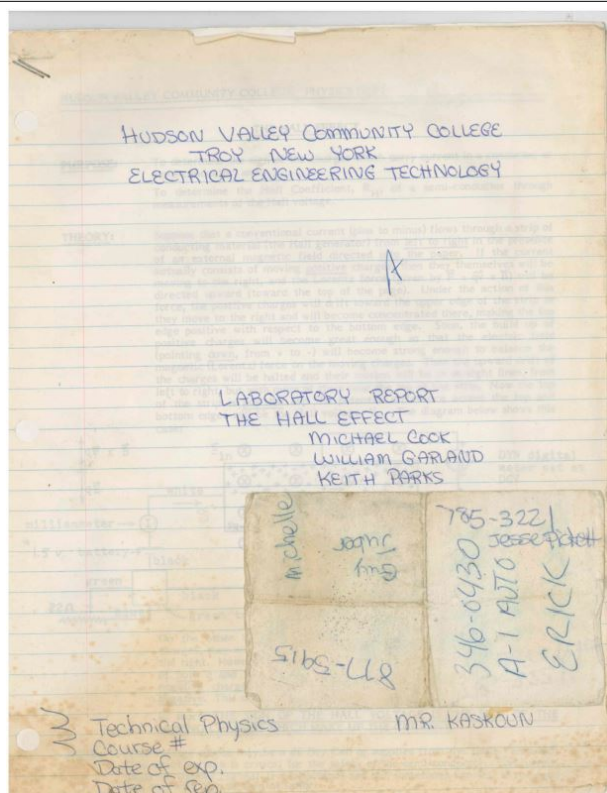

Then, it isn't BULLYING to tell them "sounds like somebody could use a real fresh pair of broken legs." In fact, the Constitution of the United States of America has this thing called "The Bill of Rights", and the very FIRST amendment made to the Constitution, is "freedom of speech/expression/the press".

Basically, it is totally legal to say things to people, as long as it is NOT an EXPLICITLY STATED THREAT. Does that make sense...? Ok. Good. I'll continue.

Anyway, on 06/27/22 ~ 8PM, I tried to talk to my mother/stepfather/Silfredo Vasquez, and his girlfriend, about:

- 1) How [my father/Michael Edward Cook] and [Jesse Pickett/brother of my former employer Daniel Pickett @ Nfrastructure], having some association at [Hudson Valley Community College] in 1988-1989.

[https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2021_0414-\(Jesse%20Pickett\).pdf](https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2021_0414-(Jesse%20Pickett).pdf)

I've even sent a copy of this document to the superintendent of the [Shenendehowa Central School District], [Dr. Oliver Robinson] at [5 Chelsea Place, Clifton Park, NY 12065] on [February 17th, 2022]. Haven't heard back.

I wonder why that is...

Could it be cause some people (like Kristen Johnson, Mrs. Matura/Smith) at Shenendehowa are fuckin' morons? Yep. Sure as hell COULD be...

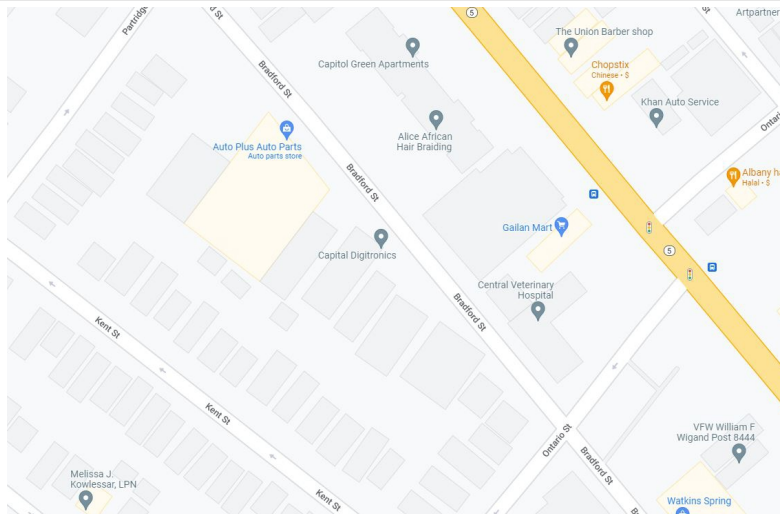

Check out the thing I post later in this document on [February 15th, 2022] "A matter of national security"

2) The people who live at [203D Halfmoon Circle, Clifton Park, NY 12065] are associated with:
[Capital Digitronics]

(Taken October 2020)

White Mercedes Benz [NYS/CAPDIG1] parked in front of [203D Halfmoon Circle], vehicle driven by
[Tom McCabe], owner of [Capital Digitronics]
Brown Ford truck belonging to [Harley Moak] @ [200D Halfmoon Circle]
Dark blue Jeep Patriot belonging to [Janet + Bill Moak] @ [200D Halfmoon Circle]

03/21/22 | Mr. McCabe Capital Digitronics | <https://drive.google.com/file/d/19wWx6cCcJaiREGd89sLUMqyo44EGrR-n>

That is a recording of me doing this thing called "investigation", which is something that the police SAY that they do, but sometimes they don't actually DO this (important/critical) part of their JOB...

And then, I'm also doing this OTHER part of a TOTALLY DIFFERENT person's job, called "transcribing ^ that audio file", which is what people in the justice system DO, when someone wants a copy of [court transcriptions].

The reason why I am using this BASIC LANGUAGE, is because I have told a lot of people about this stuff that I have, called "supporting evidence" for these other things that I have, called "plausible theories".

I realize I have to use the most BASIC LANGUAGE possible, because some people are incredibly fuckin' stupid, and in many cases those incredibly fuckin' stupid people are POLICE OFFICERS, JUDGES, DOCTORS, LAWYERS, and even TEACHERS. That's pretty COOL, right...? Wrong. It's not cool at all. They get paid to be the OPPOSITE of fuckin' stupid, so if they're getting paid to continue being really fuckin' stupid...? What are they getting paid for?

| 1: Michael C. Cook Sr., 2: Tom McCabe |

0:02 [1]: Monday, March 21st, 2022.
Walkin' up to this guy, gonna ask him some questions...
** walking noises **

0:55 [1]: Hey.

0:59 [1]: How's it goin...?

1:00 [2]: Good. <starts the car>

1:01 [1]: Sorry, I live in the house over there, I've seen you around a few times.
You're from Capital Digitronics, right..?

1:06 [2]: Yeah.

1:07 [1]: Ok.
Uhm, I just had a couple questions.

1:10 [2]: Ok.

1:11 [1]: I've seen your cars around a bit.

1:11 [2]: Yup.

1:13 [1]: What kind of work do you guys do...?

1:13 [2]: We do- well... [RADIO COMMUNICATIONS FOR THE STATE POLICE].

1:16 [1]: That's what I thought.
That's what I though- you ALSO do medical equipment TOO, right...?

1:22 [2]: Yeah, we used to do it in Saratoga county, for a long time.
We do, uh- some *unintelligible* Rockland county, and stuff like that, *unintelligible* (homes/ohms?),
base transistors, not medical equipment per se.

1:35 [1]: Ok.
Yeah, that's what I thought, radio communications, that's pretty cool.

1:42 ^ : How long have you been doin' that...?

1:43 [2]: Me...?
1982.

1:44 [1]: 1982...?
My dad went to school for that.
For uh...

1:50 [2]: Where, Hudson Valley...?

1:51 [1]: Yeah.

****Note****: RELATED EVIDENCE SHOWN UP ABOVE, MY DAD WENT TO HUDSON VALLEY COMMUNITY COLLEGE WITH JESSE PICKETT.
SENT THAT TO OLIVER ROBINSON ON [FEBRUARY 17th 2022], and I also showed that SAME evidence to NYSP/SCSO DEPUTY
CAMERON MISSENIS, PAUL ZURLO, ANTHONY AGRESTA, and (2) NYSP TROOPERS on July 14th 2020.
CAMERON MISSENIS is the SAME MORON who ILLEGALLY ARRESTED ME and TASED ME on [06/28/22].

Now, is this shit COINCIDENTAL...?
Well, if you're a fucking moron like my mother, stepfather, or neighbors (Bill/Janet) Moak...?
Then yeh, it's totally coincidental.

If you're NOT a fucking moron, then it is MORE THAN JUST COINCIDENTAL. Because it starts to look INTENTIONAL.

Intentional : when someone does something on purpose, not on accident, and even DELIBERATELY.

1:54 [1]: Yeah, about uh- 1988, 1989...? I dunno.

1:58 [2]: Yeah, my partner graduated from there, well, graduated from there in the 70's, then he got drafted.
So, he learned more in the military, most of our guys are from the military.

2:09 [1]: That's what I thought.
Well, that's good to know.
What's your name...?

2:13 [2]: Tom McCabe.

2:14 [1]: My name's Michael Cook.

2:14 [2]: Hi Mike, how are you...?

2:15 [1]: Nice to meet ya.

2:15 [2]: Sure.

2:16 [1]: Yup, I'll be here...

Based on the conversation that I had with this guy, I've got nothin' against him... but I STILL suspect that
someone at his company, perhaps his partner, or otherwise... they may be working with the [Foreign Intelligence
Service for Russia] (SVR) or some other foreign intelligence service like the [Mexican Intelligence Service],
using a program called [Phantom/Pegasus] and enabling the radios on smartphones that have no service.

Which is what someone like [Dan/John Pickett] MAY have been doing to my [Apple iPhone 8+] between [10/2018], and
[05/2020]... but then again, maybe it wasn't, and it just fuckin' APPEARS to be like they may have done that.
But, didn't. Ya know...? Maybe they didn't do that shit at all. Just, looks virtually identical to something that
they may have had a hand in doing, since [Matthew Roerig], [Clifford Miller], and [Alex Meyers] are all employees
from [Computer Answers] as well as [Nfrastructure], and so am I... Ya know...? Look at my fucking resume.

Now, in reference to [06/27/2022], I tried to show these (2) things up above to my mother MANY, MANY times...

...but she kept waving me off like what I was trying to show her was STUPID, INCORRECT, INVALID, A WASTE OF TIME, and she was rather INSISTENT that ALL THE PEOPLE ACROSS THE STREET DO, is: service medical equipment.

[Bill + Janet Moak] at [200D Halfmoon Circle] ALSO believe that is ALL those people do. Service medical equipment. And yet, you can see with the fucking TRANSCRIPTION, as well as HEAR the guy who OWNS [Capital Digitronics] say... [RADIO COMMUNICATIONS FOR THE STATE POLICE].

