85. Agresta, Anthony the dispute but states it was out of self-defense. He denied attempting to place Streeter in a headlock. File checks negative for both subjects, no OOP. Streeter requested an order of protection and to have Cook removed from the residence. Streeter was advised of how to obtain an order of protection via family court and was advised that of eviction proceedings. Streeter became agitated and uncooperative with patrols when he was advised that we could not remove Cook from his residence, due to the fact that Cook resides there. NYS DIR completed. Streeter denied to sign a statement for a criminal summons for the listed violation, but stated he would be going to family court tomorrow for an order of protection. He agreed to stay at the neighbors house for a bit to let the situation cool down. Prosecution declined.

	74. Martin, Michael O I was dispatched to, Clifton Park, in regard to an ongoing issue. Upon my arrival, I was met by the complainant, Zachary Karel. The complainant stated that he was disturbed by the Facebook posts involving the want to purchase a firearm, that had been posted by the suspect of an earlier complaint made by Zachary involving the strap to his kayak rack being cut. Zachary showed me the Facebook posts of the subject, Michael Cook. I read through the post and determined that there were no direct threats to Zachary. However, I advised Zachary that if he feels unsafe because of his recent complaint involving Michael Cook, he could obtain a protection order at the Saratoga County Family Court office. Zachary felt that would be a good idea. Zachary also requested that I make advisement to Michael, advising Michael that he												13

is not allowed on his property _____, and his place of employment,			
<p>Deputy Thompson and I patrolled to the residence of Michael Cook at 201 B Halfmoon Circle, in the Town of Halfmoon. We made contact with Michael and were engaged in a conversation regarding both _____ and how the property owners are advising that Michael is not allowed on the properties. During the conversation, Deputy Thompson asked Michael, "Let me ask you a straight-up question, did you cut the kayak straps?" Michael responded to Deputy Thompson by saying "The one strap I did because it is a stolen kayak." Based on Michael's admission to cutting the kayak strap, I placed Michael under arrest for the charge of Criminal Mischief 4th degree, PL 145.00(1). I transported Michael to the Halfmoon Station for arrest processing. I processed and fingerprinted Michael on the Criminal Mischief 4th charge and released him on an appearance ticket to return to the Town of Clifton Park Town Court on July 16, 2020, at 6:00 p.m. in front of Judge Rybak. After completing the associated paperwork I gave Michael a copy of the accusatory instrument, 710.30, and his appearance ticket and advised him of his return court date and explained each piece of paper.</p> <p>Original paperwork delivered to the Clifton Park Town Court.</p> <p>Copies of the paperwork sent to the records department at the Milton Station.</p>

74. Sheehan, Mark On the above date and time I responded to 201 Halfmoon Circle for a reported disturbance and a male subject with a bat. Upon arrival there were multiple subjects in front of lot 200 and 201 D. There was no disturbance at this time. I was advised by Mike Streeter that the caller Mike Cook was have a mental episode and needed to see someone at a hospital. Streeter stated there were no threats made during the verbal altercation between Cook and Moak. I began interviewing Cook who stated that he is convinced that Russians the US government are hacking and censoring his content. Cook stated he was trying to explain that to Moak and his family. Moak asked Cook to not approach his family with that nonsense. Cook took offense to this												13

and walked toward Moak, his wife and grand daughter shouting obscenities. In fear Moak picked up a bat and told Cook to not talk to his family like that and leave the lot. The two lots are in very close proximity to one another. All three of the parties interviewed stated that Moak never made a threat to use the bat he just was holding it.

After interviewing all the subjects I again spoke with the caller, Cook. I asked if he wanted to hurt himself or anyone else. He stated he would like to take a "Mental Test" to prove that he is not crazy. I explained I could facilitate a transport to Saratoga Hospital MHU for evaluation. Cook was transported to Saratoga Hospital for a voluntary MHU evaluation without incident and turned over to Stephanie in the paddock.

Nothing further, no crimes committed.

	On this date, I was dispatched to the listed location for a report of an male by the name of Michael Cook that keeps going to the Shenendehowa School District office. Upon arrival I spoke with the school Superintendent, Dr. Robinson. Dr. Robinson explained that Michael has expressed concerns that the school issued laptop computer given to his daughter is "bugged" and that the school is spying on them. The most recent instance was on 06/18/2020 at about 13:30 hrs. Michael went to the front door and was let into the office. He put a laptop that belonged to the school on the counter and began yelling at the receptionist and saying the computer was bugged. Michael has left two separate multi-page letters at the office as well as a thumb drive. The first letter was him expressing his displeasure with the internet speed in the area and how Spectrum Cable is running a monopoly, among other similar things.

85. Whitacre, Michael B			
<p>The second letter, left yesterday was Michael saying, in sum, that he believes the police and other people are watching him. Myself, Deputy Sheehan and Deputy Cooper went to Michael's residence to speak to him as well as advise him on Dr. Robinson's behalf that he is allowed on school property without first calling and making arrangements to do so. When contact was made with Michael, a CPS case worker was there speaking to him about an unrelated matter. His children's doctor contacted them expressing concerns about Michael's mental state. Michael was advised about staying off school property to which he agreed to comply and his letters along with the thumb drive given to his mother. Michael did not show any indication that he wanted to hurt himself or anyone else. Nothing further at this time.</p>