Wow. That is one of the reasons why I like to use a particular strategy where I call someone like my mother a fucking (moron/c***), because she proves how stupid she is every time she opens her mouth and tries to wave me off like what I'm saying or doing is fucking stupid and a waste of time.

Really, I would have ZERO REASONS TO DO THAT if my mother gave a shit about the NUMEROUS FUCKING THINGS I KEEP SUGGESTING TO HER, as well as the POLICE, and people in the COMMUNITY, and even the FBI.

That is why I called my mother a c***, in addition to how [Silfredo Vasquez] installed a really shitty surveillance system, instead of my mother asking me to do that instead, where I could've at least installed a GOOD system that uses ETHERNET and not some bullshit WIRELESS system. Nah.

Wireless camera systems are fuckin' stupid. I've done a fair amount of research into WIRELESS versus NON-WIRELESS network based stuff for *checks watch* since 2001.

Imagine if YOU, did something your ENTIRE LIFE, right...?
And the bitch who gave birth to you, ignored all of your research, and then hired some dude that doesn't know what the fuck he's doing, to install some piece of shit surveillance system...

If you were an EXPERT, and the guy she hired WAS NOT AN EXPERT... how pissed off would YOU get...?

That's why I called my mother a c***, at or about 8:00PM on 06/27/22.
When I did, [Silfredo] jumped out of his chair, got in my face, and definitely looked like he wanted to fist fight me. I don't think this dude realized that had we gotten in a fight...? I would've grabbed the surveillance system he failed to completely install, and beat the shit out of him with it, and told him to pay my mother back for the job he failed to do, without asking me for help to install it.

That's fucking weird, right...? Some dude who masquerades as a surveillance system installer, asks YOU for the Wifi password to finish installing some piece of shit surveillance system that he couldn't install himself...
...and then he has the audacity to try and fist fight you for calling your mother a c***...?

Wow.
I told [Silfredo Vasquez] that if I WERE going to get in a fight with this dude, then I'd probably use my knife. Then, I tapped on my knife (which I never pulled from the side of my pocket)...

At which point, Silfredo 100% fully removed HIS knife from his pocket, and even opened it and started pointing it at me, and made multiple indications that he was ready to lunge forward and stab me with it. You will never catch many of the sheriffs or troopers in Clifton Park NY recording any of these details in a report, because even if I were to call them and report them...? They don't write the shit I say, down. Which means that people are open to commit any fucking crime they desire TO me, and I have no fucking recourse whatsoever.

That's the magic involved in me, exhibiting with the numerous documents, videos, and audio recordings I have, of the police: EXHIBITING BIAS.

It was clear to me that Silfredo had every intention of stabbing me with his knife if I said ANYTHING that he didn't like, such as "you installed a piece of shit surveillance system and couldn't finish the installation without asking me for the wifi password. Good job. You're a real expert aren't you...?"

Pretty sure that would've gotten me stabbed.

At some point, I convinced Silfredo that what he was about to do, was really fucking stupid.
He agreed. That's when he came to his senses, and calmed the hell down.
I never lost my senses... which is why I was able to deescalate the altercation.

At no point whatsoever, during this entire mishap when Silfredo had his knife pulled out...?
Neither my mother, nor my stepfather, made ANY attempt, to have Silfredo stop what he was doing.

At no point whatsoever did my mother plead with Silfredo:

Mom: Oh no~!

Please~!

Don't stab my son~!

He only asked me to go to Kenneth Yates shop to tell him to send the motherboard for Rita Oliverio BACK to the supplier because the one they sent was fucking defective... when Judge Paul Pelagalli erroneously sentenced him to 20 days in the county jail, and his c*** public defender Sarah Schellinger failed to notify him that he had to turn himself into the jail on May 3rd, 2021...

...for recording this audio recording of Judge Paul Pelagalli making a total fucking fool of himself...
<https://drive.google.com/file/d/1J0CzI1nW5xwmWbwUVwOEMbHLuIZYEr4p>
And THAT'S the reason WHY Paul Pelagalli never actually mailed him that court order~!
Don't stab my son~!
Please~!

^ What my c*** of a mother, [Fabienne Silvie Kivlen Cook] never said.
Look, my mom is fuckin' stupid.

I'm gonna spend the rest of the document examining HOW and WHY that is a FACT, rather than just my OPINION.

After Silfredo put his knife away, I explained to Silfredo that my mother NEVER ASKS ME QUESTIONS ABOUT MY WORK OR INVESTIGATION, and she is absolutely convinced that this document with my father's handwriting...

<listed above>

...as well as the audio recording of me talking to Tom McCabe from Capital Digitronics...

<listed above>

...that they're fuckin' stupid pieces of supporting evidence.

Silfredo begun to look at me VERY DIFFERENTLY once I explained to him that I am the only person in my entire family who actually contacted [Janet Koupash] from the [NYS Victims Board], in order to facilitate an interview w/ [Tyrell Crawford], (1) of the (3) men that were CONVICTED of the FIRST DEGREE MURDER of my FATHER on 10/23/95.

In reference to my visit with [Tyrell Crawford] in 2011, I've always known that the people in my family who believe my father suffered a 'leg spasm' prompting his cab to crash into the side of the brick building on [Franklin/Plum St.], that they're really fuckin' stupid to think that my father experienced a 'leg spasm'.

[There was no leg spasm].

Sometimes, you have to look at the people who are supposed to be older and wiser than you, and tell them: "What you think is fuckin' stupid, here's why.", and then show them a better theory, and hope to hell that they come to terms with a more well-rounded theory, otherwise, expect to permanently write them off.

My father explicitly indicated to me and Aaron Demers at some point weeks before his death, that HE KNEW THEY WERE LOOKING FOR HIM. Allow me to explain the concept of WHY the people in my family who think he suffered a leg spasm, are fucking morons...

- 1) My father stated to me and Aaron Demers "If those niggers try to rob me, I'm going to put my foot to the floor, and take those niggers with me to hell." (Notice the S there, it means he knew there'd be multiple)
- 2) That's exactly what my father did.
- 3) [Aaron Demers] had an interview with someone from the [Times Union] and said that it was "definitely within his character..."

When I told [TYRELL CRAWFORD] about how my father KNEW that they were LOOKING FOR HIM...?

He made the 'poker face of doom'.

Uh-oh. As an INVESTIGATOR, seeing the look that I saw on [TYRELL CRAWFORD]'s face when I said THAT...?

That would've immediately catapulted him into the territory of being SUSPECT #1, in terms of whatever they were investigating. "Dude flat out looked like he was guilty of something when I said that sentence to him..."
Falls under MICROEXPRESSIONS.

Allow me to explain that in further detail... Tyrell had a look on his face as if THERE WAS ANOTHER EXPLANATION FOR MY FATHERS MURDER WHERE THE CRIME WAS PREMEDITATED, and I explained this "poker face" that I saw, to [Silfredo Vasquez], on [06/27/22] prior to the 16h 7m 54s recording that I began recording at [06/27/22 20:54:17], and UPLOADED TO MY GOOGLE DRIVE at [06/28/22 13:02:XX], which I will provide a link to, in a moment.

During that conversation, my mother kept trying to write off my investigation. (because she's stupid...) It was UNCLEAR to me whether she had an ULTERIOR MOTIVE for being EVASIVE in reference to talking about my father's murder, but what I have come to determine, is that MOST PEOPLE SUCK ASS AT READING PEOPLE'S PSYCHOLOGY. I don't. It is both a GIFT and a CURSE, to be able to read people's body language better than most other people.

[Michael Depresso], my public defender, was really terrible at reading the transcription I brought with me to the FIRST court appearance where he represented me, after [JC Davis] was initially assigned to my case, and then, somehow [JC Davis] transferred my case to [Michael Depresso]... (not weird or anything) back in SEPTEMBER 2022.

As soon as he SAW this transcription, he tried to downplay the fact that he was looking at hard evidence, and transcription of an audio recording that outlines all of the details that my mother left out of her statement. Weird...

She kept arguing with me about the neighbors, and insisted that the only reason that [Capital Digitronics] shows up, is to service the lady's medical equipment. Which, to be clear, considering that the [audio recording] AND the [transcription of that SHORT, 2 minute audio recording] are LITERALLY linked earlier in this document...? Well, THAT is just an additional indication of how stupid (my mother + everyone in my family defending her), are.

OR- it is an indication that I'm an actual bonafide genius, and so was my father, and that people should stop fucking questioning my intelligence, and writing it off. Either way, it means that somebody's fuckin' stupid, and it isn't ME. People that operate on HEARSAY rather than FACTS/EVIDENCE, they're fuckin' stupid + plentiful.

My mother doesn't realize how stupid she is, because... that audio recording where I talk to Mr. McCabe ...?

He specifically indicates in the audio recording that [his company provides the radio communications for the State Police], AND, the dude who owns the fucking company who has the license plate [NYS/CAPDIG1], driving around a white [Mercedes-Benz]...?

You're probably not gonna believe this if you're as stupid as my mother is, but- having an audio recording of what THAT dude has to say, does a phenomenal job of proving how fuckin' stupid some people are. Especially when they argue with someone who has an audio recording that completely dismounts what someone fuckin' stupid thinks or believes, who makes NO FUCKING EFFORT TO LISTEN TO THE RECORDING. Like my mother, the police, or aunt Nancy Smith.

That's amazing, right...?

The police are guilty of doing this sometimes. So are family members. So are judges and lawyers. And basically a long lineage of morons that fail to see how stupid they are, joining forces as one unstoppable entity...

"There's no way that all of us are fuckin' stupid, and you're not."
[Yeah, there is, actually].

Really, it's not a numbers game anymore.

I realize everyone who thinks I'm the bad guy here, is going with the numbers game.

That's the power of being a large group of stupid people that operate on hearsay.

It hasn't been a numbers game since BEFORE this incident took place.

It became a TRUE/FALSE game, and everyone on the other side of the equation is really stupid, and wrong.

The kid who lives there at [203D Halfmoon Circle] with the mother, he obviously works with Tom McCabe doing something totally different than servicing the medical equipment... but- GOOD LUCK TELLING SOME PEOPLE WHO ARE PRACTICALLY BRAIN DEAD, such as my fucking mother, [FABIENNE SILVIE KIVLEN COOK], or [MICHAEL HARRY STREETER], or [NANCY SMITH], or [RICK SMITH].

Radio equipment was involved in BOTH MURDERS of:

[Michael Edward Cook 10/23/95]

[Santa "Sammy" Cassaro 08/01/96]...

- 1) same cab company,
- 2) same dispatcher,
- 3) same execution style (shot in back of the head),
- 4) same neighborhood...

I believe that the ATTEMPTED MURDER on MY LIFE on [05/26/20] was RELATED, and [COMMITTED BY THE SAME PEOPLE].

That means → (someone/multiple someones) in [Clifton Park, NY] may have been responsible for all (3) incidents. As well as the CYBERATTACKS that I will cover in some different document.

These CYBERATTACKS and the ATTEMPTED MURDER on my life CAUSED me to believe that [MAYBE THEY'RE ALL RELATED~!]. WHOA. IS THAT WHAT I HAVE BEEN SAYING...? Yep. [It fuckin' most certainly IS], and that's why I keep saying that some of the people from [Shenendehowa] are pretty stupid, to ignore the many clues I've been seeking to reveal.

Know what I'm sayin'...?

Clues.

They're important.

You don't want to IGNORE clues, because people who are REALLY stupid, they do that.

People who are NOT really stupid, they don't do that.

The way I see it is like this...

Some people think that if you make damn certain you look REALLY GOOD in public...?

Then, they never have to thoroughly wipe their ass when they take a shit.

Not at all.

So, if they dress really well, and they are really nice to everybody when they're in public...?

Then, to THEM, it means that they don't actually HAVE to wipe their asses, ever.

Because, in their minds...? Seeing their really good looking reflection in the mirror is just as good as taking the time to thoroughly wipe their asses after they've taken a shit. I mean, they ask themselves "Why bother...?"

Ultimately, they save a lot of time by not having to bother themselves with such a trivial, mundane, boring task. Nah. Spray some perfume or cologne over it... That's good enough. Because, in their minds...? It's such a personal detail, and it's a really pesky one. Basically, no one will EVER know, and... no one ever COULD know, if they don't

wipe their asses when they take a shit. Because, asking them whether they do or don't...? They can just lie about it. So, naturally, if they leave skid marks in their underwear from not properly wiping their asses...? Oh well. Live with it.

That sounds really fuckin' stupid, right...?

Well, think again.

That's actually an extended metaphor for how some people actually think.

I'm extremely talented and skilled at writing shit in a way where I make people look really fuckin' ridiculous and stupid.

I explained to [Silfredo Vasquez] that I'm the only person in my father's family to have visited ANY of the (3) men that were convicted of first degree murder for the murder of my father Michael Edward Cook, and this actually caused his demeanor to change rather dramatically, and he became rather INTERESTED in my story.

My mother kept swatting at me while I was trying to explain to [Silfredo] the evidence I'd accumulated. Because my mother is probably more than just playing stupid, good luck conveying that to investigators or family members.

Yeah, someone attempting to hide what I'm doing as being RIDICULOUS when I have SUPPORTING EVIDENCE...? It illuminates the concept of there POSSIBLY BEING AN ULTERIOR MOTIVE for trying to do this.

Silfredo, tries to say "I don't think that the look on somebody's face automatically means anything ..."

Normally, that assessment would be generally accurate.

BUT, considering the TIMING and the CONTEXT of what I saw...?

I remained INSISTENT, that it was a CLUE, and so were the documents I listed up above, and the audio recording.

While my mother was looking away, sorta waving me off, Silfredo conveyed a sense that PERHAPS I was onto something. So, by this point his demeanor had taken a whole entire 180 from the demeanor he had displayed after I called my mother a c-u-n-t.

But, because there are so many details involved, the conversation began to falter...

...Silfredo became more and more silent in reference to the things I was suggesting.

I mean, I even told this dude that I have [AUTISM SPECTRUM DISORDER], which my mother never had diagnosed.

So does my son, [Michael Christopher Cook Jr.]

So does [SILFREDO]'s son, though his case of AUTISM is much worse than mine.

He has serious issues being able to communicate with other people normally.

Me and my son...? We have more of the [ASPERGERS SYNDROME] type, where we can clearly communicate with other people effectively, but we have a general tendency to be a real ASSHOLE.

That's what [AUTISM SPECTRUM DISORDER/ASPERGERS SYNDROME], generally means.

It's SORT OF like people with [TOURETTES SYNDROME]...

...anybody might be having a conversation with them that's going just fine, smiling, laughing...

...but then SUDDENLY...?

...in the same way that a person would SNEEZE involuntarily...?

They may start spouting out "Shit, cocksucker, fuckin' stupid fuckin asshole, fuckface, douchebag" mid-sentence.

People generally aren't sure what just came over the person with [TOURETTES SYNDROME]...?

But then they say "Oh, I have [TOURETTES SYNDROME], didn't mean any of that..."

However, in my case, people have a hard time accepting that when I'm an asshole to people, it is typically because I will not sugar coat things when I talk to people. If I think someone is really stupid...?

I'm not gonna waste a lot of time dancing around the fact... no way, bro.

I will flat out, look somebody in the face in a very dead serious manner, and say something like

Me : You're fuckin' stupid, dude.

...or...

Me : You're about the fuckin' dumbest son of a bitch I've ever met... *high five*

...or...

Me : Well, holy fuckin' christ almighty, I'm not even gonna waste my time describing how stupid you are.

That's a side effect of [ASPERGERS SYNDROME], and as it turns out...?

People generally don't appreciate that level of honesty... not at all.

I've never met anybody who heard me say those things and said:

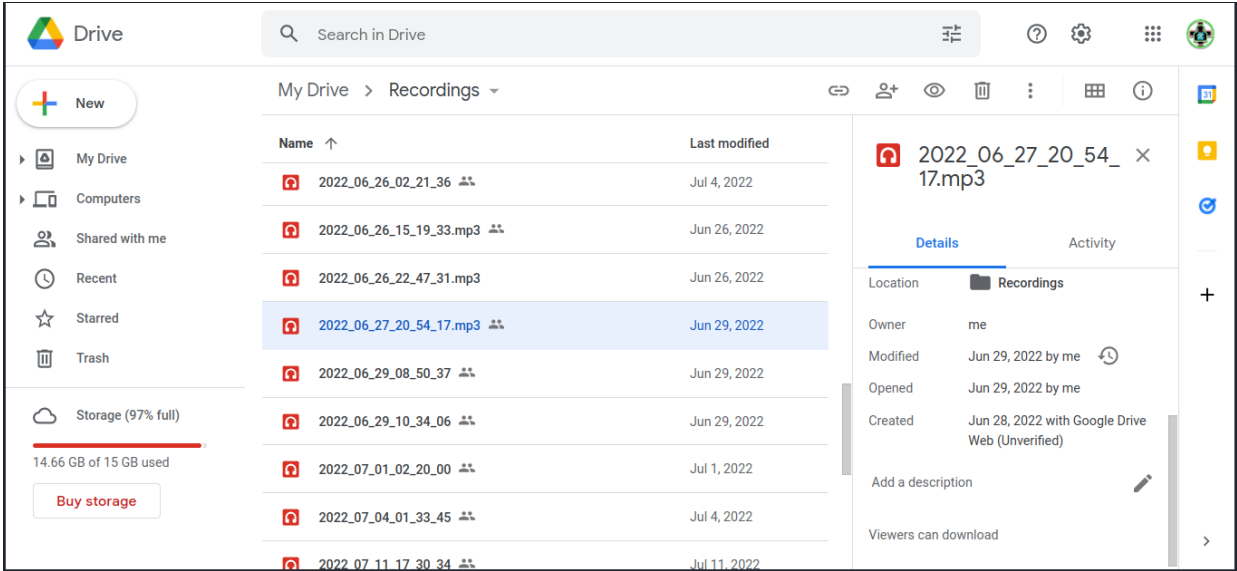

Them : Well, holy shit dude, thanks for lettin' me know~!

...because I'd respond with a sensible comment, like...

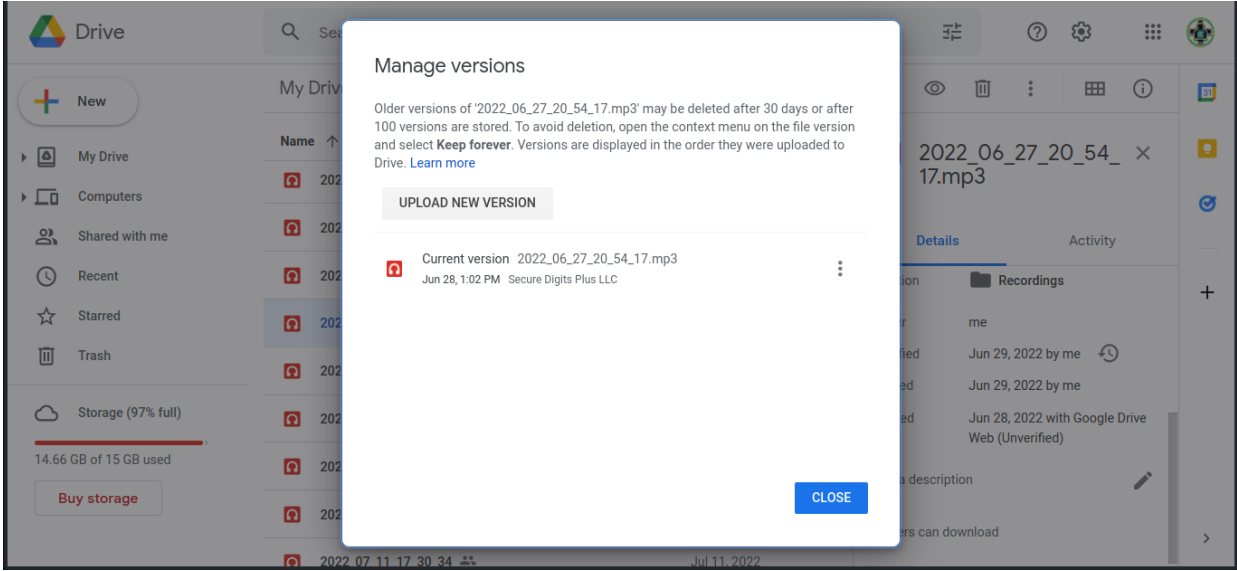

Me : Not a problem, buddy. Not a problem at all. Take care.

Anyway, I started walking away, and began to record this 16 hour, 7 minute audio recording that: [NYSP Cameron Missenis] and [Sgt Bosco] totally ignored.

Ah. See how it says “Jun 28, 1:02 PM Secure Digits Plus LLC”...? That's what THIS dipshit, needs to worry about.

However, that particular file has about like, IDK, 14 hours of silence in the middle, so allow me to post the OTHER copies where it has the ENHANCEMENTS such as: volume, treble boost, noise removal, mom lying on her statement.

I will provide (3) links below, the FIRST being the original [16h7m54s] file referenced in the screenshots above. The SECOND being the [7m] version, which really isn't getting at the thicker chunk of dialogue between my mother and I from earlier that morning... The THIRD link below, is the [2h] version, which DOES get at the chunks of dialogue between my mother and I from that morning, between 11:05AM and 1:02PM 06/28/22.

In the first version, I began to record an audio log talking about the incident with [Silfredo Vasquez].

Within the first hour or so of that recording, I directly reference the video I made (4) days beforehand regarding [Mark Zuckerberg] from [Facebook], having a [team of hackers monitoring my equipment], on [June 23rd 2022]:

06/23/22	ARCHIMEDES	https://youtu.be/QP25FbNhakQ

[Backstory which causes the bold accusation I just made, to make a LOT MORE SENSE...]

[Facebook] has been doing this shit (censorship/cyberattacks/limiting exposure/etc.) since [February 2019], when I was promoting my business and [Facebook] said something like "YOUR AD'S VIOLATING PEOPLE'S PRIVACY, DUDE... WTF."

I remember when the people at [Facebook] used this fuckin' program ARCHIMEDES to connect to my device out in [Bennington, VT] and I ALSO remember telling [Philip Fox] from [X-Squared] about how I was being attacked by cyber attacks.

Anyway, this level of hacker interference with my (life/business/etc) began after I wrote an elaborate response to the ad rejection, where I stated that it seemed pretty hypocritical to ME, that some fuckin' carrot top son of a bitch would [steal intellectual property from the Weldervoss twins], and then [leak all of Facebook's user data], as well as [selling access to that data to data analytics companies such as CAMBRIDGE ANALYTICA]... and have the audacity to say that [my ad was violating people's privacy]. Oh, alright fuckface...

I think I specifically stated "If I were a member of congress, Mark would've found his way to prison." At some point, like about a couple hours AFTER I submitted that appeal to the ad rejection...? Someone at [Facebook] actually REVERSED that ad rejection, and then tried to charge my account. I had already spent the little money I DID have, on food and stuff since I was stuck in fucking [Bennington VT].

Why was I stuck in [Bennington VT]...? Cause I bought a piece of shit [Volkswagon Jetta] from John Peak @ Marcs VW and Import in Round Lake, NY back in [October 2018]. That vehicle wound up having the SAME EXACT PROBLEM AS MY AUDI A4 QUATTRO... the head gasket blew on my way home from work on [Valentines day 2019].

But also, because PAVEL ZAICHENKO + DWAYNE COONRADT offered me the [Bennington VT] Computer Answers store as a FRANCHISE. However, the WAY that they chose to DO this, was really fucking stupid... because [they never actually gave me any of the franchise paperwork], even though [they told people like Jared Boetticher that it was a legit franchise], and that I was just [being a fucking moron], [not doing work].

Nah. [I was doing work]. Here's an example of me doing work in [Bennington VT]...

The content of ALL of these videos, is me, [doing fucking work], at [514 Main Street, Bennington VT, 05201].

Whether the content was (consistent/accurate)...? That's another story.

I had, at the time, believed that [Microsoft] had been behind the cyberattack on [01/15/2019] at: [1602 Route 9, Clifton Park, NY 12065], involving [CVE-2019-8936] : [a null pointer dereference caused the NTP service to crash] on the OpnSense router configured in this particular video...

Date	Name	Url
12/20/18	2018_1220-(OPNSense Configuration)	https://youtu.be/eD0-VQ2y_yg

Yeah.

Someone used [CVE-2019-8936] to cause a [denial of service] based attack against the GATEWAY and the [Spectrum cable modem], I wasn't there to determine which device specifically was targeted, but I am absolutely certain that the OpnSense gateway was attacked with that CVE, and THEN... the attackers used a RANSOMWARE ATTACK against ALL of the machines I was remotely administering, such as the SERVER and the MAIN WORKSTATION with the RAID ARRAY.

I believe it was [PAVEL ZAICHENKO]'s [COMPUTER ANSWERS SECURITY TEAM] that's based over in [RUSSIA]. I believe they work with [APT29/Advanced Persistent Threat 29], and I believe that [Nfrastructure] does too.

I've tried to tell a number of official people that should give a shit about all that, but- I don't know, dude.

Sometimes people can be told, over and over again, certain things like

- 1) CLUES,
- 2) LEADS,
- 3) EVIDENCE,
- 4) VIDEOS, and
- 5) LOGS...

...but- unless you're really important...?

The official people that SHOULD care about those things will probably not give a shit until it's too late. Which is why I am glad that I reached out to some people at [Microsoft], because I think they're the only ones that have made damn certain to give a shit and to do something HELPFUL about the things I was experiencing.

I have various exhibits that [Facebook/someone acting as a surrogate to Mark Zuckerberg] has been performing cyber attacks against my equipment, and these cyber attacks include:

Date	Name	Url
02/15/22	(1) A matter of National Security (Pegasus/Phantom)	https://youtu.be/e4VnZ0biez8
02/25/22	(2) Censorship on Facebook	https://youtu.be/Jmq4yBqGhTs
02/26/22	(3) Blue Screen of Death caused by Facebook stalking me	https://youtu.be/40sQXpVh_8Y
02/26/22	(4) After that Blue Screen of Death [MOBILE DEVICE]	https://youtu.be/oShPs6_uXIk
02/26/22	(5) After that Blue Screen of Death [LAPTOP DEVICE]	https://youtu.be/LYVUMLpofWg

[Example #1 (Word editor interference)] (I don't think the people using this exploit are malicious)
This particular exploit is what I talk about with my mother in ALL (3) versions of the audio file of our argument on 06/28/22. "See that line of characters and the extra pixels there?" "No..." "Are you retarded?" "No" "Look at the bottom of the letter 'S' there." "Ok..." "Ok, now look at the bottom of the letter 'S' THERE. See how it's DIFFERENT..." "...yeah..." "That's because SOMEONE IS COMMUNICATING WITH ME."

Here's another FAR MORE VISIBLE VERSION OF THAT SAME EXPLOIT BEING USED...

| 08/21/22 | Scribbles | <https://youtu.be/q0twJUzef9U> |

In THAT particular video, it is pretty fuckin' difficult to NOT SEE WHAT I'M INDICATING.

[Example #2 (Censorship)]

This particular exploit shows Mark Zuckerberg's head bobbing up and down in some dudes lap. Nah, just kidding. It shows how I posted a comment, and then immediately that comment was removed from the site as I was recording it with Open Broadcaster Software. Almost like someone WAS caught blowing some other dude...? But- far worse. Censorship → being a cocksucker, same difference.

[Example #3 (Blue screen of death)]

This particular exploit is basically something like the Central Intelligence Agency tool, "Assassin". What this exploit does, is it causes any Windows operating system to crash, and it can be caused by something like "posting anything the owner of Facebook or people at Twitter wouldn't like", or any of their surrogates.

[Example #4+5 (Assassin/After Midnight)] (Asus Laptop and Android Smartphone angles)

Restarting my computer (Asus laptop), downsampling the 1080p footage I uploaded to 120p-360p]

This attack caused me to begin developing the "Event Log Utility".

In these particular video(s), what can be seen is that there's some fuckin' collusion going on between [Facebook] and [Google], and even [Mark Zuckerberg] and [Sundar Pichai] can't go testify in front of Congress or the Senate Judiciary Committee without me saying to myself "Alright, a couple of deceitful bastards are lying to very important and naive people that work for the government." I don't really know what Pichai's involvement is, it may not even be existent... but somebody at [Google] is congregating with [Facebook], and that's why the 1080p video was being downsampled to about 360p, and REPORTING itself as 1080p.

The grade of downsampling in the video is basically the same thing as turning Xbox One content → Nintendo 1985 content.

On one hand, you've got access to Blue Ray quality HD video.

On the other, you're getting HEAVILY CENSORED and REDUCED QUALITY and ILLEGIBLE CHARACTERS ON THE SCREEN.

I have various other videos and exhibits that detail even more attacks and censorship that [Frances Haugen] never managed to collect. I'm not discounting what she exposed, but what I'm MORE concerned with, are the things that Elon Musk started to expose after he purchased Twitter, and started releasing information SIMILAR IN WEIGHT to how EDWARD SNOWDEN, and JULIEN ASSANGE exposed some of the questionable behaviors of people in our government.

In Elon Musks' case, he literally shelled out [\$44B] to be able to expose a number of censorship protocols being

executed by people in the [Federal Bureau of Investigation], as well as the [Department of Justice], and various other wings of the [social media companies], and [government].

I've known that the [Federal government] does this shady shit for a WHILE now, though to be clear, I wasn't aware of how EXTENSIVE and BAD it truly is. It is SO BAD, that I could tell SCSO MARK SHEEHAN, and he can WRITE THAT ON A RECORD, and then NOBODY DOES ANYTHING ABOUT IT.

[Facebook] has been primarily responsible for being the social media platform I commonly use, to post my opinions, as well as news articles, documents I write, skits, stories, journal entries, and various other things.

I have made a direct correlation between [Facebook], [Solorigate], [APT29], the [2020 Federal Data Breach], and the [January 6th, 2021 insurrection]. Almost like (cause) → (effect). Like a fucking scientist.

And, guess who I told on [June 13th, 2020] about this BEING HACKED BY RUSSIANS and BEING CENSORED BY THE GOV'T...? [SCSO MARK SHEEHAN] in [SCSO-2020-003564], where I called (911/518-885-6761) on BILL MOAK for: attempting to assault me on my property with an aluminum baseball bat after having an argument with my mother about the [Spectrum] bill, how I wanted the internet service to REMAIN DISCONNECTED, and that I spoke to officer Muller the school resource officer who advised me to go to the [Shenendehowa Campus IMS] department to request a HOTSPOT so that my children could do their homework since they needed the internet to do their school work during the COVID-19 lockdown...

Oh, wait... don't do the drum roll... *drum roll*

I began interviewing Cook who stated that he is CONVINCED (and have supporting evidence) that [Russians] and the [US government] are hacking and censoring his content. (Lots of evidence of this, believe it or not). Cook stated that he was trying to explain that to [Moak] and his family (but I realized that they're really stupid, and it's a waste of breath to explain anything to them at all). [Moak] asked (threatened) Cook not to approach his family with that nonsense (through his kitchen window interrupting me in the argument I was having with my mother when I told Bill Moak to shut the fuck up and mind his own business).

[Cook] took offense to this and walked toward [Moak] (bullshit, I never went onto their property. The entire incident occurred on my fucking property, that's why I'm the one that called 911/518-885-6761 NOT *HIM*) his wife and granddaughter shouting obscenities. (I was indeed shouting obscenities but not on their lot nor on their property and only because he was sticking his fucking nose in business it didn't belong in).

In fear (frustration, not fear) Moak picked up a bat and told Cook to not talk to his family like that, and leave the lot. (bullshit, Bill moak never did any of that at all, because I was never on their lot. He and his wife just [lied to Mark Sheehan], and SCSO really enjoys allowing this cocksucker to lie to them repeatedly.)

The two lots are in close proximity to one another (true... but totally irrelevant). All three of the parties interviewed stated that [Moak] never made a threat to use the bat, he was just holding it. (nobody sees how fuckin' stupid that sentence looks... not at all. Not even a fucking Sergeant named [Mark Sheehan]. Also, nah, the 3 parties that were interviewed didn't have the same story, since [Janet Moak] isn't even written on the incident report, I reported a totally different chain of events and I have audio recordings of my mother AND my stepfather admitting that what the Moak family said to Mark Sheehan, was TOTAL BULLSHIT. I have even emailed [John Hildreth] about this particular incident, and he said "There's nothing I can really even DO, bro...")

After interviewing all the subjects ([Janet Moak] interviewed, not written on the fucking incident...) I again spoke with the caller (I think he spoke with all of them FIRST, not me) Cook. I asked if he wanted to hurt himself or anyone else. He stated that he would like to take a "mental test" (I said mental evaluation, so that I could show someone with a PhD the exhibits listed up above, didn't realize I'd wind up meeting some dipshit named [Richard Todd Loeber] who cuts corners and misdiagnoses basically everyone at Saratoga Hospital MHU. I have even more of them written in the book, and on my YouTube account, and on hard drive backups. The FBI still hasn't collected any of that shit, or have they...?) to prove that he is not crazy. (Still not crazy, just MORE INTELLIGENT and MORE OBSERVANT than MOST PEOPLE, and still holding onto fucking videos of cyber attacks)

I explained that I could facilitate a transport to [Saratoga Hospital MHU] for evaluation. [Cook] (said that he would like to press charges against [Bill Moak] but I failed to do anything about that) was transported to [Saratoga Hospital] for a voluntary admission without incident, and turned over to [Stephanie] in the paddock.

Nothing further, no crimes committed.

Nah, yeah, [plenty of crimes were committed], it's just that sometimes ALL the police are there to do... ..is to ignore the crimes that were committed and reported, and to write up whatever thing best suits their level of desire to pursue. So, if it is an easy trip to the hospital...? Then, bullshit the details on the report, don't worry about looking fuckin' stupid later on, and enjoy the 2 minute thorough diagnosis by some dipshit named [Richard Todd Loeber] that got his PhD from K-Mart.

Yeah. K-Mart doesn't teach people doctorate level education in psychology or psychiatry, but in HIS case...? They made an exception, and that is why he is the leading psychiatrist at the [Saratoga Hospital MHU].

Anyway, on 03/01/22, I told these dipshits from SCSO ([Jeffrey Margan], [Paul Pecor], and [Daniel Nelson]) about those (5) exhibits up above, as well as how I've done a lot of research into the programs (Pegasus/Phantom), but-sometimes the police are really fuckin' stupid, and I EXPECTED THAT on 03/01/22, which is WHY I recorded this:

Date	Name	Url
03/01/22	SCSO being moronic again	https://drive.google.com/file/d/1BNfF9vWjG4vBIO-8oXmIw6aLeNvFRjRL

Also, (4) days prior to the incident on [06/28/22], I told [Samuel Speziale] about the same shit I just did. I expected SCSO to continue sending morons that call themselves officers of the law, to my service... hence why I was able to record [Samuel Speziale] and [Jared Gardner] casually proving how little of a shit they give about the details that would lead to the incident that occurred (4) days later. Oh my god. Is there like, something in the fuckin' water or something...?

So, by this point, this entire document should be doing a really phenomenal job of making a lot of highly respected people look incredibly fuckin' stupid.

Here's the statement that my mother made, being the stupid bitch that she is.

| Fabienne S. Cook |

My name is [Fabienne S. Cook] and I am speaking with [Trooper DeRusso] of my own free will[1].
I was in my bedroom with my door locked because my son [Michael C. Cook] was yelling at me earlier today,
that I did not understand the evidence he had that multiple people in the trailer park were conspiring to
kill him[2].

While I was laying in my room [Michael] called me into his room to show me something on his computer[3].
[Michael] stated that the computer showed proof of the people conspiring to kill him[4].
I told [Michael] that I did not understand and I walked out of his room because he was starting to yell again[5].

As I tried to leave the house through the front door he slammed the door shut so I could not get out and wrapped
his right arm around my throat, putting me in a headlock[6].
While he had his arm around my throat I tried to keep my chin down[7].
I began to struggle and he stated the more I fought him the tighter he would make it[8].
As I struggled, he tightened his trip, and then tried to put his leg around my leg and bring me to the floor[9].

I continued to struggle because I knew if he got me to the floor it was going to be bad[10].
I told [Michael] he was hurting me and I was going to call 911[11].
He tried to get my cell phone away from me but I kept a tight grip[12].
I begged [Michael] to let me go and told him I would stop trying to get away[13].
[Michael] loosened his grip and I was able to get out of the room[14].
As I was leaving he continued to yell at me[15].
I walked over to my neighbors house as fast as I could and called 911[16].
My neck and hip are sore from the struggle but I do not need medical assistance[17].
I would like to press charges against my son Michael for hurting me and would like an order of protection[18].

00005	MCCS	11:22:08	00:21:36	The reason why the (3) guys [never named the trigger man]...?
00006	MCCS	11:22:11	00:21:39	Because [they were keepin' their mouths shut because a larger crime was involved].
00007	MCCS	11:22:17	00:21:45	The larger crime involved means that the (3) of them get to go...

00014	MCCS	11:22:28	00:21:56	Cause guess what...?
00015	MCCS	11:22:30	00:21:58	That means it's a more HEINOUS CRIME, than it SOUNDS like.
00016	MCCS	11:22:34	00:22:02	And, the clues are right in front of everybody's face.
00017	MCCS	11:22:38	00:22:06	My father said this, BEFORE he was killed...
00018	MCCS	11:22:39	00:22:07	'If those niggers come after me-'
00019	MCCS	11:22:42	00:22:10	'I'm gonna put my foot to the floor and take those niggers with me to hell.'

00020 MCCS 11:22:45 00:22:13 That means, it was PREMEDITATED.
00021 FSKC 11:22:48 00:22:16 He didn't say 'niggers' he said ANYBODY tried to rob him.
00022 MCCS 11:22:50 00:22:18 He said 'niggers'...*overlap*
I heard him, mom.
00023 MCCS 11:22:54 00:22:22 That- that's another thing, you've done this to me my WHOLE life...
00024 MCCS 11:22:56 00:22:24 ...like, when I remember certain things like that, you say-
00025 MCCS 11:22:58 00:22:26 'Nah, that's wrong'.
00026 MCCS 11:23:02 00:22:30 You DO that.
I remember what my dad, said.
00027 FSKC 11:23:05 00:22:33 And then he said that around YOU...?
00028 MCCS 11:23:07 00:22:35 He probably did, and I- I'm just sayin', I remember him SAYIN' that.
00029 MCCS 11:23:11 00:22:39 But- y'know, I'm sure my son and my daughter bein'-
00030 FSKC 11:23:15 00:22:43 He was stickin' up for... black fuckin' people, there.
00031 MCCS 11:23:18 00:22:46 I KNOW he was, but they were also LOOKIN' for him because,
00032 MCCS 11:23:21 00:22:49 ...somebody was listening to my dad, and the dispatcher on the radio.
00033 MCCS 11:23:26 00:22:54 Wanna know how I know that...?
00034 MCCS 11:23:29 00:22:57 Because the SAME dispatcher was involved in SAMMY's death, and my FATHER's death.
00035 FSKC 11:23:33 00:23:01 Cause they BOTH worked for the same company.
00036 MCCS 11:23:36 00:23:04 Right, but- that's a CLUE. *pause* *interrupted*
00037 FSKC 11:23:39 00:23:07 It wasn't just THEM, there was a couple OTHER cab drivers TOO that got killed.
00038 MCCS 11:23:43 00:23:11 You have to understand the possibility, that there are MULTIPLE REASONS and EXPLANATIONS for things.
00039 MCCS 11:23:49 00:23:17 So, the SAME DISPATCHER, and the SAME CAB COMPANY being involved...
00040 ENV 11:23:55 00:23:23 *** (2) taps heard on my computer, followed by a toast notification***
00041 MCCS 11:23:55 00:23:23 ...doesn't NECESSARILY MEAN that there's a LARGER CRIME involved...?
00042 MCCS 11:23:56 00:23:24 But, what it DOES mean, is that...
00043 MCCS 11:23:59 00:23:27 There's a possibility that the (2) crimes were related for a HIGHER reason that YOU'RE NOT CONSIDERING.
00044 MCCS 11:24:06 00:23:34 That's what I'm trying to tell you.
Because if it was a DIFFERENT cab company-
00045 FSKC 11:24:09 00:23:37 I get it.
00046 MCCS 11:24:10 00:23:38 ...it was a DIFFERENT... OK, you don't- you GET it,
00047 MCCS 11:24:15 00:23:43 ...but you're CROSSING YOUR ARMS and like, getting DEFENSIVE about it.
00048 MCCS 11:24:17 00:23:45 I'm trying to TELL you that I have actually DONE this, like a fuckin' investigator from the police.
00049 FSKC 11:24:22 00:23:50 Yeah, but you're not gettin' PAID for it.
00050 MCCS 11:24:23 00:23:51 Doesn't MATTER- That means- That DOESN'T mean
00051 FSKC 11:24:25 00:23:53 Put your energy towards something that's gonna RESULT in something.
00052 MCCS 11:24:27 00:23:55 No, I AM putting my energy toward something that's gonna result in something.
00053 MCCS 11:24:31 00:23:59 You're UNDERMINING me.
You think, you don't realize, I have the GUY-
00054 FSKC 11:24:36 00:24:04 I've had enough, Mike.
00055 MCCS 11:24:37 00:24:05 The guy who RUNS Saratoga County Sheriffs Office, TRIED, TO HAVE, ME, MURDERED, ON MAY 26th, 2020 (I'm not completely convinced of this, it's a strong f'kin theory)
00056 FSKC 11:24:44 00:24:12 Then get a god damn lawyer that believes you.
00057 MCCS 11:24:49 00:24:17 I have to like, CONVINCED people, like- my MOTHER.
00058 MCCS 11:24:51 00:24:19 ***pause***
00059 MCCS 11:24:54 00:24:22 Because I can't BUY a lawyer.
Wanna know why I can't BUY a lawyer...?
00060 MCCS 11:24:58 00:24:26 Because I'm on a [NATIONAL SECURITY WATCHLIST*], so I can't get a fuckin' job.

05/26/20 0130 | SCS0-2020-028501 (S. SCHELLING, J. KAPLAN, J. WELCH)
<https://github.com/mcc85s/FightingEntropy/blob/main/Records/2020-028501%20Cook%20req.pdf>

[Me, joking around about something I'm not joking around about]...

[Joshua Welch] and the boys at the [Saratoga County Sheriffs Office] figured out how to teleport. They HAD to have figured it out. Otherwise, how could the WRONG GUY be:

| Dispatched | Enroute | On Scene | at the same exact time? Especially when [Scott Schelling] showed up first?

[Teleportation], obviously. Because, [Occams Razor]...
[The explanation that requires the fewest assumptions is usually correct.]

In this case, [SCS0-2020-028501], the explanation that requires the fewest assumptions, is that they figured out how to fucking teleport themselves. Like [Goku], the fictional character from the cartoon, [Dragonball Z].

Nah, SCS0 doesn't have [(dirty/careless) cops who misreport records]... That shit's [far fetched] and [stupid].

There's no way that explanation makes any fuckin' sense at all... cause these guys are all professionals. [Joshua Welch] showed up LAST, [Scott Schelling] showed up FIRST.

There's NO WAY that [Joshua Welch] was dispatched at [1:31:14] and showed up LAST with [Jeffrey Kaplan]... And that [Schelling] was dispatched at [1:31:32], and Schelling showed up FIRST... (18) seconds apart.

Oh wait, yeah there IS a way that the paragraph above happened like that, and that the people who documented the fucking incident...? They fudged the fucking numbers and times around, just like they did with the arrest that [James Leonard] had [DJ Thompson] make in [SCSO-2020-003173], as well as how they had me flying around in space time from [05/24/20 @ 7pm] to [05/25/20 1130pm] in [SCSO-2020-003177] that wasn't reported until [05/27/20].

There's no way that ANY careless morons work at the [Saratoga County Sheriffs Office]. I would know. Because I talked to [SCSO Captain Jeffrey Brown]...

Date	DisplayName	Url
02/02/21	SCSO Administration	https://drive.google.com/file/d/1JECZXhwpXF05B8fvFnLftESp578PFVf8

...and some moron named [Swatling] on [05/07/21] when [Paul Pelagalli] never mailed me the court order to turn myself into the SCSO jail on [05/03/21], for making this audio recording...

Date	DisplayName	Url
04/06/21	Paul Pelagalli @ Family Court	https://drive.google.com/file/d/1J0CzI1nW5xwmWbwUVwOEMbHLUiZYEr4p

...and then when I was able to leave the jail on [05/26/21], I came back the following day and spoke to [SCSO Captain Shelly Zeitske] on [05/27/21], which I didn't record although I knew I should've.

These people would've DEFINITELY told me the truth, if I talked to them about this incident, [SCSO-2020-028501]. Or, these (4) incidents, [SCSO-2020-027797], [SCSO-2020-028501], [SCSO-2020-003173], [SCSO-2020-003177]. The police never EVER lie, they're never EVER lazy, and... they ALWAYS have integrity, due diligence, and they do not make mistakes. Not ever.

I didn't even know that the [George Floyd] incident basically happened on the SAME FUCKING DAY. So, if [SCSO-2020-028501] says that [Joshua Welch] was dispatched, en route, and on scene at the same exact second...? That's literally because the dude fuckin' teleported to the scene at the EXACT SECOND he was needed.

Right here, in [Saratoga County]. I mean, who knew that the official [Saratoga County Sheriffs Office] figured out how to fucking TELEPORT at will... My god. That is how they must've done it. No further explanation necessary.

None... at... all. We're dealing with the most advanced fucking policemen known to mankind, in the history of mankind.

Teleportation, dude. And, MIND READING CAPABILITIES TOO... That's why they don't need *ANY* of this following EVIDENCE, or anything like that...

that an EARLIER complaint was made...
00124 MCCS 12:56:10 01:55:38 AFTER, 1212.
I HAVE the other fuckin' ticket.
00125 MCCS 12:56:14 01:55:42 The other ticket, is right here.
00126 MCCS 12:56:17 01:55:45 1414 Oh yeah, no, this is an earlier <complaint>
00127 MCCS 12:56:20 01:55:48 That's what fuckin' Saratoga County Sheriffs Office did to me
00128 MCCS 12:56:23 01:55:51 An EARLIER complaint was made at 1414, THAT'S NOT EARLIER THATS LATER.
00129 FSKC 12:56:30 01:55:58 Why are you fuckin' yellin' at me...?
00130 MCCS 12:56:31 01:55:59 Because I spent the last (2) years telling you this,
and you keep thinkin' I'm INSANE~!

| Lets whip out the whole FABIENNE S. KIVLEN COOK STATEMENT...
| 1) Makes a mention of people in the TRAILER PARK conspiring to kill me
| 2) That's not what I told her at all
| Allow me to repeat that...
| To: Sara DeRusso, the lazy c*** that had me arrested and tased...
| 1) Makes a mention of people in the TRAILER PARK conspiring to kill me...
| 2) But, no mention of anybody in the trailer park conspiring to kill me is made, at all... in this recording.
| That's why I am gunning for BOSCO, MISSENIS, RUFFAS, and DERUSSO to be FIRED FROM THE NEW YORK STATE POLICE
| Because it is pretty apparent that there are OTHER DETAILS that occurred that my mother never reported...
| ...and some dipshits tased me and mishandled my entire case and have been dragging their fucking feet for
| months. Sorry if I'm coming across as NEEDY, or an ASSHOLE, or like, ya know, a BURDEN on the police for not
doing their job correctly. Oh wait, nah. Somebody's fuckin' stupid.

00131 FSKC 12:56:37 01:56:05 You better, you better... get the fuck outta my house.
00132 FSKC 12:56:41 01:56:09 Get away, get the hell away from me, Mike.

00135 MCCS 12:56:49 01:56:17 I'm acting that way because I spent the last (2) years trying to-
00136 FSKC 12:56:51 01:56:19 Alright~!
Whatever~!
00137 MCCS 12:56:53 01:56:21 It's so important.

00142 MCCS 12:57:01 01:56:29 I'm not IN your face.
I'm asking you for help.
You're NOT helping.
00143 FSKC 12:57:05 01:56:33 I AM~!
00144 MCCS 12:57:06 01:56:34 No you're not.

00151 FSKC 12:57:14 01:56:42 Get the fuck AWAY from me.
00152 MCCS 12:57:14 01:56:42 No. *pause*
Look, listen to me.
00153 MCCS 12:57:18 01:56:46 You treat me like I'm 10 years old

| ...that is when my father was killed, and she STARTED acting THIS WAY. |
Pretty cool, huh Aunt Nancy Smith...?

00154 FSKC 12:57:19 01:56:47 No~!
I'm not!
00155 MCCS 12:57:21 01:56:49 Yeah you are.

00158 MCCS 12:57:30 01:56:58 You- You're helping the police, commit a crime.
00159 FSKC 12:57:34 01:57:02 I'M NOT HELPING NOTHING~!
00160 MCCS 12:57:36 01:57:04 You are~!
You're being INDIFFERENT, you're not doing anything to HELP me, you're not GOING to-
00161 FSKC 12:57:39 01:57:07 GET. THE. FUCK. OUT. OF. MY. FAAAAAACE~!
00162 MCCS 12:57:43 01:57:11 ***standing there MORTIFIED/SPEECHLESS, thinking of a NEW STRATEGY to pivot to***
00163 MCCS 12:57:49 01:57:17 You LIKE the fact that my father's gone, don't you...?
00164 FSKC 12:57:50 01:57:18 Yes I do, Mike. I am SO fuckin' happy, ain't I...?

She is attempting to sound SARCASTIC and FACETIOUS, but it comes off sounding GENUINE

00165 MCCS 12:57:56 01:57:24 You are~!

00166 FSKC 12:57:57 01:57:25 Stupid bitch~!

| Just like that. See how that doesn't sound SARCASTIC or FACETIOUS...?
| She has a SERIOUS PSYCHOLOGICAL CONDITION, and I think it is the ONSET OF DEMENTIA,
| or my mother did something fuckin' evil to my father and doesn't wanna say.
| Though, I'm no psychologist, so I am not CERTIFIED to LEGALLY MAKE THAT DIAGNOSIS.

00167 MCCS 12:57:58 01:57:26 You would LOVE it if I got shot to death just like my father.
00168 FSKC 12:58:02 01:57:30 YES, I WOULD.
00169 MCCS 12:58:04 01:57:32 Good.
00170 MCCS 12:58:07 01:57:35 That's why it's totally fine for me to fuckin' embarrass you in front of your friends.
00171 MCCS 12:58:12 01:57:40 They'll stick up for you.
00172 FSKC 12:58:14 01:57:42 You didn't EMBARRASS me.
00173 MCCS 12:58:15 01:57:43 You SHOULDN'T walk away from me...
00174 MCCS 12:58:20 01:57:48 I'm gonna record ALL this shit, about how you like fuckin' walk away, BECAUSE...
00175 MCCS 12:58:25 01:57:53 Now I think that you're involved in this fuckin' conspiracy to commit murder
against my father.
00176 FSKC 12:58:31 01:57:59 ***Tries to slam the kitchen door in my face***
00177 MCCS 12:58:33 01:58:01 No, I think you conspired to murder my father, now.
00178 FSKC 12:58:34 01:58:02 ***Keeps walking away from me, indicates MALICIOUS INTENT***
00179 MCCS 12:58:35 01:58:03 YOU KEEP WALKING AWAY FROM ME, AND IT INDICATES THAT YOU'RE GUILTY FOR SOMETHIN'~!
00180 MCCS 12:58:39 01:58:07 THAT'S WHY, YOU'RE NOT GOIN' ANYWHERE
00181 FSKC 12:58:42 01:58:10 Now you're-

00192 MCCS 12:59:08 01:58:36 Now, I have- I suspect that you had-
00193 FSKC 12:59:12 01:58:40 Alright, this is the last time you touch me.
00194 MCCS 12:59:14 01:58:42 No.
00195 FSKC 12:59:17 01:58:45 This is the LAST TIME... you FUCKIN' TOUCH ME...

00198 MCCS 12:59:21 01:58:49 I will have you, fucking, arrested.
00199 MCCS 12:59:23 01:58:51 Don't you fuckin' understand what the hell I'm saying...?
00200 MCCS 12:59:26 01:58:54 YOU'RE NOT HEARIN' A FUCKIN' WORD I'M SAYING YOU STUPID c***~!

| ^ That is EXACTLY how pissed off my FATHER got at my fucking MOTHER, when I was a child |
| My mother caused my father to act in the SAME EXACT MANNER. |

00201 MCCS 12:59:31 01:58:59 YOU HAD MY FATHER MURDERED, DIDN'T YOU...?
00202 FSKC 12:59:33 01:59:01 NO~! OH, NOW IT'S-
00203 MCCS 12:59:35 01:59:03 Then stop fuckin' walkin' away from me
00204 FSKC 12:59:37 01:59:05 GET THE FUCK OFF OF ME.
00205 MCCS 12:59:39 01:59:07 STOP FUCKIN' WALKIN' AWAY FROM ME
00206 FSKC 12:59:40 01:59:08 GET THE FUCK OFF OF ME.
00207 MCCS 12:59:41 01:59:09 STOP FUCKIN' WALKIN' AWAY FROM ME
00208 FSKC 12:59:42 01:59:10 GET OFF OF ME~!
00209 FSKC 12:59:45 01:59:13 HELP~!
00210 FSKC 12:59:47 01:59:15 HELP~!
00211 MCCS 12:59:47 01:59:15 Nobody gives a shit about you.
You let my father die, DIDN'T YOU...?
00212 FSKC 12:59:51 01:59:19 <I'm gonna KILL you.>

| ^ [She just threatened to kill me]. She was JUST saying HELP, HELP, but then said <I'm gonna KILL you>.
| It's weird how she didn't tell SARA DERUSSO that she threatened to KILL me... Ya know...?
| Weird. Actually, I forgot about this... but, I know that even Michael Depresso and the prosecutor, will
| have an INCREDIBLY DIFFICULT TIME, attempting to sweep that detail under the rug. Man oh man.
| Given the CONTEXT of the CIRCUMSTANCES, and how SILFREDO VASQUEZ ALMOST DID THAT THE NIGHT BEFORE...?

| I believed her. Because at NO POINT WHATSOEVER, did my mother GET OUT OF THE PATIO CHAIR, and TELL
| SILFREDO NOT TO STAB ME. Nah. SILFREDO VASQUEZ definitely looked like he wanted to fuckin' stab me,
| alright. Wanna know why...? It's cause my mother is a c***, so I CALLED HER A c*** IN FRONT OF SILFREDO.

| about my father's murder. It's a PRETTY SINISTER FUCKING REASON, TOO.
| By the way, if it isn't fucking obvious here...? I'm the victim in this whole situation.

00233 FSKC 13:00:49 02:00:17 No, you ARE hurtin' me.

00234 MCCS 13:00:54 02:00:22 I'm not hurting you.

You're lying.

I'm restraining you.

00235 FSKC 13:01:02 02:00:30 LET GO OF ME~!

00236 MCCS 13:01:03 02:00:31 You need to UNDERSTAND something, you are GUILTY of conspiring to murder my father.

00237 FSKC 13:01:09 02:00:37 No I'm NOT.

| Here's the question I pose to ANY INVESTIGATOR or POLICE OFFICER...

| This is what it took for my mother to finally say "NO I'M NOT", because she kept WALKING AWAY from me when

| I accused her of conspiring to murder my father.

| Why did it take her this fucking long, and require SO MUCH RESISTANCE, for her to say "No I'm not guilty of
| conspiring to murder your father"...? Well, I think it's because [my mother is hiding something].

00238 MCCS 13:01:11 02:00:39 You're gonna go to prison.

00239 FSKC 13:01:12 02:00:40 You're hurting me~!

00240 FSKC 13:01:13 02:00:41 God damnit~!

00241 FSKC 13:01:16 02:00:44 God damnit Michael~!

00242 FSKC 13:01:19 02:00:47 Let GO of me, motherfucker.

00243 FSKC 13:01:21 02:00:49 LET GO OF ME~!

00244 FSKC 13:01:25 02:00:53 LET GO OF ME~!

00245 MCCS 13:01:28 02:00:56 Stop walkin' out the fuckin' door.

00246 FSKC 13:01:29 02:00:57 LET GO OF ME~!

| That's when I released her from my restraint, RESTRAINT meaning, my hands were around her WRISTS

| that WHOLE time, which means that my arms weren't around her neck, neither were my hands, and THAT

| would mean, that she never had the fucking phone in her hand at all. That's cool, right...? Yeah.

00247 MCCS 13:01:30 02:00:58 You're guilty of conspiring to murder my father. (unsure if that's what I said)

00248 FSKC 13:01:32 02:01:00 No I'm NOT, you ass~!

00249 MCCS 13:01:39 02:01:07 You deserve a lot more than that.

00250 FSKC 13:01:43 02:01:11 *Slams front door*

00251 MCCS 13:01:52 02:01:20 Fuck

00252 MCCS 13:02:04 02:01:32 *Ends recording*

Statement (1) /-----

Here's MY fucking statement as to what occurred on [06/28/22].

As soon as I woke up at approximately 1105am on [06/28/22], I had multiple conversations with my mother about what happened the night prior. She continued to prove that she is really stupid, because I began to remember how we had this same exact argument back on [08/31/20] leading to incident [SCSO-2020-053053]...

At some point I try to show my mother an exploit that someone has been using to communicate with me, which is featured in these (2) videos:

Date	Name	Url
02/15/22	A matter of National Security (Pegasus/Phantom)	https://youtu.be/e4VnZ0biez8

My mother, proves to me that she is really stupid, by attempting to use reverse psychology on me, and facetiously respond to an accusation that I made, regarding her INDIFFERENCE.

But, even if that sounds really complicated, lets say that it should be the easiest explanation possible. She makes multiple statements that suggests that she's being so dark and sadistic toward me, that the number of "sarcastic comments" is a little too rich.

Me : You would love it if I got killed just like my father, wouldn't you...?

Mom : Yes Michael, I would.

Doesn't sound like genuine sarcasm

I then directly accuse my mother of conspiring to have my father murdered, because I genuinely believed that her motivation may have been the [\$50K NYS Workers Compensation package] that she saw on the bulletin board at [OK Taxi] on [Second Ave] and [Morris Street].

I later stated this to my aunt [Nancy Smith], and she immediately kicked me out of her house. The reason why she did that, is because she finds the theory to be so sick and twisted, that she can't actually imagine my mother doing something like that at all. She also seems to think my father suffered a leg spasm when he put his foot to the floor of the accelerator and crashed into the building on [Plum St./Franklin St.]

Basically what I'm suggesting is that my aunt [Nancy Smith] is pretty fucking naive.
[My father intentionally slammed his foot on the accelerator expecting the crash to take them all out].

The reason I know this as a fact, is because I saw it on [Tyrell Crawford]'s face, at [Sing Sing Correctional Facility], when I said [my dad knew that you guys were looking for HIM].

I remember being in the garage at some point before 10/23/95 when my father was killed...

Memories (1) /-----

In order to make damn certain that my recalling of that memory isn't written off...?
I'm going to talk about a number of things that I remember from being 2-10 years old.

My father used to bring me to work with him every once in a while, he worked for [Capitaland Taxi] off of [Jupiter Lane/Walker Way] (right near where ADI is now) in Colonie, and at one point it was on [Essex Street] in [Albany]. And, I believe the office was ALSO on [Myrtle Ave] near the [Price Chopper] on [Delaware Ave].

My mother and father had a friend named [Pauline] who used to live on [Park Ave] near [Hackett Middle School], and she used to cut our hair all the time. She had a couch that had a fold up bed in it, and we would stay the night in her apartment quite often. My mother commonly brought me to some bar off of [Dove St.], which I believe is now called [Palais Royale], or maybe it is still the same name.

My mother used to work for a bar on [South Pearl Street] called [Pagliachi's] which was directly across the street from the [Knickerbocker Arena]. I remember being stuck on the fucking roof one day with a few other kids, because the door to the roof locked behind us. I almost jumped off of the building because we were stuck and I was gonna try to get help. The fall probably would've killed me, or at the least SEVERELY injured me.

My mother and father had a friend named [Jimmy] who had a camper at camp [Kinderhook], we were there one day on my 7th birthday, and it was rainy and shitty that day. There was a little store like [Shortstop] that used to be in the front of [Turf Trailer Park]. They used to have all sorts of ice cream and gave out bags of mixed candy, for like 50 cents just like [Shortstop] did.

There used to be a [McDonalds] on [State Street] right near where my uncle [Thomas Cook] owned the 5-story building at [46 State Street], as well as [E-Con Plaza].

My mother and father had a black friend named [John] that worked with my mother at [Dobbs International] where she used to prepare airline food. I used to stick my arm into the vending machine and take stuff out of it, and I showed the guys who worked with my mom that I could do it. They were actually wicked impressed.

My mother used to go to a bar on [Wolf Road] named [Harold's] quite a lot, and she worked at a bar named [Sebastians] that eventually became a strip club and stuff. My parents bought leather jackets from place called [Russ n Rebel], which had a picture of a dude with his dog on it.

The black guy [John] had a son, I can't remember his name, but I know that they used to live in an apartment on [Grand Street] right near the [Grand Street Deli], and he came to [Clifton Park] one day to spend the night. We were listening to "AC/DC Dirty Deeds" during the drive, and then we played this Nintendo game "Double Dribble", and "Super Mario 3".

My mother and father used to have a friend that lived in [Guilderland] that played "Super Mario 3" a lot too, and he had a REAL BIG TV. It was one of those old school projector type TV's, with a huge sound system, and everything.

When I was either going into first grade, or in first grade, my father brought me to this place where I got my dog [Tyler], who was a german shepard-collie mix. This place was somewhere off of [Central Ave] near [New Karner Road].

My uncle [John Cook] used to live somewhere near the [Exit 23 Truck Stop], though much more closer to where my father was shot. My aunt [Bina] used to live in [Rensselaer] right across the street from a church, my stepfather [Michael Streeter] used to live basically across the street from my aunt [Bina]. My grandmother [Andree Kivlen] used to work at the church off of [South Pearl/Kenwood Road], as well as a bar on [North Allen St.] where I would play the arcade games like [Pac-Man] and stuff like that.

My grandmother [Andree Kivlen] used to live in [Delmar] right down the street from [Aspirion Lane], at [590 Rte 9W], or at least the building behind where the gun shop used to be.

My mother and father hung out with some dude who had these Sega games, like Mortal Combat, at [47 Glenwood St]. My parents brought me to some kids house and they had a bunch of bottle rockets, somewhere near the [Ronald McDonald] house near [Providence Street] or [Mercer Street].

My mother thinks I'm really stupid, and that I was WAY TOO YOUNG to remember ANY of that shit.

She has no idea that I remember a LOT more than she thinks, and she's the stupid one - not me.
I actually got my college degree and certifications from [CompTIA] and [Microsoft].

My mother never finished college, she also had to file for bankruptcy in 1984-5 with [Judge Mahoney] in Albany.
My mother brought me to [Medical] sometime in 1990 or so, which is where [Seton Health] on [Tallow Wood Drive] is now, because I had this feeling like I was about to die.

I believe that my mother had poisoned me, and that my father kept the record of it along with various other receipts for [D&G Village], [Cottman], and car dealerships and stuff. I believe that my father was friends with former [Albany Mayor Benson], who I believe owns the building where [Benson's Pet Center] is in [Clifton Park]. My father and my uncle Johnny used to be in the house band that played at [Tigers Pub] before it became [Northern Lights], and their band was called [Cold Sweat].

My father was issued a ticket for following too closely by [SCSO Deputy DJ Kuhn] at or about that time that I had felt like I was gonna die prompting the trip to [Medical]. He used to be the D.A.R.E. Officer at [Skano Elementary]. Sorta looks like I remember a lot of shit from before I was 10 years old, right?

Well, think again, dude.

Mom thinks that I couldn't possibly remember a single god damn thing from way back then... so, playing [Kid Icarus] with my uncle [Richard Kivlen] after stealing his knife, and having my father pissed off at me for doing that...? He knew I was lying about the knife. So did my uncle [Richard].

My dad dropped me off one night where my [uncle Richard + aunt Patti] used to live in Selkirk off of [Skyridge Lane]... Oh, and get this, I still remember that my [uncle Richard + aunt Patti] lived somewhere near [Washington Park], off of [Dana Ave] I believe. They used to take me to [Washington Park] a lot.

It's strange how I remember all of that shit, isn't it...? Jeez. It's almost like my mother's a real bitch.
Now to wrap back around to the point that I made, about [OK Taxi]...

-----/ Statement (2) /-----/ Memories (1) /-----/

When my dad worked at [OK Taxi] off of [Second Ave] (which is about a mile or less from the 200 McCarty Ave FBI field office), he brought me there one night, and I found a little bird in an alcove/doorway across the street, on [Morris Street]. I believe that it was INJURED because it wasn't able to FLY.

I brought the bird back to that shop with me. I remember it very specifically, and my mother constantly tries to say "You don't remember anything like that..." because she's really stupid and she's done this to me my whole life. "You were too young to remember that", no I wasn't. I remember a lot of shit from between 4-10 years old, and my parents fought CONSTANTLY.

I forgot all about how I had wrapped the bird up in a blanket, and it died there.
That was at or about the time that I heard or saw my mother talking with my father about the [\$50K NYS Workers Compensation package], which was relatively new I believe.

-----/ Statement (2) /-----/ Memories (2) /-----/

The reason why I was able to recall all of those places and addresses, is because...
...when I was working at [Veneto's Pizza] for [AJ Faizy] next to the [USA Gas] station in 2004...?
...[USA Gas] used to be called the [Raizada Brothers], and a guy named Jimmy used to own that station BTW...

[AJ Faizy] asked me if I wanted to work for a place in Albany, which turned out to be a cool dude named Rocky Ulic at: [I Love NY Pizza of Albany, 552 Central Ave, Albany NY 12206], right up the street from where the Albany Central police station used to be.

Near [Stewarts], AND, the ice skating rink where [Michael Streeter] brought my mother, and I chipped my front tooth, in February 1996 I believe... [Bleecker Stadium/Ice Rink].

I was in [Mrs. Matura]'s 6th grade class when that happened.
My mother and stepfather met at [Doc McCutchens] on [Broadway], right around the corner from my uncles deli.

Anyway, when I started working at [I Love NY Pizza]...?
I said to myself "I would really like to get to know this entire city like the back of my hand..." and then that's exactly what I fucking did. I crushed it at [I Love NY Pizza], I eventually met some dude at the gas station at [Central Ave./Ontario St.] He asked me one day...

Dude : Hey, how much money do you make at this pizza shop...?
 Me : Idk, a fair amount.
 Dude : You probably have to drive into the worst parts of town, huh...?
 Me : ...yeh.
 Dude : Dude, you know what you should do...?
 Me : What, what's up...?
 Dude : You should totally check out this place [Mild Wally]'s.
 Me : [Mild]...?
 Dude : [Wally]'s.
 The place is practically a gold mine.
 Me : ...really...?
 Dude : *nodding* Yup.
 You'll be swimming in cash if you work THERE, dude.
 Me : I don't believe you...
 Dude : Fine~!
 Don't go work at a place where you'll be swimming in tips, dude...
 See if I care...
 Me : Alright, fine, I'll check it out.
 Dude : Fine, dude.
 By the way, this place is open WAY past your bedtime.
 Me : *sneers* Yeah right dude.
 Dude : Nah, really, they're open til like 3am or 4am sometimes.

And that's when I went on this legendary adventure to [189A Quail Street], and I met the guy who held down the fort. His name was [Brian Kovelman], and he was a real stickler.

I managed to start working at [Mild Wally]'s, and kept working at [I Love NY Pizza] as well.
 I scoured the entire city, taking anywhere from 1 to 15 deliveries with me at a rip, driving in and out of every single street in the city of [Albany] in the worst fucking weather possible sometimes...

Rain...? Snow...? Ice...? All of it.
 Every street, weaving through traffic like a friggen nutcase. I'm not even exaggerating that at all.
 That's why I can drift around like a badass like I did in this video...

Date	DisplayName	Url
01/16/18 2100	Drifting in my Audi A4 Quattro	https://youtu.be/pi1DIQWuce8

Tickets out the ass. Police officers cutting me breaks all the time.
 Until one day, I eventually saw this pizza shop in a very secret location, it would seem. [Spinners of Albany].

I worked at all (3) of these places and managed to learn the entire city like the back of my hand.
 Had I never done that at all...? I probably wouldn't have remembered half of the shit that I managed to recall.
 That's the power of putting yourself in places where your brain starts to recognize "I feel like I've been here before..." and, being a really fucking intelligent bastard like me who seems to have a very great spatial memory.

Meaning, I don't get lost all that easily and I can remember the orientation of places that I go to, the angles of the streets, and I seem to have an internal compass at all times.

All of these things sorta play into the story that [my mother has constantly undermined me my entire life].
 Much less when I was a kid or my father was alive, because my father was a really smart guy, and he constantly made damn certain that I was doing my homework and understood it. My mother NEVER DID THAT.

How it all relates to what happened on 06/28/22, well...
 After accusing my mother of [conspiring to murder my father], she kept trying to shut the door in my face, which was predictable because she did this every time she began to feel FRUSTRATED, not because she was EMOTIONALLY SCARRED by my father's death.

She flat out conveyed in an earlier conversation that she was being very evasive about talking about my father's murder, because when I suggested [more people were involved in my father's death, and that means there will be new trials, and then the people that already served time in prison get to serve that time again.]

And that is when my mother used this sarcastic way to concede..
 Her : I hear ya.

[The ulterior motive surfaced at this point], though to be clear, it was rather apparent on [08/31/20] in [SCSO-2020-053053], I just hadn't understood WHY.

Understanding WHY is a pretty critical portion of this theory, and when I combined the observations I made about her PSYCHOLOGY, her non-chalant responses or reactions to me talking about my father's death, as well as her RESISTANCE to talk with me about any of it...?

The ulterior motive is able to be seen very clearly, by reading the statement my mother made to Sara DeRusso, and comparing it word for word with the 16 hour 7 minute 54 second version of the audio file I uploaded at 1:02PM on [06/28/22], or more specifically, to the 2 hour version that I extracted that transcription from, which detail the conversations I had with my mother between 1105am and 102pm, [06/28/22].

[I believe that my mother is hiding something], and that [everybody in my family is exhibiting an extreme sense of bias by defending her], perhaps that is because they despise either [me] or [my dead father], or [both]... ..and the reason why I am a noteworthy exception to every single one of them, is because I am the only person to have VISITED [Tyrell Crawford] in [Sing Sing Correctional Facility]. When I told him that my father knew they were looking for him...? [Tyrell Crawford]'s reaction gave me the inspiration to keep asking questions about what happened.

Not to mention, my uncle [Thomas Cook] seems to think that [Tyrell Crawford] brought the wrong bullets for his gun that night by ACCIDENT. I do not think that [Tyrell Crawford] brought the wrong bullets on accident. I believe that [Tyrell Crawford] brought the wrong bullets INTENTIONALLY, because he had no intention to kill my father, and neither did [Clifton Williamson]. Nope. The only person that had the INTENTION to murder my father, was [Zontell Gordon], and my father is NOT the FIRST PERSON he has murdered.

I'm god damn certain that my mother loved my father, that's indisputable. However, [I firmly believe she knew that my father was going to be killed on October 23rd, 1995], and she just LET him get killed.

And that the same people who had my father killed, they also had [Sammy "Santa" Cassaro] killed, and they also tried to have me killed on [May 26th, 2020] outside of [Computer Answers]. The COOL thing is that I find the fact that [Saratoga Springs Honorable Justice Francine Vero] just magically, and conveniently seems to have been a KEY WITNESS in the [Sammy "Santa" Cassaro] murder trial, like what is seen in this particular document... [https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_0701-\(CASSARO-VERO\).pdf](https://github.com/mcc85s/FightingEntropy/blob/main/Docs/2022_0701-(CASSARO-VERO).pdf)

Check it out. [Francine Vero] magically and mysteriously found herself to be involved in that murder trial, as well as the lawsuit between [Computer Answers] and [Precision Periodontics], in 2019.

At some point, things that appeared to be merely COINCIDENTAL at first glance, they pass a certain threshold... ..then, it stops looking merely coincidental, and begins to look bafflingly intentional, even if it WAS all coincidental. No matter how important or highly respected someone happens to be, once this begins to happen...?

It'll begin to change people's minds once THEY start to consider the links, and how NUMEROUS they are. Uh-oh. [Numerous coincidental things in a row start to paint a very plausible theory that looks intentional]. That's what an INVESTIGATORS job is supposed to be, not to be involved in (covering up/committing) crimes.

It is extremely distressing how I literally named [Terri Cook] + [Pavel Zaichenko] in the audio recording that I uploaded to my [Google Drive] account prior to the attack, and how I had walked to [10 Innisbrook] earlier that day, and recorded videos of me doing that, talking about [PRISM], censorship on [Facebook], [Cortana], etc.
